§ 440.150 Intermediate care facility (ICF/IIDICF/IID) services.

(a) “ICF/IIDICF/IID services” means those items and services furnished in an intermediate care facility for Individuals with Intellectual Disabilities if the following conditions are met:

(1) The facility fully meets the requirements for a State license to provide services that are above the level of room and board;

(2) The primary purpose of the ICF/IIDICF/IID is to furnish health or rehabilitative services to persons with Intellectual Disability or persons with related conditions;

(3) The ICF/IID meets the standards specified in subpart I of part 483 of this chapter.

(4) The beneficiary with Intellectual Disability for whom payment is requested is receiving active treatment, as specified in § 483.440 of this chapter.

(5) The ICF/IID has been certified to meet the requirements of subpart C of

part 442 of this chapter, as evidenced by a valid agreement between the Medicaid agency and the facility for furnishing ICF/IID services and making payments for these services under the plan.

(b) ICF/IID services may be furnished in a distinct part of a facility other than an ICF/IID if the distinct part—

(1) Meets all requirements for an ICF/IID, as specified in subpart I of part 483 of this chapter;

(2) Is clearly an identifiable living unit, such as an entire ward, wing, floor or building;

(3) Consists of all beds and related services in the unit;

(4) Houses all beneficiaries for whom payment is being made for ICF/IID services; and

(5) Is approved in writing by the survey agency.

§ 440.155 Nursing facility services, other than in institutions for mental diseases.

(a) “Nursing facility services, other than in an institution for mental diseases” means services provided in a facility that—

(1) Fully meets the requirements for a State license to provide, on a regular basis, health-related services to individuals who do not require hospital care, but whose mental or physical condition requires services that—

(i) Are above the level of room and board; and

(ii) Can be made available only through institutional facilities;

(2) Has been certified to meet the requirements of subpart C of part 442 of this chapter as evidenced by a valid agreement between the Medicaid agency and the facility for providing nursing facility services and making payments for services under the plan; and

(b) “Nursing facility services” include services—

(1) Considered appropriate by the State and provided by a religious non-medical institution as defined in § 440.170(b); or

(2) Provided by a facility located on an Indian reservation that—

(i) Furnishes, on a regular basis, health-related services; and

(ii) Is certified by the Secretary to meet the standards in subpart E of part 442 of this chapter.

(c) “Nursing facility services” may include services provided in a distinct part (as defined in § 483.5(b) of this chapter) of a facility other than a nursing facility if the distinct part (as defined in § 483.5(b) of this chapter)—

(1) Meets all requirements for a nursing facility;

(2) Is an identifiable unit, such as an entire ward or contiguous ward, a wing, floor, or building;

(3) Consists of all beds and related facilities in the unit;

(4) Houses all beneficiaries for whom payment is being made for nursing facility services, except as provided in paragraph (d) of this section;

(5) Is clearly identified; and

(6) Is approved in writing by the survey agency.

(d) If a State includes as nursing facility services those services provided by a distinct part of a facility other than a nursing facility, it may not require transfer of a beneficiary within or between facilities if, in the opinion of the attending physician, it might be harmful to the physical or mental health of the beneficiary.

(e) Nursing facility services may include services provided in a swing-bed hospital that has an approval to furnish nursing facility services.
