32.1000 Scope of subpart.

This subpart provides policy and procedures for performance-based payments under noncommercial purchases pursuant to Subpart 32.1.

[72 FR 73220, Dec. 26, 2007]

32.1001 Policy.

(a) Performance-based payments are the preferred Government financing method when the contracting officer finds them practical, and the contractor agrees to their use.

(b) Performance-based payments are contract financing payments that are not payment for accepted items.

(c) Performance-based payments are fully recoverable, in the same manner as progress payments, in the event of default.

(d) Performance-based payments are contract financing payments and, therefore, are not subject to the interest-penalty provisions of prompt payment (see Subpart 32.9). These payments shall be made in accordance with agency policy.

(e) Performance-based payments shall not be used for—

(1) Payments under cost-reimbursement line items;
(2) Contracts for architect-engineer services or construction, or for shipbuilding or ship conversion, alteration, or repair, when the contracts provide for progress payments based upon a percentage or stage of completion; or
(3) Contracts awarded through sealed bid procedures.

32.1004 Procedures.

Financing payments to be made on a deliverable item basis are applicable to the entire contract, and not to specific deliverable items. Thus, a contract line item for 10 airplanes, with a unit price of $1,000,000 each, has 10 deliverable items—the separate planes. A
