(b) **Standard: Disclosure of physician financial interest or ownership.** The ASC must disclose, in accordance with Part 420 of this subchapter, and where applicable, provide a list of physicians who have financial interest or ownership in the ASC facility. Disclosure of information must be in writing.

(c) **Standard: Advance directives.** The ASC must comply with the following requirements:

1. Provide the patient or, as appropriate, the patient’s representative with written information concerning its policies on advance directives, including a description of applicable State health and safety laws and, if requested, official State advance directive forms.
2. Inform the patient or, as appropriate, the patient’s representative of the patient’s right to make informed decisions regarding the patient’s care.
3. Document in a prominent part of the patient’s current medical record, whether or not the individual has executed an advance directive.
4. **Standard: Submission and investigation of grievances.** The ASC must establish a grievance procedure for documenting the existence, submission, investigation, and disposition of a patient’s written or verbal grievance to the ASC. The following criteria must be met:

   1. All alleged violations/grievances relating, but not limited to, mistreatment, neglect, verbal, mental, sexual, or physical abuse, must be fully documented.
   2. All allegations must be immediately reported to a person in authority in the ASC.
   3. Only substantiated allegations must be reported to the State authority or the local authority, or both.
   4. The grievance process must specify timeframes for review of the grievance and the provisions of a response.
   5. The ASC, in responding to the grievance, must investigate all grievances made by a patient, the patient’s representative, or the patient’s surrogate regarding treatment or care that is (or fails to be) furnished.
   6. The ASC must document how the grievance was addressed, as well as provide the patient’s representative, or the patient’s surrogate with written notice of its decision. The decision must contain the name of an ASC contact person, the steps taken to investigate the grievance, the result of the grievance process and the date the grievance process was completed.

(e) **Standard: Exercise of rights and respect for property and person.**

1. The patient has the right to the following:
   i. Be free from any act of discrimination or reprisal.
   ii. Voice grievances regarding treatment or care that is (or fails to be) provided.
   iii. Be fully informed about a treatment or procedure and the expected outcome before it is performed.

2. If a patient is adjudged incompetent under applicable State laws by a court of proper jurisdiction, the rights of the patient are exercised by the person appointed under State law to act on the patient’s behalf.

3. If a State court has not adjudged a patient incompetent, any legal representative or surrogate designated by the patient in accordance with State law may exercise the patient’s rights to the extent allowed by State law.

(f) **Standard: Privacy and safety.**

1. The patient has the right to—
   1. Personal privacy.
   2. Receive care in a safe setting.
   3. Be free from all forms of abuse or harassment.

(g) **Standard: Confidentiality of clinical records.** The ASC must comply with the Department’s rules for the privacy and security of individually identifiable health information, as specified at 45 CFR parts 160 and 164.

§ 416.51 **Conditions for coverage—Infection control.**

The ASC must maintain an infection control program that seeks to minimize infections and communicable diseases.

(a) **Standard: Sanitary environment.** The ASC must provide a functional and sanitary environment for the provision of surgical services by adhering to professionally acceptable standards of practice.

(b) **Standard: Infection control program.** The ASC must maintain an ongoing program designed to prevent, control,
§ 416.52 Conditions for coverage—Patient admission, assessment and discharge.

The ASC must ensure each patient has the appropriate pre-surgical and post-surgical assessments completed and that all elements of the discharge requirements are completed.

(a) Standard: Admission and pre-surgical assessment. (1) Not more than 30 days before the date of the scheduled surgery, each patient must have a comprehensive medical history and physical assessment completed by a physician (as defined in section 1861(r) of the Act) or other qualified practitioner in accordance with applicable State health and safety laws, standards of practice, and ASC policy.

(b) Standard: Post-surgical assessment. (1) The patient’s post-surgical condition must be assessed and documented in the medical record by a physician, other qualified practitioner, or a registered nurse with, at a minimum, post-operative care experience in accordance with applicable State health and safety laws, standards of practice, and ASC policy.
