Bureau of Land Management, Interior

§ 5420.0–6 Policy.

All timber or other vegetative resources to be sold shall be appraised and in no case shall be sold at less than the appraised value. Measurement shall be by tree cruise, log scale, weight, or such other form of measurement as may be determined to be in the public interest.

§ 5422.1 Cruise sales.

As the general practice, the Bureau will sell timber on a tree cruise basis.

§ 5424.0–6 Policy.

(a) All timber sales shall be made on contract or permit forms approved by the Director, BLM.

(b) Other than for incidental use, the severance and/or removal of any vegetative resource for personal or commercial use requires a written contract or permit issued by the authorized officer or other person authorized by the United States. All contracts or permits shall contain the following:

(1) The name of the purchaser or his/her authorized representative with complete mailing address.

(2) The specific vegetative resources authorized for removal and their respective quantities and values.
