Centers for Medicare & Medicaid Services, HHS

§ 440.169 Case management services.

(a) Case management services means services furnished to assist individuals, eligible under the State plan who reside in a community setting or are transitioning to a community setting, in gaining access to needed medical, social, educational, and other services, in accordance with § 441.19 of this chapter.

(1) Authorized for the individual by a physician in accordance with a plan of treatment or (at the option of the State) otherwise authorized for the individual in accordance with a service plan approved by the State;

(2) Provided by an individual who is qualified to provide such services and who is not a member of the individual’s family; and

(3) Furnished in a home, and at the State’s option, in another location.

(b) For purposes of this section, family member means a legally responsible relative.
