For use in all USAID non-commercial contracts exceeding the simplified acquisition threshold and involving performance overseas.

USE OF POUCH FACILITIES (JUL 1997)

(a) Use of diplomatic pouch is controlled by the Department of State. The Department of State has authorized the use of pouch facilities for USAID contractors and their employees as a general policy, as detailed in paragraphs (a)(1) through (a)(7) of this clause; however, the final decision regarding use of pouch facilities rests with the Embassy or USAID Mission. In consideration of the use of pouch facilities as hereinafter stated, the Contractor and its employees agree to indemnify and hold harmless the Department of State and USAID against loss or damage occurring in pouch transmission.

(1) Contractors and their employees are authorized use of the pouch for transmission and receipt of up to a maximum of 2 pounds per shipment of correspondence and documents needed in the administration of foreign assistance programs.

(2) U.S. citizen employees of U.S. contractors are authorized use of the pouch for personal mail up to a maximum of one pound per shipment (but see paragraph (a)(3) of this clause).

(3) Merchandise, parcels, magazines, or newspapers are not considered to be personal mail for purposes of this clause, and are not authorized to be sent or received by pouch.

(4) Official mail as authorized by paragraph (a)(1) of this clause should be addressed as follows: Individual or Organization name, followed by the symbol “C”, city Name of Post, U.S. Agency for International Development, Washington, DC 20523-0001.

(5) Personal mail pursuant to paragraph (a)(2) of this clause should be sent to the address specified in paragraph (a)(4) of this clause, but without the name of the organization.

(6) Mail sent via the diplomatic pouch may not be in violation of U.S. Postal laws and may not contain material ineligible for pouch transmission.

(7) USAID contractor personnel are not authorized use of military postal facilities (APO/FPO). This is an Adjutant General’s decision based on existing laws and regulations governing military postal facilities and is being enforced worldwide. Posts having access to APO/FPO facilities and using such for diplomatic pouch dispatch, may, however, accept official mail from Contractors and letter mail from their employees for the pouch, provided of course, adequate postage is affixed.

(b) The Contractor shall be responsible for advising its employees of this authorization and these guidelines and limitations on use of pouch facilities.

(c) Specific additional guidance on use of pouch facilities in accordance with this clause is available from the Post Communication Center at the Embassy or USAID Mission.

Sponsored trainees enrolled in third-country or in-country training events are not eligible for USAID’s HAC program, but the Contractor may obtain alternative local medical and accident insurance at contract expense, provided the cost is consistent with the cost principles in FAR 31.2.

USAID has developed an Agency-wide database training management system, the Training Results and Information Network ("TraiNet"), which is the preferred system for managing USAID’s participant training program, including enrollment in the HAC program. However, until such time as the USAID sponsoring unit (as defined in ADS 253) has given the Contractor access to USAID’s “TraiNet” software for trainee tracking and HAC enrollment, the Contractor must fill out and mail the Participant Data Form (PDF) (Form USAID 1381–4) to USAID. The Contractor can obtain information regarding each HAC program contractor, including contact information, and a supply of the PDF forms and instructions for completing and submitting them, by contacting the data base contractor serving the Global Center for Human Capacity Development (G/HCD).

(c) The Contractor must ensure that HAC enrollment begins immediately upon the participant’s departure for the United States for the purpose of participating in a training

(c) The contractor shall be reimbursed for the reasonable and allocable costs incurred in providing training to participants in the United States or other approved location provided such costs do not exceed the limitations in, or have been waived in accordance with, ADS 253.5.5.
