into consideration the classification or sensitivity of the information, the need to protect sources and methods, or status of ongoing law enforcement and intelligence community investigations or operations.

(f) Reconsideration. (1) Within 7 calendar days after the date of the vetting official's notification, the contractor or prospective subcontractor that has not passed vetting may request in writing to the vetting official that the Agency reconsider the vetting determination. The request should include any written explanation, legal documentation and any other relevant written material for reconsideration.

(2) Within 7 calendar days after the vetting official receives the request for reconsideration, the Agency will determine whether the contractor's additional information warrants a revised decision.

(3) The Agency's determination of whether reconsideration is warranted is final.

(g) A notification that the Contractor has passed vetting does not constitute any other approval under this contract.

(h) When the contractor anticipates awarding a subcontract for which consent is required under FAR clause 52.244–2, subcontracting, the subcontract is subject to vetting. The prospective subcontractor must submit a USAID Partner Information Form, USAID Form 500–13, to the vetting official identified in paragraph (d) of this clause. The contracting officer must not consent to award of a subcontract to any organization that has not passed vetting when required.

(i) The contractor agrees to incorporate the substance of paragraphs (a) through (g) of this clause in all subcontracts under this contract.

(End of clause)

Alternate I (FEB 2012). As prescribed in 704.7005(b)(2), substitute paragraphs (h) and (i) below for paragraphs (h) and (i) of the basic clause:

(h) When the contractor anticipates awarding a subcontract for which consent is required under FAR clause 52.244–2, subcontracting, the subcontract is subject to vetting. The prospective subcontractor must submit a USAID Partner Information Form, USAID Form 500–13, to the vetting official identified in paragraph (d) of this clause. The contracting officer must not consent to award of a subcontract to any organization that has not passed vetting when required.

(i) The contractor agrees to incorporate the substance of paragraphs (a) through (g) of this clause in all subcontracts under this contract until they receive confirmation from the vetting official that the prospective subcontractor has passed vetting.

(End of clause)

Organizational conflicts of interest discovered after award.

As prescribed in 709.507–2, include the following clause in any solicitation containing a provision in accordance with (48 CFR) FAR 9.507–1, or a clause in accordance with (48 CFR) FAR 9.507–2, establishing a restraint on the contractor's eligibility for future contracts.

ORGANIZATIONAL CONFLICTS OF INTEREST
DISCOVERED AFTER AWARD (JUN 1993)

(a) The Contractor agrees that, if after award it discovers either an actual or potential organizational conflict of interest with respect to this contract, it shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action(s) which the Contractor has taken or proposes to take to avoid, eliminate or neutralize the conflict.

(b) The Contracting Officer shall provide the contractor with written instructions concerning the conflict. USAID reserves the right to terminate the contract if such action is determined to be in the best interest of the Government.

(End of clause)

Language and measurement.

The following clause shall be used in all USAID-direct contracts.

LANGUAGE AND MEASUREMENT (JUN 1992)

(a) The English language shall be used in all written communications between the parties under this contract with respect to services to be rendered and with respect to all documents prepared by the contractor except as otherwise provided in the contract or as authorized by the contracting officer.

(b) Wherever measurements are required or authorized, they shall be made, computed, and recorded in metric system units of measurement, unless otherwise authorized by USAID in writing when it has found that such usage is impractical or is likely to cause U.S. firms to experience significant inefficiencies or the loss of markets.
