denying the existence of a material dispute may be appealed to the Director of the NSF Division of Grants and Contracts by an affected party within thirty days. A request under §650.14(b) to immediately convey title to the Foundation may be appealed to the DGC Director by the title holder within five days.

(b) All actions by a Grants and Agreements Officer or Contracting Officer refusing to eliminate restrictions on or limitation of the right of an awardee to retain title to subject inventions imposed under §650.5 of this regulation may be appealed to the Director of the NSF Division of Contracts, Policy, and Oversight (CPO) by an affected party within thirty days.

(c) A decision by the General Counsel to exercise a march-in right or to request conveyance of title may be appealed by the patent holder or any affected licensee to the NSF Deputy Director within thirty days. When a march-in was initiated in response to a petition, the General Counsel’s decision not to exercise a march-in right or to exercise it in a manner different from that requested in the petition may be appealed by the petitioner to the NSF Deputy Director within thirty days.

(d) In reviewing the actions of the NSF Patent Assistant, a Grants and Agreements Officer, a Contracting Officer, or the General Counsel, the CPO Director or NSF Deputy Director will consider both the factual and legal basis for the action or determination and its consistency with the policies and objectives of the Foundation and, if applicable, the Bayh-Dole Act (35 U.S.C. 200–212) and implementing regulations at part 401 of title 37 of the Code of Federal Regulations.

§ 650.19 Electronic invention handling.

(a) Grantees must use the iEdison Invention Information Management System maintained by the National Institutes of Health to disclose NSF subject inventions. Detailed instructions for use of that system are provided at http://s-edison.info.nih.gov/iEdison/ and should be followed for NSF subject inventions except that:

(1) All communications required must be provided electronically as a PDF or TIFF file through iEdison unless prior permission for another form of submission is obtained from the Patent Assistant.

(2) NSF does not require either an Annual Utilization Report or a Final Invention Statement and Certification.

(b) Questions on use of iEdison and requests for permission to submit material in other forms may be sent to the NSF Patent Assistant at...
