Authority for determinations of exempt telecommunications company status.

Authority is delegated to the Chief, Wireline Competition Bureau to act upon any application for a determination of exempt telecommunications company status filed pursuant to section 34(a)(1) of the Public Utility Holding Company Act of 1935, as amended...
§ 0.311 Authority delegated.

The Chief, Enforcement Bureau, is delegated authority to perform all functions of the Bureau, described in § 0.111, provided that:

(a) The following matters shall be referred to the Commission en banc for disposition:

(1) Notices of proposed rulemaking and of inquiry and final orders in such proceedings.

(2) Applications for review of actions taken pursuant to delegated authority.

(3) Matters that present novel questions of law, fact or policy that cannot be resolved under existing precedents and guidelines.

(4) Forfeiture notices and forfeiture orders if the amount is more than $100,000 in the case of common carriers or more than $25,000 in the case of all other persons or entities.

(5) Orders concluding an investigation under section 208(b) of the Communications Act and orders addressing petitions for reconsideration of such orders.

(6) Release of information pursuant to section 226(f) of the Communications Act, except for release of such information to a state public utility commission or in response to a Freedom of Information Act Request.

(b) Action on complaints regarding the Communications Act Safety Radiotelephony Certificate for a period of up to 90 days beyond the specified expiration date.

(c) To act on and make determinations on behalf of the Commission regarding requests for assignments and reassignments of priorities under the Telecommunications Service Priority System, part 64 of the rules, when circumstances require immediate action and the common carrier seeking to provide service states that it cannot contact the National Communications System or the Commission office normally responsible for such assignments. To the extent possible, all such actions and determinations shall be made in coordination with the Public Safety and Homeland Security Bureau.

(d) Require special equipment and program tests during inspections or investigations to determine compliance with technical requirements specified by the Commission.

(e) Require stations to operate with the pre-sunrise and nighttime facilities during daytime hours in order that an inspection or investigation may be made by an authorized Commission representative to determine operating parameters.

(f) Issue notices and orders to operators of industrial, scientific, and medical (ISM) equipment, as provided in § 18.115 of this chapter.

(g) Act on requests for permission to resume operation of ISM equipment on a temporary basis, as provided by § 18.115 of this chapter, and requests for extensions of time within which to file final reports, as provided by § 18.117 of this chapter.
