Office of the Secretary of Transportation

§ 95.15 Conflicts of interest statutes, orders, and regulations.

There is a body of statutes, orders, and regulations prescribed by the President, the Secretary, and other authorities, dealing with conflicts of interest and designed to prevent any conflict between the official duties and status of Government officers and employees and their private interest. Government officers and employees are required to comply with all applicable laws, orders, and regulations. Part 99 of this chapter sets forth a comprehensive list of the conflicts of interest statutes and guidelines for the employees of the Department to follow in the application of these statutes to part-time advisers and consultants to the Government. Any officer or employee appointed to serve on an advisory committee who has any doubt or question respecting a possible conflict of interest shall seek specific legal advice on his individual situation.
