Defense Acquisition Regulations System, DoD 211.274–5

(2) Items for which the Government’s unit acquisition cost is less than $5,000, when identified by the requiring activity as serially managed, mission essential, or controlled inventory;

(3) Items for which the Government’s unit acquisition cost is less than $5,000, when the requiring activity determines that permanent identification is required; and

(4) Regardless of value—

(i) Any DoD serially managed subassembly, component, or part embedded within a delivered item;

(ii) The parent item (as defined in 252.211–7003(a)) that contains the embedded subassembly, component, or part; and

(iii) Any warranted serialized item.

(b) Exceptions. The Contractor will not be required to provide DoD unique item identification if—

(1) The items, as determined by the head of the agency, are to be used to support a contingency operation or to facilitate defense against or recovery from nuclear, biological, chemical, or radiological attack; or

(2) A determination and findings has been executed concluding that it is more cost effective for the Government requiring activity to assign, mark, and register the unique item identification after delivery of an item acquired from a small business concern or a commercial item acquired under FAR part 12 or part 8.

(i) The determination and findings shall be executed by—

(A) The Component Acquisition Executive for an acquisition category (ACAT) I program; or

(B) The head of the contracting activity for all other programs.

(ii) The DoD Unique Identification Policy Office must receive a copy of the determination and findings required by paragraph (b)(2)(i) of this subsection. Follow the procedures at PGI 211.274–2.

211.274–4 Policy for reporting of Government-furnished property.

(a) It is DoD policy that all Government-furnished property be recorded in the DoD Item Unique Identification (IUID) Registry, as defined in the clause at 252.211–7007, Reporting of Government-Furnished Property.

(b) The following items are not required to be reported:

(1) Contractor-acquired property, as defined in FAR part 45.

(2) Property under any statutory leasing authority.

(3) Property to which the Government has acquired a lien or title solely because of partial, advance, progress, or performance-based payments.

(4) Intellectual property or software.

(5) Real property.

(6) Property released as work in process.

(7) Non-serial managed items (reporting is limited to receipt transactions only).
