§ 3501.16

Valuable deposit of the leasable mineral for which BLM issued the permit. There are other requirements. The requirements for mine plans are in subpart 3592 of part 3590 of this chapter. See subpart 3507 of this part.

(d) “Competitive leases” are issued by competitive bidding for known deposits of a leasable mineral. See subpart 3508 of this part.

(e) “Fringe acreage leases” are issued noncompetitively for known deposits of leasable minerals on Federal lands adjacent to existing deposits, when the Federal deposits can be mined only as part of an adjacent operation. See subpart 3510 of this part.

(f) “Lease modifications” add adjacent acreage to a Federal lease. The acreage to be added:

(1) Contains known deposits of the same mineral that can be mined only as part of the mining operation on the original Federal lease; or

(2) Has the following characteristics—

(i) Does not contain known deposits of the same mineral;

(ii) Will be used for surface activities that are necessary in furtherance of recovery of the mineral deposit on the original Federal lease; and

(iii) Had the acreage been included in the original Federal lease at the time of the Federal lease’s issuance, the original Federal lease would have been reasonably compact.

(g) “Use permits” are available to holders of phosphate and sodium leases so that they may use the surface of unappropriated and unentered public lands for the proper extraction, treatment, or removal of the phosphate or sodium deposits. See subpart 3516 of this part.

§ 3501.17

Are there any general planning or environmental considerations that affect issuance of my permit or lease?

(a) BLM will not issue you a permit or lease unless it conforms with the decisions, terms and conditions of an applicable comprehensive land use plan.

(b) BLM or the surface management agency will comply with any applicable environmental requirements before issuing you a permit or lease. This may result in conditions on your permit or lease.

(c) BLM will issue permits and leases consistent with any unsuitability designation under part 1600 of this title.

§ 3501.20

If BLM approves my application for a use authorization under this part, when does it become effective?

Your lease, permit, or other use authorization is effective the first day of the month after BLM signs it, unless you request in writing and BLM agrees to make it effective the first day of the month in which it is approved. This applies to all leases, licenses, permits, transfers and assignments in this part, unless a specific regulation provides otherwise.

§ 3501.30

May I appeal BLM’s decisions under this part?

Any party adversely affected by a BLM decision under this part may appeal the decision under parts 4 and 1840 of this title.
