waiver of the significantly viewed exception is granted pursuant to §76.7 of this chapter; or

(3) If the zone of protection falls, in whole or in part, within that signal’s grade B contour or noise limited service contour.

(l) A satellite carrier is not required to delete the duplicating programming of any nationally distributed superstation from an individual subscriber who is located outside the zone of protection, notwithstanding that the subscriber lives within a zip code provided by the broadcaster pursuant to paragraph (d) of this section.

(m) A satellite carrier is not required to delete programming if it has fewer than 1,000 subscribers within the relevant protected zone who subscribe to the nationally distributed superstation carrying the programming for which deletion is requested pursuant to paragraph (d) of this section.

§ 76.125 Indemnification contracts.

No television broadcast station licensee shall enter into any contract to indemnify a satellite carrier for liability resulting from failure to delete programming in accordance with the provisions of this Subpart unless the licensee has a reasonable basis for concluding that such program deletion is not required by this Subpart.

§ 76.127 Satellite sports blackout.

(a) Upon the request of the holder of the broadcast rights to a sports event, or its agent, no satellite carrier shall retransmit to subscribers within the area comprising the specified zone a “nationally distributed superstation” or “network station” carrying the live television broadcast of a sports event if the event is not available live on a television broadcast station meeting the criteria specified in §76.128. For purposes of this section, if there is no television station licensed to the community in which the sports event is taking place, the applicable specified zone shall be that of the television station licensed to the community with which the sports event or team is identified, or, if the event or local team is not identified with any particular community, the nearest community to which a television station is licensed.

(b) Notification of the programming to be deleted pursuant to this Section
§ 76.128 Application of sports blackout rules.

The cable and satellite sports blackout rules (§§76.111 and 76.127) may apply when the sports event is not available live on any of the following television broadcast stations carried by a cable system or other MVPD:

(a) Television broadcast stations within whose specified zone the community of the community unit or the community within which the sporting event is taking place is located, in whole or in part;

(b) For communities in television markets other than major markets as defined in §76.51, television broadcast stations within whose Grade B contours the community of the community unit or the community within which the sporting event is taking place is located, in whole or in part;

(c) Television broadcast stations licensed to other designated communities which are generally considered to be part of the same television market (Example: Burlington, Vt.-Plattsburgh, N.Y. or Cincinnati, Ohio-Newport, Ky., television markets);

(d) Television broadcast stations that are significantly viewed, pursuant to §76.54, in the community unit or community within the specified zone.

§ 76.130 Substitutions.

Whenever, pursuant to the requirements of the network program non-duplication, syndicated program exclusivity, or sports blackout rules, a satellite carrier is required to delete a television program from retransmission to satellite subscribers within a zip code area, such satellite carrier may, consistent with this Subpart, substitute a program from any other television broadcast station for which the satellite carrier has obtained the necessary legal rights and permissions, including but not limited to copyright and retransmission consent. Programs carried at least 60 full days prior to the day the telecast is to be deleted.
