Environmental Protection Agency § 52.232

(c) The rescission by the Southern California APCD of the following rules, which were previously approved in the September 22, 1972 (37 FR 19813) Federal Register issue, is disapproved since adequate replacement rules have not been submitted and no analysis has been presented to show that this rescission will not interfere with the attainment and maintenance of the NAAQS for photochemical oxidants (hydrocarbons) as required by section 110 of the Clean Air Act. In addition, the following rules, as submitted in June 1972 and approved for the SIP, remain federally enforceable:

(1) Los Angeles County APCD, Regulation IV, Rule 69, Vacuum Producing Devices or Systems.
(2) San Bernardino County APCD, Regulation IV, Rule 69, Vacuum Producing Devices or Systems.
(3) Riverside County APCD, Regulation IV, Rule 74, Vacuum Producing Devices or Systems.
(4) Orange County APCD, Regulation IV, Rule 69, Vacuum Producing Devices or Systems.
