

§ 206.41 Appointment of disaster officials.

(a) Federal Coordinating Officer. Upon a declaration of a major disaster or of an emergency by the President, the Administrator or Deputy Administrator shall appoint an FCO who shall initiate action immediately to assure that Federal assistance is provided in accordance with the declaration, applicable laws, regulations, and the FEMA-State Agreement.

(b) Disaster Recovery Manager. The Regional Administrator shall designate a DRM to exercise all the authority of the Regional Administrator in a major disaster or an emergency.

(c) State Coordinating Officer. Upon a declaration of a major disaster or of an emergency, the Governor of the affected State shall designate an SCO who shall coordinate State and local disaster assistance efforts with those of the Federal Government.

(d) Governor’s Authorized Representative. In the FEMA-State Agreement, the Governor shall designate the GAR, who shall administer Federal disaster assistance programs on behalf of the State and local governments and other grant or loan recipients. The GAR is responsible for the State compliance with the FEMA-State Agreement.

§ 206.42 Responsibilities of coordinating officers.

(a) Following a declaration of a major disaster or an emergency, the FCO shall:

1. Make an initial appraisal of the types of assistance most urgently needed;

2. In coordination with the SCO, establish field offices and Disaster Application Centers as necessary to coordinate and monitor assistance programs, disseminate information, accept applications, and counsel individuals, families and businesses concerning available assistance;

3. Coordinate the administration of relief, including activities of State and local governments, activities of Federal agencies, and those of the American Red Cross, the Salvation Army, the Mennonite Disaster Service, and other voluntary relief organizations which agree to operate under the FCO’s advice and direction;

4. Undertake appropriate action to make certain that all of the Federal agencies are carrying out their appropriate disaster assistance roles under their own legislative authorities and operational policies; and

5. Take other action, consistent with the provisions of the Stafford Act, as necessary to assist citizens and public officials in promptly obtaining assistance to which they are entitled.

(b) The SCO coordinates State and local disaster assistance efforts with those of the Federal Government working closely with the FCO. The SCO is...
the principal point of contact regarding coordination of State and local disaster relief activities, and implementation of the State emergency plan. The functions, responsibilities, and authorities of the SCO are set forth in the State emergency plan. It is the responsibility of the SCO to ensure that all affected local jurisdictions are informed of the declaration, the types of assistance authorized, and the areas eligible to receive such assistance.

§ 206.43 Emergency support teams.

The Federal Coordinating Officer may activate emergency support teams, composed of Federal program and support personnel, to be deployed into an area affected by a major disaster or emergency. These emergency support teams assist the FCO in carrying out his/her responsibilities under the Stafford Act and these regulations. Any Federal agency can be directed to detail personnel within the agency’s administrative jurisdiction to temporary duty with the FCO. Each detail shall be without loss of seniority, pay, or other employee status.

§ 206.44 FEMA-State Agreements.

(a) General. Upon the declaration of a major disaster or an emergency, the Governor, acting for the State, and the FEMA Regional Administrator or his/her designee, acting for the Federal Government, shall execute a FEMA-State Agreement. The FEMA-State Agreement states the understandings, commitments, and conditions for assistance under which FEMA disaster assistance shall be provided. This Agreement imposes binding obligations on FEMA, States, their local governments, and private nonprofit organizations within the States in the form of conditions for assistance which are legally enforceable. No FEMA funding will be authorized or provided to any grantees or other recipients, nor will direct Federal assistance be authorized by mission assignment, until such time as this Agreement for the Presidential declaration has been signed, except where it is deemed necessary by the Regional Administrator to begin the process of providing essential emergency services or housing assistance under the Individuals and Households Program.

(b) Terms and conditions. This Agreement describes the incident and the incident period for which assistance will be made available, the type and extent of the Federal assistance to be made available, and contains the commitment of the State and local government(s) with respect to the amount of funds to be expended in alleviating damage and suffering caused by the major disaster or emergency. The Agreement also contains such other terms and conditions consistent with the declaration and the provisions of applicable laws, Executive Order and regulations.

(c) Provisions for modification. In the event that the conditions stipulated in the original Agreement are changed or modified, such changes will be reflected in properly executed amendments to the Agreement, which may be signed by the GAR and the Regional Administrator or his/her designee for the specified major disaster or emergency. Amendments most often occur to close or amend the incident period, to add forms of assistance not originally authorized, or to designate additional areas eligible for assistance.

(d) In a modified declaration for a Federal emergency, a FEMA-State Agreement may or may not be required based on the type of assistance being provided.

§ 206.45 Loans of non-Federal share.

(a) Conditions for making loans. At the request of the Governor, the Assistant Administrator for the Disaster Assistance Directorate together with the Chief Financial Officer may lend or advance to a State, either for its own use or for the use of public or private nonprofit applicants for disaster assistance under the Stafford Act, the portion of assistance for which the State or other eligible disaster assistance applicant is responsible under the cost-sharing provisions of the Stafford Act in any case in which:

(1) The State or other eligible disaster assistance applicant is unable to assume their financial responsibility under such cost sharing provisions:
