Environmental Protection Agency

§ 52.38

(1) With regard to any control period that begins after December 31, 2011,
(i) The provisions of paragraphs (a) through (e) of this section relating to
SO2 emissions shall not be applicable; and
(ii) The Administrator will not carry
out any of the functions set forth for
the Administrator in subparts AAA
through III of part 97 of this chapter;
and
(2) The Administrator will not deduct
for excess emissions any CAIR SO2 al-
lowances allocated for 2012 or any year
thereafter.

§ 52.37 What are the requirements of
the Federal Implementation Plans
(FIPs) to issue permits under the
Prevention of Significant Deteriora-
tion requirements to sources that
emit greenhouse gases?

(a) The requirements of sections 160
through 165 of the Clean Air Act are
not met to the extent the plan, as ap-
proved, of the states listed in para-
graph (b) of this section does not apply
with respect to emissions of the pollut-
ant GHGs from certain stationary
sources. Therefore, the provisions of
§ 52.21 except paragraph (a)(1) are here-
by made a part of the plan for each
state listed in paragraph (b) of this sec-
tion for:
(1) Beginning January 2, 2011, the pol-
lutant GHGs from stationary sources
described in §52.21(b)(49)(iv), and
(2) beginning July 1, 2011, in addition
to the pollutant GHGs from sources de-
scribed under paragraph (a)(1) of this
section, stationary sources described in
§52.21(b)(49)(v).
(b) Paragraph (a) of this section ap-
plies to:
(1) Arizona, Pinal County; Rest of
State (Excludes Maricopa County,
Pima County, and Indian Country);
(2) Arkansas;
(3) Florida;
(4) Idaho;
(5) [Reserved]
(6) Wyoming;
(7) Jefferson County, Kentucky.
(c) For purposes of this section, the
“pollutant GHGs” refers to the pollut-
ant GHGs, as described in
§52.21(b)(49)(i).

§ 52.38 What are the requirements of
the Federal Implementation Plans
(FIPs) under the Transport Rule
(TR) relating to emissions of nitro-
gen oxides?

(a)(1) The TR NOX Annual Trading
Program provisions set forth in sub-
part AAAAA of part 97 of this chapter
constitute the TR Federal Implementa-
tion Plan provisions that relate to an-
nual emissions of nitrogen oxides
(NOx).

(2) The provisions of subpart AAAAA
of part 97 of this chapter apply to the
sources in the following States and In-
dian country located within the bor-
ders of such States: Alabama, Georgia,
Illinois, Indiana, Iowa, Kansas, Ken-
tucky, Maryland, Michigan, Minnesota,
Missouri, Nebraska, New Jersey, New
York, North Carolina, Ohio, Pennsyl-
vania, South Carolina, Tennessee,
Texas, Virginia, West Virginia, and
Wisconsin.

(3) Notwithstanding the provisions of
paragraph (a)(1) of this section, a State
listed in paragraph (a)(2) of this section
may adopt and include in a SIP revi-
sion, and the Administrator will ap-
prove, as TR NOX Annual allowance al-
location provisions replacing the provi-
sions in §97.411(a) of this chapter with
regard to the State and the control pe-
riod in 2013, a list of TR NOX Annual
units and the amount of TR NOX An-
nual allowances allocated to each unit
on such list, provided that the list of
units and allocations meets the fol-
lowing requirements:
(i) All of the units on the list must be
units that are in the State and com-
menced commercial operation before
January 1, 2010;
(ii) The total amount of TR NOX An-
nual allowance allocations on the list
must not exceed the amount, under
§97.410(a) of this chapter for the State
and the control period in 2013, of TR
NOX Annual trading budget minus the
sum of the new unit set-aside and In-
dian country new unit set-aside;
§ 52.38 40 CFR Ch. I (7–1–12 Edition)

(iii) The list must be submitted electronically in a format specified by the Administrator; and

(iv) The SIP revision must not provide for any change in the units and allocations on the list after approval of the SIP revision by the Administrator and must not provide for any change in any allocation determined and recorded by the Administrator under subpart AAAAA of part 97 of this chapter;

(v) Provided that:

(A) By October 17, 2011, the State must notify the Administrator electronically in a format specified by the Administrator of the State’s intent to submit to the Administrator a complete SIP revision meeting the requirements of paragraph (a)(3)(i) through (iv) of this section by April 1, 2012; and

(B) The State must submit to the Administrator a complete SIP revision described in paragraph (a)(3)(v)(A) of this section by April 1, 2012.

(iv) Notwithstanding the provisions of paragraph (a)(1) of this section, a State listed in paragraph (a)(2) of this section may adopt and include in a SIP revision, and the Administrator will approve, regulations revising subpart AAAAA of part 97 of this chapter as follows and not making any other substantive revisions of that subpart:

(i) The State may adopt, as TR NOₓ Annual allowance allocation or auction provisions replacing the provisions in §§97.411(a) and (b)(1) and 97.412(a) of this chapter with regard to the State and the control period in 2014 or any subsequent year, any methodology under which the State or the permitting authority allocates or auctions TR NOₓ Annual allowances, and may adopt, in addition to the definitions in §97.402 of this chapter, one or more definitions that shall apply only to terms as used in the adopted TR NOₓ Annual allowance allocation or auction provisions, if such methodology—

(A) Requires the State or the permitting authority to allocate and, if applicable, auction a total amount of TR NOₓ Annual allowances for any such control period not exceeding the amount, under §§97.410(a) and 97.421 of this chapter for the State and such control period, of the TR NOₓ Annual trading budget minus the sum of the Indian country new unit set-aside and the amount of any TR NOₓ Annual allowances already allocated and recorded by the Administrator.

(B) Requires, to the extent the State adopts provisions for allocations or auctions of TR NOₓ Annual allowances for any such control period to any TR NOₓ Annual units covered by §§97.411(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions for such control period (except allocations or results of auctions to such units of TR NOₓ Annual allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator no later than the following dates:

<table>
<thead>
<tr>
<th>Year of the control period for which TR NOₓ annual allowances are allocated or auctioned</th>
<th>Deadline for submission of allocations or auction results to Administrator</th>
</tr>
</thead>
<tbody>
<tr>
<td>2014</td>
<td>June 1, 2013</td>
</tr>
<tr>
<td>2015</td>
<td>June 1, 2013</td>

<td>June 1, 2015</td>
</tr>
<tr>
<td>2020 and any year thereafter</td>
<td>June 1 of the fourth year before the year of the control period.</td>
</tr>
</tbody>
</table>

(C) Requires, to the extent the State adopts provisions for allocations or auctions of TR NOₓ Annual allowances for any such control period to any TR NOₓ Annual units covered by §§97.411(b)(1) and 97.412(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions (except allocations or results of auctions to such units of TR NOₓ Annual allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator by July 1 of the year of such control period.

(D) Does not provide for any change, after the submission deadlines in paragraphs (a)(4)(i)(B) and (C) of this section, in the allocations submitted to the Administrator by such deadlines and does not provide for any change in any allocation determined and recorded by the Administrator under subpart AAAAA of part 97 of this chapter;

(ii) Provided that the State must submit a complete SIP revision meeting the requirements of paragraph ...
(a)(4)(i) of this section by December 1 of the year before the year of the deadlines for submission of allocations or auction results under paragraphs (a)(4)(i)(B) and (C) of this section for the first control period for which the State wants to make allocations or hold an auction under paragraph (a)(4)(i) of this section.

(5) Notwithstanding the provisions of paragraph (a)(1) of this section, a State listed in paragraph (a)(2) of this section may adopt and include in a SIP revision, and the Administrator will approve, as correcting in whole or in part, as appropriate, the deficiency in the SIP that is the basis for the TR Federal Implementation Plan set forth in paragraphs (a)(1) through (4) of this section, regulations that are substantively identical to the provisions of the TR NO\textsubscript{X} Annual Trading Program set forth in §§97.402 through 97.435 of this chapter, except that the SIP revision:

(i) May adopt, as TR NO\textsubscript{X} Annual allowance allocation or auction provisions replacing the provisions in §§97.411(a) and (b)(1) and 97.412(a) of this chapter with regard to the State and the control period in 2014 or any subsequent year, any methodology under which the State or the permitting authority allocates or auctions TR NO\textsubscript{X} Annual allowances and that—

(A) Requires the State or the permitting authority to allocate and, if applicable, auction a total amount of TR NO\textsubscript{X} Annual allowances for any such control period not exceeding the amount, under §§97.410(a) and 97.421 of this chapter for the State and such control period, of the TR NO\textsubscript{X} Annual trading budget minus the sum of the Indian country new unit set-aside and the amount of any TR NO\textsubscript{X} Annual allowances already allocated and recorded by the Administrator.

(B) Requires, to the extent the State adopts provisions for allocations or auctions of TR NO\textsubscript{X} Annual allowances for any such control period to any TR NO\textsubscript{X} Annual units covered by §97.411(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions for such control period (except allocations or results of auctions to such units of TR NO\textsubscript{X} Annual allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator no later than the following dates:

<table>
<thead>
<tr>
<th>Year of the control period for which TR NO\textsubscript{X} annual allowances are allocated or auctioned</th>
<th>Deadline for submission of allocations or auction results to administrator</th>
</tr>
</thead>
<tbody>

<td>June 1, 2015.</td>
</tr>
<tr>
<td>2020 and any year thereafter</td>
<td>June 1 of the fourth year before the year of the control period.</td>
</tr>
</tbody>
</table>

(C) Requires, to the extent the State adopts provisions for allocations or auctions of TR NO\textsubscript{X} Annual allowances for any such control period to any TR NO\textsubscript{X} Annual units covered by §§97.411(b)(1) and 97.412(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions (except allocations or results of auctions to such units of TR NO\textsubscript{X} Annual allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator by July 1 of the year of such control period.

(D) Does not provide for any change, after the submission deadlines in paragraphs (a)(5)(i)(B) and (C) of this section, in the allocations submitted to the Administrator by such deadlines and does not provide for any change in any allocation determined and recorded by the Administrator under subpart AAAAA of part 97 of this chapter;

(ii) May adopt, in addition to the definitions in §97.402 of this chapter, one or more definitions that shall apply only to terms as used in the TR NO\textsubscript{X} Annual allowance allocation or auction provisions adopted under paragraph (a)(5)(i) of this section;

(iii) May substitute the name of the State for the term “State” as used in subpart AAAAA of part 97 of this chapter, to the extent the Administrator determines that such substitutions do not make substantive changes in the provisions in §§97.402 through 97.435 of this chapter; and

(iv) Must not include any of the references to, or requirements imposed
on, any unit in Indian country within the borders of the State in the provisions in §§97.402 through 97.435 of this chapter and must not include the provisions in §§97.411(b)(2) and 97.412(b), all of which provisions will continue to apply under the portion of the TR Federal Implementation Plan that is not replaced by the SIP revision:

(v) Provided that, if and when any covered unit is located in Indian country within the borders of the State, the Administrator may modify his or her approval of the SIP revision to exclude the provisions in §§97.402 (definitions of “common designated representative”, “common designated representative’s assurance level”, and “common designated representative’s share”)), 97.406(c)(2), 97.425, and the portions of other provisions referencing these sections and may modify the portion of the TR Federal Implementation Plan that is not replaced by the SIP revision to include these provisions;

(vi) Provided that the State must submit a complete SIP revision meeting the requirements of paragraphs (a)(5)(i) through (iv) of this section by December 1 of the year before the year of the deadlines for submission of allocations or auction results under paragraphs (a)(5)(i)(B) and (C) of this section applicable to the first control period for which the State wants to make allocations or hold an auction under paragraphs (a)(5)(i) and (ii) of this section.

(6) Following promulgation of an approval by the Administrator of a State’s SIP revision as correcting in whole or in part, as appropriate, the SIP’s deficiency that is the basis for the TR Federal Implementation Plan described in paragraphs (a)(1) through (5) of this section, the provisions of paragraph (a)(2) of this section will no longer apply to the sources in the State, unless the Administrator’s approval of the SIP revision is partial or conditional, and will continue to apply to sources in any Indian country within the borders of the State.

(7) Notwithstanding the provisions of paragraph (a)(6) of this section, if, at the time of such approval of the State’s SIP revision, the Administrator has already started recording any allocations of TR NOX Annual allowances under subpart AAAAA of part 97 of this chapter to units in a State for a control period in any year, the provisions of subpart AAAAA of part 97 of this chapter authorizing the Administrator to complete the allocation and recordation of TR NOX Annual allowances to units in the State for each such control period shall continue to apply, unless provided otherwise by such approval of the State’s SIP revision.

(b)(1) The TR NOX Ozone Season Trading Program provisions set forth in part 97 of this chapter constitute the TR Federal Implementation Plan provisions that relate to emissions of NOX during the ozone season, defined as May 1 through September 30 of a calendar year.

(2) The provisions of subpart BBBBB of part 97 of this chapter apply to sources in each of the following States and Indian country located within the borders of such States: Alabama, Arkansas, Florida, Georgia, Illinois, Indiana, Iowa, Kentucky, Louisiana, Maryland, Michigan, Mississippi, Missouri, New Jersey, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia, and Wisconsin.

(3) Notwithstanding the provisions of paragraph (b)(1) of this section, a State listed in paragraph (b)(2) of this section may adopt and include in a SIP revision, and the Administrator will approve, as TR NOX Ozone Season allowance allocation provisions replacing the provisions in §97.511(a) of this chapter with regard to the State and the control period in 2013, a list of TR NOX Ozone Season units and the amount of TR NOX Ozone Season allowances allocated to each unit on such list, provided that the list of units and allocations meets the following requirements:

(i) All of the units on the list must be units that are in the State and commenced commercial operation before January 1, 2010;

(ii) The total amount of TR NOX Ozone Season allowance allocations on the list must not exceed the amount, under §97.510(a) of this chapter for the State and the control period in 2013, of TR NOX Ozone Season trading budget minus the sum of the new unit set-
Environmental Protection Agency § 52.38

aside and Indian country new unit set-aside;

(iii) The list must be submitted electronically in a format specified by the Administrator; and

(iv) The SIP revision must not provide for any change in the units and allocations on the list after approval of the SIP revision by the Administrator and must not provide for any change in any allocation determined and recorded by the Administrator under subpart BBBB of part 97 of this chapter;

(v) Provided that:

(A) By October 17, 2011 or, for Iowa, Michigan, Missouri, Oklahoma, and Wisconsin, March 6, 2012, the State must notify the Administrator electronically in a format specified by the Administrator of the State’s intent to submit to the Administrator a complete SIP revision meeting the requirements of paragraph (b)(3)(i) through (iv) of this section by April 1, 2012 or, for Iowa, Michigan, Missouri, Oklahoma, and Wisconsin, October 1, 2012; and

(B) The State must submit to the Administrator a complete SIP revision described in paragraph (b)(3)(v)(A) of this section by April 1, 2012 or, for Iowa, Michigan, Missouri, Oklahoma, and Wisconsin, October 1, 2012.

(4) Notwithstanding the provisions of paragraph (b)(1) of this section, a State listed in paragraph (b)(2) of this section may adopt and include in a SIP revision meeting the requirements of paragraph (b)(3)(i) through (iv) of this section by April 1, 2012 or, for Iowa, Michigan, Missouri, Oklahoma, and Wisconsin, October 1, 2012.

(A) Requires the State or the permitting authority to adopt and, if applicable, auction a total amount of TR NOX Ozone Season allowances for any such control period not exceeding the amount, under §§97.510(a) and 97.521 of this chapter for the State and such control period, of the TR NOX Ozone Season trading budget minus the sum of the Indian country new unit set-aside and the amount of any TR NOX Ozone Season allowances already allocated and recorded by the Administrator.

(B) Requires, to the extent the State adopts provisions for allocations or auctions of TR NOX Ozone Season allowances for any such control period to any TR NOX Ozone Season units covered by §97.511(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions for such control period (except allocations or results of auctions to such units of TR NOX Ozone Season allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator no later than the following dates:

<table>

</tbody>
</table>

(C) Requires, to the extent the State adopts provisions for allocations or
auctions of TR NO\textsubscript{X} Ozone Season allowances for any such control period to any TR NO\textsubscript{X} Ozone Season units covered by §§97.511(b)(1) and 97.512(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions (except allocations or results of auctions to such units of TR NO\textsubscript{X} Ozone Season allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator by July 1 of the year of such control period.

(D) Does not provide for any change, after the submission deadlines in paragraphs (b)(4)(ii)(B) and (C) of this section, in the allocations submitted to the Administrator by such deadlines and does not provide for any change in any allocation determined and recorded by the Administrator under subpart BBBBB of part 97 of this chapter;

(iii) Provided that the State must submit a complete SIP revision meeting the requirements of paragraph (b)(4)(i) or (ii) of this section by December 1 of the year before the year of the deadlines for submission of allocations or auction results under paragraphs (b)(4)(ii)(B) and (C) of this section applicable to the first control period for which the State wants to replace the applicability provisions, make allocations, or hold an auction under paragraph (b)(4)(i) or (ii) of this section.

(5) Notwithstanding the provisions of paragraph (b)(1) of this section, a State listed in paragraph (b)(2) of this section may adopt and include in a SIP revision, and the Administrator will approve, as correcting in whole or in part, as appropriate, the deficiency in the SIP that is the basis for the TR Federal Implementation Plan set forth in paragraphs (b)(1) through (4) of this section, regulations that are substantively identical to the provisions of the TR NO\textsubscript{X} Ozone Season Trading Program set forth in §§97.502 through 97.535 of this chapter, except that the SIP revision:

(i) May adopt, as applicability provisions replacing the provisions in §§97.504(a)(1) and (2) of this chapter, provisions substantively identical to those provisions, except that the words “more than 25 MWe” are replaced, whenever such words appear, by words specifying a uniform lower limit on the amount of megawatts that is not greater than the amount specified by the words “more than 25 MWe” and is not less than the amount specified by the words “13 MWe or more”; or

(ii) May adopt, as TR NO\textsubscript{X} Ozone Season allowance allocation provisions replacing the provisions in §§97.511(a) and (b)(1) and 97.512(a) of this chapter with regard to the control period in 2014 and any subsequent year, any methodology under which the State or the permitting authority allocates auctions TR NO\textsubscript{X} Ozone Season allowances and that—

(A) Requires the State or the permitting authority to allocate and, if applicable, auction a total amount of TR NO\textsubscript{X} Ozone Season allowances for any such control period not exceeding the amount, under §§97.510(a) and 97.521 of this chapter for the State and such control period, of the TR NO\textsubscript{X} Ozone Season trading budget minus the sum of the Indian country new unit set-aside and the amount of any TR NO\textsubscript{X} Ozone Season allowances already allocated and recorded by the Administrator.

(B) Requires, to the extent the State adopts provisions for allocations or auction of TR NO\textsubscript{X} Ozone Season allowances for any such control period to any TR NO\textsubscript{X} Ozone Season units covered by §97.511(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions for such control period (except allocations or results of auctions to such units of TR NO\textsubscript{X} Ozone Season allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator no later than the following dates:

§ 52.38

(C) Requires, to the extent the State adopts provisions for allocations or auctions of TR NO\textsubscript{X} Ozone Season allowances for any control period to any TR NO\textsubscript{X} Ozone Season units covered by §§97.511(b)(1) and 97.512(a) of this chapter, that the State or the permitting authority submit such allocations or the results of such auctions (except allocations or results of auctions to such units of TR NO\textsubscript{X} Ozone Season allowances remaining in a set-aside after completion of the allocations or auctions for which the set-aside was created) to the Administrator by July 1 of the year of such control period.

(D) Does not provide for any change, after the submission deadlines in paragraphs (b)(5)(ii)(B) and (C) of this section, in the allocations submitted to the Administrator by such deadlines and does not provide for any change in any allocation determined and recorded by the Administrator under subpart BBBBB of part 97 of this chapter;

(iii) May adopt in addition to the definitions in §97.502 of this chapter, one or more definitions that shall apply only to terms as used in the TR NO\textsubscript{X} Ozone Season allowance allocation or auction provisions adopted under paragraph (b)(5)(ii) of this section;

(iv) May substitute the name of the State for the term “State” as used in subpart BBBBB of part 97 of this chapter, to the extent the Administrator determines that such substitutions do not make substantive changes in the provisions in §§97.502 through 97.535 of this chapter; and

(v) Must not include any of the references to, or requirements imposed on, any unit in Indian country within the borders of the State in the provisions in §§97.502 through 97.535 of this chapter and must not include the provisions in §§97.511(b)(2) and 97.512(b), all of which provisions will continue to apply under the portion of the TR Federal Implementation Plan that is not replaced by the SIP revision;

(vi) Provided that, if and when any covered unit is located in Indian country within the borders of the State, the Administrator may modify his or her approval of the SIP revision to exclude the provisions in §§97.502 (definitions of “common designated representative’s assurance level”, and “common designated representative’s share”), 97.506(c)(2), 97.525, and the portions of other provisions referencing these sections and may modify the portion of the TR Federal Implementation Plan that is not replaced by the SIP revision to include these provisions;

(vii) Provided that the State must submit a complete SIP revision meeting the requirements of paragraph (b)(5)(i) through (v) of this section by December 1 of the year before the year of the deadlines for submission of allocations or auction results under paragraphs (5)(ii)(B) and (C) of this section applicable to the first control period for which the State wants to replace the applicability provisions, make allocations, or hold an auction under paragraphs (b)(5)(ii) and (iii) of this section.

(6) Following promulgation of an approval by the Administrator of a State’s SIP revision as correcting in whole or in part, as appropriate, the SIP’s deficiency that is the basis for the TR Federal Implementation Plan set forth in paragraphs (b)(1) through (5) of this section, the provisions of paragraph (b)(2) of this section will no longer apply to sources in the State, unless the Administrator’s approval of the SIP revision is partial or conditional, and will continue to apply to sources in any Indian country within the borders of the State.

(7) Notwithstanding the provisions of paragraph (b)(6) of this section, if, at the time of such approval of the State’s SIP revision, the Administrator has already started recording any allocations of TR NO\textsubscript{X} Ozone Season allowances under subpart BBBBB of part 97 of this chapter to units in a State for a control period in any year, the provisions of subpart BBBBB of part 97 of this chapter authorizing the Administrator to complete the allocation and recordation of TR NO\textsubscript{X} Ozone Season allowances to units in the State for such control period shall continue to
§ 52.39 What are the requirements of the Federal Implementation Plans (FIPs) for the Transport Rule (TR) relating to emissions of sulfur dioxide?

(a) The TR SO\(_2\) Group 1 Trading Program provisions and the TR SO\(_2\) Group 2 Trading Program provisions set forth respectively in subparts CCCCC and DDDDD of part 97 of this chapter constitute the TR Federal Implementation Plan provisions that relate to emissions of sulfur dioxide (SO\(_2\)).

(b) The provisions of subpart CCCCC of part 97 of this chapter apply to sources in each of the following States and Indian country located within the borders of such States: Illinois, Indiana, Iowa, Kentucky, Maryland, Michigan, Missouri, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Tennessee, Virginia, West Virginia, and Wisconsin.

(c) The provisions of subpart DDDDD of part 97 of this chapter apply to sources in each of the following States and Indian country located within the borders of such States: Alabama, Georgia, Kansas, Minnesota, Nebraska, South Carolina, and Texas.

(d) Notwithstanding the provisions of paragraph (a) of this section, a State listed in paragraph (b) of this section may adopt and include in a SIP revision, and the Administrator will approve, as TR SO\(_2\) Group 1 allowance allocation provisions replacing the provisions in §97.611(a) of this chapter with regard to the State and the control period in 2013, of TR SO\(_2\) Group 1 trading budget minus the sum of the new unit set-aside and Indian country new unit set-aside;

(3) The list must be submitted electronically in a format specified by the Administrator; and

(4) The SIP revision must not provide for any change in the units and allocations on the list after approval of the SIP revision by the Administrator and must not provide for any change in any allocation determined and recorded by the Administrator under subpart CCCCC of part 97 of this chapter;

(5) Provided that:

(i) By October 17, 2011, the State must notify the Administrator electronically in a format specified by the Administrator of the State’s intent to submit to the Administrator a complete SIP revision meeting the requirements of paragraph (d)(1) through (4) of this section by April 1, 2012; and

(ii) The State must submit to the Administrator a complete SIP revision described in paragraph (d)(5)(i) of this section by April 1, 2012.

(e) Notwithstanding the provisions of paragraph (a) of this section, a State listed in paragraph (b) of this section may adopt and include in a SIP revision, and the Administrator will approve, regulations revising subpart CCCCC of part 97 of this chapter as follows and not making any other substantive revisions of that subpart:

(1) The State may adopt, as TR SO\(_2\) Group 1 allowance allocation or auction provisions replacing the provisions in §§97.611(a) and (b)(1) and 97.612(a) of this chapter with regard to the control period in 2014 or any subsequent year, any methodology under which the State or the permitting authority allocates or auctions TR SO\(_2\) Group 1 allowances and may adopt, in addition to the definitions in §97.602 of this chapter, one or more definitions that shall apply only to terms as used in the adopted TR SO\(_2\) Group 1 allowance allocation or auction provisions, if such methodology—

(i) Requires the State or the permitting authority to allocate and, if applicable, auction a total amount of TR SO\(_2\) Group 1 allowances for any such control period not exceeding the amount, under §§97.610(a) and 97.621 of
