### **6101.2 Filing cases; time limits for filing; notice of docketing; consolidation [Rule 2].**

(a) *Filing cases.* Filing of a case occurs as provided in 6101.1(b)(5) (Rule 1(b)(5)).

(1) *Notice of appeal.* (i) A notice of appeal shall be in writing and shall be signed by the appellant or by the appellant's attorney or authorized representative. If the appeal is from a contracting officer's decision, the notice of appeal should describe the decision in enough detail to enable the Board to differentiate that decision from any other; the appellant can satisfy this requirement by attaching to the notice of appeal a copy of the contracting officer's decision. If an appeal is taken from the failure of a contracting officer to issue a decision, the notice of appeal should describe in detail the claim that the contracting officer has failed to decide; the appellant can satisfy this requirement by attaching a copy of the written claim submission to the notice of appeal.

(ii) A written notice in any form, including the one specified in the Appendix to the rules in this chapter, is sufficient to initiate an appeal. The notice of appeal should include the following information:

(A) The number and date of the contract;

(B) The name of the government agency and the component thereof against which the claim has been asserted;

(C) The name, address, telephone number, facsimile machine number, and e-mail address, if available, of the contracting officer whose decision is appealed and the date of the decision;

(D) If the appeal is from the failure of the contracting officer to decide a claim, the name, address, telephone number, facsimile machine number, and e-mail address, if available, of the

contracting officer who received the claim;

(E) A brief account of the circumstances giving rise to the appeal; and

(F) An estimate of the amount of money in controversy, if any and if known.

(iii) The appellant must send a copy of the notice of appeal to the contracting officer whose decision is appealed or, if there has been no decision, to the contracting officer before whom the appellant's claim is pending.

(2) *Petition.* (i) A petition shall be in writing and signed by the petitioner or by the petitioner's attorney or authorized representative. The petition should describe in detail the claim that the contracting officer has failed to decide; the contractor can satisfy this requirement by attaching to the petition a copy of the written claim submission.

(ii) The petition should include the following information:

(A) The number and date of the contract;

(B) The name of the government agency and the component thereof against which the claim has been asserted; and

(C) The name, address, telephone number, facsimile machine number, and e-mail address, if available, of the contracting officer whose decision is sought.

(3) *Application.* An application for fees and other expenses shall meet all requirements specified in 6101.30 (Rule 30).

(b) *Time limits for filing—(1) Appeals.*

(i) An appeal from a decision of a contracting officer shall be filed no later than 90 calendar days after the date the appellant receives that decision.

(ii) An appeal may be filed with the Board if the contracting officer fails or refuses to issue a timely decision on a claim submitted in writing, properly certified if required.

(2) *Applications.* An application for fees and other expenses shall be filed within 30 calendar days of a final disposition in the underlying appeal, as provided in 6101.30 (Rule 30).

(c) *Notice of docketing.* Notices of appeal, petitions, and applications will be docketed by the Office of the Clerk of the Board, and a written notice of

docketing will be sent promptly to all parties.

(d) *Consolidation.* When cases involving common questions of law or fact are filed, the Board may:

- (1) Order the cases consolidated; or
- (2) Make such other orders concerning the proceedings as are needed to avoid unnecessary costs or delay.

### 6101.3 Time; enlargement; computation [Rule 3].

(a) *Time for performing required actions.* All time limitations prescribed in the rules of this chapter or in any order or direction given by the Board are maximums, and the action required should be accomplished in less time whenever possible.

(b) *Enlarging time.* Upon request of a party for good cause shown, the Board may enlarge any time prescribed by the rules in this chapter or by an order or direction of the Board except the time limit for filing appeals (6101.2(b)(1) (Rule 2(b)(1))). A written request is required, but in exigent circumstances an oral request may be made and followed by a written request. An enlargement of time may be granted even though the request was filed after the time for taking the required action expired, but the party requesting the enlargement must show good cause for its inability to make the request before that time expired.

(c) *Computing time.* Except as otherwise required by law, in computing a period of time prescribed by the rules in this chapter or by order of the Board, the day from which the designated period of time begins to run shall not be counted, but the last day of the period shall be counted unless that day is a Saturday, a Sunday, or a federal holiday, or a day on which the Office of the Clerk of the Board is required to close earlier than 4:30 p.m., or does not open at all, as in the case of inclement weather, in which event the period shall include the next working day. Except as otherwise provided in this paragraph, when the period of time prescribed or allowed is less than 11 days, any intervening Saturday, Sunday, or federal holiday shall not be counted. When the period of time pre-

scribed or allowed is 11 days or more, intervening Saturdays, Sundays, and federal holidays shall be counted. Time for filing any document or copy thereof with the Board expires when the Office of the Clerk of the Board closes on the last day on which such filing may be made.

### 6101.4 Appeal file [Rule 4].

(a) *Submission to the Board by the respondent.* Within 30 calendar days from receipt of the Board's docketing notice or within such time as the Board may allow, the respondent shall file with the Board appeal file exhibits consisting of all documents and other tangible things relevant to the claim and to the contracting officer's decision which has been appealed. Exhibits will be numbered as required by 6101.4(b) [Rule 4(b)] and will include, if any:

- (1) The contracting officer's decision from which the appeal is taken;
- (2) The contract, including amendments, specifications, plans, and drawings;
- (3) All correspondence between the parties that is relevant to the appeal, including the written claim or claims that are the subject of the appeal, and evidence of their certification;
- (4) Affidavits or statements of any witnesses concerning the matter in dispute and transcripts of any testimony taken before the filing of the notice of appeal;
- (5) All documents and other tangible things on which the contracting officer relied in making the decision, and any related correspondence;
- (6) The abstract of bids, if relevant; and
- (7) Any additional existing evidence or information necessary to determine the merits of the appeal, such as internal memoranda and notes to the file.

(b) *Organization of the appeal file.* Appeal file exhibits may be originals or true, legible, and complete copies. They shall be arranged in chronological order, earliest documents first; bound in a loose-leaf binder on the left margin except where size or shape makes such binding impracticable; numbered; tabbed; and indexed. The loose-leaf binders cannot exceed four inches in depth. The numbering shall
