(b) In preparing specifications and purchase descriptions, and in the acquisition of supplies and services, agencies shall:

(1) Comply with the requirements of Title VI of the Clean Air Act, Section 706 of Division D, Title VII of Public Law 111–8, Executive Order 13423, Executive Order 13514, and 40 CFR 82.84(a)(2), (3), (4), and (5); and

(2) Substitute safe alternatives to ozone-depleting substances, as identified under 42 U.S.C. 7671k, to the maximum extent practicable, as provided in 40 CFR 82.84(a)(1), except in the case of Class I substances being used for specified essential uses, as identified under 40 CFR 82.4(r). EPA’s Significant New Alternatives Policy (SNAP) program (available at http://www.epa.gov/ozone/snap) has a list of safe alternatives to ozone-depleting substances.

23.804 Contract clauses.

Except for contracts that will be performed outside the United States and its outlying areas, insert the clause at:

(a) 52.223–11, Ozone-Depleting Substances, in solicitations and contracts for ozone-depleting substances or for supplies that may contain or be manufactured with ozone-depleting substances.

(b) 52.223–12, Refrigeration Equipment and Air Conditioners, in solicitations and contracts for refrigeration equipment and air conditioners.

23.900 Scope.

This subpart implements the environmental management systems requirements for contractors.

23.901 Authority.

23.902 Policy.

(a) Agencies shall implement environmental management systems (EMS) at all appropriate organizational levels. Where contractor activities affect an agency’s environmental management aspects, EMS requirements shall be included in contracts to ensure proper implementation and execution of EMS roles and responsibilities. 

(b) The contracting officer shall—

(1) Specify the EMS directives with which the contractor must comply; and

(2) Ensure contractor compliance to the same extent as the agency would be required to comply, if the agency operated the facilities or vehicles.

23.903 Contract clause.

The contracting officer shall insert the clause at 52.223–19, Compliance With Environmental Management Systems, in all solicitations and contracts for contractor operation of Government-owned or -leased facilities or vehicles, located in the United States. For facilities located outside the United States, the agency head may determine that use of the clause is in the best interest of the Government.
