§ 51.916 What are the requirements for an Ozone Transport Region under the 8-hour NAAQS?

(a) In General, Sections 176A and 184 of the Act apply for purposes of the 8-hour NAAQS.

(b) RACT Requirements for Certain Portions of an Ozone Transport Region.

(1) The State shall submit a SIP revision that meets the RACT requirements of section 184 of the Act for each area that is designated as attainment or unclassifiable for the 8-hour ozone standard;
