

Counsel of the Department of Transportation has reviewed this document and approved it as consistent with the language and intent of 49 CFR parts 27, 37, 38, and/or 39, as applicable.’’

[76 FR 57935, Sept. 19, 2011]

§§ 37.16–37.19 [Reserved]

**Subpart B—Applicability**

**§ 37.21 Applicability: General.**

(a) This part applies to the following entities, whether or not they receive Federal financial assistance from the Department of Transportation:

(1) Any public entity that provides designated public transportation or intercity or commuter rail transportation;

(2) Any private entity that provides specified public transportation; and

(3) Any private entity that is not primarily engaged in the business of transporting people but operates a demand responsive or fixed route system.

(b) For entities receiving Federal financial assistance from the Department of Transportation, compliance with applicable requirements of this part is a condition of compliance with section 504 of the Rehabilitation Act of 1973 and of receiving financial assistance.

(c) Entities to which this part applies also may be subject to ADA regulations of the Department of Justice (28 CFR parts 35 or 36, as applicable). The provisions of this part shall be interpreted in a manner that will make them consistent with applicable Department of Justice regulations. In any case of apparent inconsistency, the provisions of this part shall prevail.

**§ 37.23 Service under contract.**

(a) When a public entity enters into a contractual or other arrangement (including, but not limited to, a grant, subgrant, or cooperative agreement) or relationship with a private entity to operate fixed route or demand responsive service, the public entity shall ensure that the private entity meets the requirements of this part that would apply to the public entity if the public entity itself provided the service.

(b) A private entity which purchases or leases new, used, or remanufactured

vehicles, or remanufactures vehicles, for use, or in contemplation of use, in fixed route or demand responsive service under contract or other arrangement or relationship with a public entity, shall acquire accessible vehicles in all situations in which the public entity itself would be required to do so by this part.

(c) A public entity which enters into a contractual or other arrangement (including, but not limited to, a grant, subgrant, or cooperative agreement) or relationship with a private entity to provide fixed route service shall ensure that the percentage of accessible vehicles operated by the public entity in its overall fixed route or demand responsive fleet is not diminished as a result.

(d) A private entity that provides fixed route or demand responsive transportation service under contract or other arrangement (including, but not limited to, a grant, subgrant, or cooperative agreement) with another private entity shall be governed, for purposes of the transportation service involved, by the provisions of this part applicable to the other entity.

[56 FR 45621, Sept. 6, 1991, as amended at 76 FR 57935, Sept. 19, 2011]

**§ 37.25 University transportation systems.**

(a) Transportation services operated by private institutions of higher education are subject to the provisions of this part governing private entities not primarily engaged in the business of transporting people.

(b) Transportation systems operated by public institutions of higher education are subject to the provisions of this part governing public entities. If a public institution of higher education operates a fixed route system, the requirements of this part governing commuter bus service apply to that system.

**§ 37.27 Transportation for elementary and secondary education systems.**

(a) The requirements of this part do not apply to public school transportation.

(b) The requirements of this part do not apply to the transportation of school children to and from a private elementary or secondary school, and
