§351.701 Assignment involving displacement.

(a) General. When a group I or II competitive service employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent, or higher, is released from a competitive level, an agency shall offer assignment, rather than furlough or separate, in accordance with paragraphs (b), (c), and (d) of this section to another competitive position which requires no reduction, or the lease possible reduction, in representative rate. The employee must be qualified for the offered position. The offered position shall be in the same competitive area, last at least 3 months, and have the same type of work schedule (e.g., full-time, part-time, intermittent, or seasonal) as the position from which the employee is released. Upon accepting an offer of assignment, or displacing another employee under this part, an employee retains the same status and tenure in the new position. The promotion potential of the offered position is not a consideration in determining an employee’s right of assignment.

(b) Lower subgroup—bumping. A released employee shall be assigned in accordance with paragraph (a) of this section and bump to a position that:

(1) Is held by another employee in a lower tenure group or in a lower subgroup within the same tenure group; and

(2) Is no more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released.

(c) Same subgroup-retreating. A released employee shall be assigned in accordance with paragraphs (a) and (d) of this section and retreat to a position that:

(1) Is held by another employee with lower retention standing in the same tenure group and subgroup; and

(2) Is no more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released, except that for a preference eligible employee with a compensable service-connected disability of 30 percent or more the limit is five grades (or appropriate grade intervals or equivalent). (The agency uses the grade progression of only the released employee’s position of record to determine the applicable grades (or appropriate grade intervals or equivalent) of the employee’s retreat right. The agency does not consider the grade progression of the position to which the employee has a retreat right.); and

(3) Is the same position, or an essentially identical position, formerly held by the released employee on a permanent basis as a competing employee in a Federal agency (i.e., when held by the released employee in an executive, legislative, or judicial branch agency, the position would have been placed in tenure groups I, II, or III, or equivalent). In determining whether a position is essentially identical, the determination is based on the competitive level criteria found in §351.403, but not necessarily in regard to the respective grade, classification series, type of work schedule, or type of service, of the two positions.

(d) Limitation. An employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent may be assigned under paragraph (c) of this section only to a position held by another employee with a current annual performance rating of record no higher than minimally successful (Level 2) or equivalent.

(e) Pay rates. (1) The determination of equivalent grade intervals shall be based on a comparison of representative rates.

(2) Each employee’s assignment rights shall be determined on the basis of the pay rates in effect on the date of issuance of specific reduction-in-force
§ 351.702 Qualifications for assignment.

(a) Except as provided in §351.703, an employee is qualified for assignment under §351.701 if the employee:

(1) Meets the OPM standards and requirements for the position, including any minimum educational requirement, and any selective placement factors established by the agency;
