§ 531.604 Determining an employee’s locality rate.

(a) An annual locality rate consists of a scheduled annual rate of pay plus an applicable locality payment (representing an annual dollar amount), as determined under paragraph (b) of this section.

(b) An agency determines an employee’s locality rate by—

(1) Determining the employee’s official worksite consistent with the rules in §531.605;

(2) Determining the locality pay area in which the employee’s official worksite is located, consistent with the locality pay areas established in §531.603;

(3) Identifying the locality pay percentage in effect in the applicable locality pay area;

(4) Increasing the employee’s scheduled annual rate of pay by the applicable locality pay percentage and rounding the result to the nearest whole dollar (counting 50 cents and over as the next higher dollar); and

(5) Applying any applicable limitation as described in §531.606.

(c) A locality rate may be expressed as an hourly, daily, weekly, or biweekly rate, as provided in §531.607.

[70 FR 31303, May 31, 2005]

§ 531.605 Determining an employee’s official worksite.

(a) (1) Except as otherwise provided in this section, the official worksite is the location of an employee’s position of record where the employee regularly performs his or her duties.

(2) If the employee’s work involves recurring travel or the employee’s work location varies on a recurring basis, the official worksite is the location where the work activities of the employee’s position of record are based, as determined by the employing agency, subject to the requirement that the official worksite must be in a locality pay area in which the employee regularly performs work.

(3) An agency must document an employee’s official worksite on an employee’s Notification of Personnel Action (Standard Form 50 or equivalent).

(b) For an employee who is relocated and authorized to receive relocation expenses under 5 U.S.C. chapter 57, subchapter II (or similar authority), the official worksite is the established worksite for the position in the area to which the employee has been relocated. For an employee authorized to receive relocation expenses under 5 U.S.C. 5737 in connection with an extended assignment resulting in a temporary change of station, the worksite associated with the extended assignment is the official worksite. (See 41 CFR 302–1.1.)

(c) For an employee whose assignment to a new worksite is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty at the new location, the official worksite in effect immediately before the assignment remains the official worksite through the date of separation.

(d) For an employee covered by a telework agreement, the following rules apply:

(1) If the employee is scheduled to work at least twice each biweekly pay period on a regular and recurring basis at the regular worksite for the employee’s position of record, the regular worksite (where the employee’s work activities are based) is the employee’s official worksite. However, in the case of such an employee whose work location varies on a recurring basis, the employee need not work at least twice each biweekly pay period at the regular official worksite (where the employee’s work activities are based) as long as the employee is regularly performing work within the locality pay area for that worksite.

(2) An authorized agency official may make an exception to the twice-in-a-pay-period standard in paragraph (d)(1) of this section in appropriate situations of a temporary nature, such as the following:

(i) An employee is recovering from an injury or medical condition;

(ii) An employee is affected by an emergency situation, which temporarily prevents the employee from commuting to his or her regular official worksite;

(iii) An employee has an extended approved absence from work (e.g., paid leave);

(iv) An employee is in temporary duty travel status away from the official worksite; or
§§ 531.606 Maximum limits on locality rates.

(a) Except as provided by paragraph (b) of this section, a locality rate may not exceed the rate of basic pay payable for level IV of the Executive Schedule.

(b)(1) A locality rate for an employee in a category of positions described in 5 U.S.C. 5304(h)(1)(A) and 5304(h)(1)(B) may not exceed the rate for level III of the Executive Schedule.

(b)(2) A locality rate for an employee in a category of positions described in 5 U.S.C. 5304(h)(1)(C) may not exceed—

(i) The rate for level III of the Executive Schedule, when the maximum scheduled annual rate of pay (excluding any retained rate) for such positions is not more than the rate for level IV of the Executive Schedule.

(ii) The rate for level IV of the Executive Schedule, when the maximum scheduled annual rate of pay (excluding any retained rate) for such positions exceeds the maximum payable scheduled annual rate of pay for GS–15, but is not more than the rate for level IV of the Executive Schedule.

(c) Paragraph (b) of this section does not apply to experts and consultants appointed under 5 U.S.C. 3109 if the pay for those experts and consultants is limited to the highest rate payable under 5 U.S.C. 5332 (i.e., the unadjusted maximum GS–15 rate). Such experts and consultants are subject to the pay limitations established in 5 CFR 301.105.

(d) A portion of a locality payment that is not payable because of an applicable limitation is not considered in applying any other provision of law or regulation.

§§ 531.607 Computing hourly, daily, weekly, and biweekly locality rates.

(a) Apply the following methods to convert an annual locality rate to an hourly, daily, weekly, or biweekly rate:

(1) To derive an hourly rate, divide the annual locality rate by 2,087 and round to the nearest cent, counting one-half cent and over as the next higher cent.

Example:

\[
\text{Annual locality rate} = 50,000
\]

\[
\text{Computation of hourly rate: } \frac{50,000}{2,087} = 23.957 \text{ or } 23.96.
\]
