After payment of the claim by the Government, the claimant will, upon receipt of any payment from a carrier or insurer, pay the proceeds to the United States to the extent of the payment received by the claimant from the United States.

(f) When a claimant recovers for the loss from the carrier or insurer before the claim against the Government under this subpart is settled, the amount or recovery shall be applied to the claim as follows:

(1) When the amount recovered from a carrier, insurer, or other third party is greater than or equal to the claimant’s total loss as determined under this subpart, no compensation is allowable under this subpart.

(2) When the amount recovered is less than such total loss, the allowable amount is determined by deducting the recovery from the amount of such total loss.

(3) For the purpose of this paragraph (f) the claimant’s total loss is to be determined without regard to the $25,000 maximum set forth above. However, if the resulting amount, after making this deduction, exceeds $25,000, the claimant will be allowed only $25,000.
