(End of clause)

Alternate I (JUN 1995). As prescribed in 227.7203-6(a)(2), add the following paragraph (1) to the basic clause:

(1) Publication for sale. (1) This paragraph only applies to computer software or computer software documentation in which the Government has obtained unlimited rights or a license to make an unrestricted release of the software or documentation.

(2) The Government shall not publish a deliverable item or items of computer software or computer software documentation identified in this clause as being subject to paragraph (1) of this clause or authorize others to publish such software or documentation on its behalf if, prior to publication for sale by the Government and within twenty-four (24) months following the date specified in this contract for delivery of such software or documentation, or the removal of any national security or export control restrictions, whichever is later, the Contractor publishes that item or items for sale and promptly notifies the Contracting Officer of such publication(s). Any such publication shall include a notice identifying the number of this contract and the Government’s rights in the published software or documentation.

(3) This limitation on the Government’s rights to publish for sale shall continue as long as the software or documentation are reasonably available to the public for purchase.

252.227-7015 Technical data—Commercial items.

As prescribed in 227.7102-4(a)(1), use the following clause:

TECHNICAL DATA—COMMERCIAL ITEMS

(Dec 2011)

(a) Definitions. As used in this clause—

(1) Commercial item does not include commercial computer software.

(2) Covered Government support contractor means a contractor under a contract, the primary purpose of which is to furnish independent and impartial advice or technical assistance directly to the Government in support of the Government’s management and oversight of a program or effort (rather than to directly furnish an end item or service to accomplish a program or effort), provided that the contractor—

(i) Is not affiliated with the prime contractor or a first-tier subcontractor on the program or effort, or with any direct competitor of such prime contractor or any such first-tier subcontractor in furnishing end items or services of the type developed or produced on the program or effort; and

(ii) Receives access to technical data or computer software for performance of a Government contract that contains the clause at 252.227–7025, Limitations on the Use or Disclosure of Government-Furnished Information Marked with Restrictive Legends.

(b) Form, fit, and function data means technical data that describes the required overall physical, functional, and performance characteristics (along with the qualification requirements, if applicable) of an item, component, or process to the extent necessary to permit identification of physically and functionally interchangeable items.

(c) The term item includes components or processes.

(d) Technical data means recorded information, regardless of the form or method of recording, of a scientific or technical nature (including computer software documentation). The term does not include computer software or data incidental to contract administration, such as financial and/or management information.

(e) License. (1) The Government shall have the unrestricted right to use, modify, reproduce, release, perform, display, or disclose technical data, and to permit others to do so, that—

(i) Have been provided to the Government or others without restrictions on use, modification, reproduction, release, or further disclosure other than a release or disclosure resulting from the sale, transfer, or other assignment of interest in the technical data to another party or the sale or transfer of some or all of a business entity or its assets to another party;

(ii) Are form, fit, and function data;

(iii) Are a correction or change to technical data furnished to the Contractor by the Government;

(iv) Are necessary for operation, maintenance, installation, or training (other than detailed manufacturing or process data); or

(v) Have been provided to the Government under a prior contract or licensing agreement through which the Government has acquired the rights to use, modify, reproduce, release, perform, display, or disclose the data without restrictions.

(f) Except as provided in paragraph (b)(1) of this clause, the Government may use, modify, reproduce, release, perform, display, or disclose technical data within the Government only. The Government shall not—

(i) Use the technical data to manufacture additional quantities of the commercial items; or

(ii) Release, perform, display, disclose, or authorize use of the technical data outside the Government without the Contractor’s written permission unless a release, disclosure, or permitted use is necessary for emergency repair or overhaul of the commercial...
The Contractor shall recognize and protect the rights afforded its subcontractors and suppliers under 10 U.S.C. 2320 and 10 U.S.C. 2321. (2) Whenever any technical data related to commercial items developed in any part at private expense will be obtained from a subcontractor or supplier for delivery to the Government under this contract, the Contractor shall use this same clause in the subcontract or other contractual instrument, and require its subcontractors or suppliers to do so, without alteration, except to identify the parties. This clause will govern the technical data pertaining to any portion of a commercial item that was developed exclusively at private expense, and the clause at 252.227–7013 will govern the technical data pertaining to any portion of a commercial item that was developed in any part at Government expense.

(End of clause)

Alternate I (DEC 2011)

As prescribed in 227.7102–4(a)(2), add the following paragraphs (a)(6) and (b)(4) to the basic clause:

(a)(6) Vessel design means the design of a vessel, boat, or craft, and its components, including the hull, decks, superstructure, and the exterior surface shape of all external shipboard equipment and systems. The term includes designs covered by 10 U.S.C. 7317, and designs protectable under 17 U.S.C. 1301, et seq.

(b)(4) Vessel designs. For a vessel design (including a vessel design embodied in a useful article) that is developed or delivered under this contract, the Government shall have the right to make and have made any useful article that embodies the vessel design, to import the article, to sell the article, and to distribute the article for sale or to use the article in trade, to the same extent that the Government is granted rights in the technical data pertaining to the vessel design.

As prescribed in 227.7103–6(e)(1), 227.7104(e)(1), or 227.7203–6(b), use the following clause:
