for National Research Service Awards prevailing on the date on which the period of appointment begins, multiplied, in any case in which the service that was required has been performed in part, by the percentage which the length of service that was not performed is to the length of the service that was required to be performed. The amount will be determined under the following formula:

\[ A = 3(\theta + m\theta) \frac{(t-s)}{t} \]

where

- \( A \) = the amount the United States is entitled to recover;
- \( \theta \) = the cost of the clinical traineeship (including stipends and other trainee allowances);
- \( m \) = the number of months since the trainee failed to perform obligated service;
- \( i \) = the National Research Service Award rate on the date which the period of appointment begins divided by twelve;
- \( t \) = the total number of months of the service obligation;
- \( s \) = the number of months that have been served.

(2) Unless the Secretary extends the repayment period as provided in paragraph (e) of this section, the individual shall pay to the United States the total amount which the United States is entitled to recover under paragraph (g)(1) of this section immediately upon the date that the individual fails to begin or complete the period of obligated service (including failing to comply with the applicable terms and conditions of an extension or break in service granted the individual) or upon the date that the individual indicates his or her intention not to fulfill the service obligation as determined by the Secretary. The amount is considered a debt owed to the United States, with interest accruing monthly upon the total debt as provided under paragraph (g)(1) of this section.

§ 65.2 Definitions.

As used in this part:

Award or grant means a grant or cooperative agreement made under section 126(g) of the SARA or section 118 of the HMTA.

Director means the Director, National Institute of Environmental Health Sciences, or the Director’s delegate.

HHS means the Department of Health and Human Services.

HMTA means the Hazardous Materials Transportation Act, as amended (49 U.S.C. App. 1801 et seq.).

NIEHS means the National Institute of Environmental Health Sciences, an organizational component of the National Institutes of Health, as authorized by sections 401(b)(1)(L) and 463 of the Public Health Service Act (42 U.S.C. 281(b)(1)(L) and 285(l).

NIH means the National Institutes of Health.

Nonprofit as applied to any agency, organization, institution, or other entity means a corporation or association no part of the net earnings of which inures or may lawfully inure to the benefit of any private shareholder or individual.

Stipend means a payment to an organization that is intended to help meet that organization’s subsistence expenses for trainees during the training period.

Training grant means an award of funds to an eligible entity for a project authorized under § 65.1.

§ 65.3 Who is eligible to apply for a grant?

Public and private nonprofit entities providing worker health and safety education and training may apply for grants under these regulations. Applicants for a grant may use services, as appropriate, of other public or private organizations necessary to develop, administer, or evaluate proposed worker training programs so long as the majority of the work is done by the applicant.

§ 65.4 Project requirements.

In addition to meeting the requirements specified in the application, the instructions accompanying it, and the regulations referred to in § 65.8, each
