Centers for Medicare & Medicaid Services, HHS

§ 456.610 Basis for determinations.

In making the determinations on adequacy of services and related matters under §456.609 for each beneficiary, the team may consider such items as whether—

(a) The medical evaluation, any required social and psychological evaluations, and the plan of care are complete and current; the plan of care and, where required, the plan of rehabilitative care are followed; and all ordered services, including dietary orders, are provided and properly recorded;

(b) The attending physician reviews prescribed medications—

(1) At least every 30 days in psychiatric facilities, and mental hospitals; and

(2) At least quarterly in ICFs;

(c) Tests or observations of each beneficiary indicated by his medication regimen are made at appropriate times and properly recorded;

(d) Physician, nurse, and other professional progress notes are made as required and appear to be consistent with the observed condition of the beneficiary;

(e) The beneficiary receives adequate services, based on such observations as—

(1) Cleanliness;

(2) Absence of bedsores;

(3) Absence of signs of malnutrition or dehydration; and

(4) Apparent maintenance of maximum physical, mental, and psychosocial functioning;

(2) Promote his maximum physical, mental, and psychosocial functioning.

(b) It is necessary and desirable for the beneficiary to remain in the facility;

(c) It is feasible to meet the beneficiary’s health needs and, in an ICF, the beneficiary’s rehabilitative needs, through alternative institutional or noninstitutional services; and

(d) Each beneficiary under age 21 in a psychiatric facility and each beneficiary in an institution for Individuals with Intellectual Disabilities or persons with related conditions is receiving active treatment as defined in §441.154 of this subchapter.

§ 456.609 Determinations by team.

The team must determine in its inspection whether—

(a) The services available in the facility are adequate to—

(1) Meet the health needs of each beneficiary, and the rehabilitative and social needs of each beneficiary in an ICF; and

(2) Promote his maximum physical, mental, and psychosocial functioning.

(b) It is necessary and desirable for the beneficiary to remain in the facility;

(c) It is feasible to meet the beneficiary’s health needs and, in an ICF, the beneficiary’s rehabilitative needs, through alternative institutional or noninstitutional services; and

(d) Each beneficiary under age 21 in a psychiatric facility and each beneficiary in an institution for Individuals with Intellectual Disabilities or persons with related conditions is receiving active treatment as defined in §441.154 of this subchapter.

§ 456.608 Personal contact with and observation of beneficiaries and review of records.

(a) For beneficiaries under age 21 in psychiatric facilities and beneficiaries in ICFs, other than those described in paragraph (b) of this section, the team’s inspection must include—

(1) Personal contact with and observation of each beneficiary; and

(2) Review of each beneficiary’s medical record.

(b) For beneficiaries age 65 or older in IMDs, the team’s inspection must include—

(1) Review of each beneficiary’s medical record; and

(2) If the record does not contain complete reports of periodic assessments required by §441.102 of this subchapter or, if such reports are inadequate, personal contact with and observation of each beneficiary.

§ 456.607 Notification before inspection.

No facility may be notified of the time of inspection more than 48 hours before the scheduled arrival of the team.

§ 456.606 Frequency of inspections.

The team and the agency must determine, based on the quality of care and services being provided in a facility and the condition of beneficiaries in the facility, at what intervals inspections will be made. However, the team must inspect the care and services provided to each beneficiary in the facility at least annually.

onsite inspections can be made at appropriate intervals in each facility caring for beneficiaries.

§ 456.610 Basis for determinations.

In making the determinations on adequacy of services and related matters under §456.609 for each beneficiary, the team may consider such items as whether—

(a) The medical evaluation, any required social and psychological evaluations, and the plan of care are complete and current; the plan of care and, where required, the plan of rehabilitative care are followed; and all ordered services, including dietary orders, are provided and properly recorded;

(b) The attending physician reviews prescribed medications—

(1) At least every 30 days in psychiatric facilities, and mental hospitals; and

(2) At least quarterly in ICFs;

(c) Tests or observations of each beneficiary indicated by his medication regimen are made at appropriate times and properly recorded;

(d) Physician, nurse, and other professional progress notes are made as required and appear to be consistent with the observed condition of the beneficiary;

(e) The beneficiary receives adequate services, based on such observations as—

(1) Cleanliness;

(2) Absence of bedsores;

(3) Absence of signs of malnutrition or dehydration; and

(4) Apparent maintenance of maximum physical, mental, and psychosocial function;
