§ 843.410 Annuity for a child age 18 to 22 during full-time school attendance.

(a) General requirements for an annuity. (1) For a child age 18 to 22 to be eligible to receive an annuity as a full-time student, the child must also meet all other requirements applicable to qualify for an annuity by a child who has not attained age 18.

(2) In addition to the requirements of paragraph (a)(1) of this section, OPM must receive certification, in a form prescribed by OPM, that the child is regularly pursuing a full-time course of study in an accredited institution.

(b) Full-time course of study. (1) Generally, a full-time course of study is a noncorrespondence course which, if successfully completed, will lead to completion of the education within the period generally accepted as minimum for completion, by a full-time day student, of the academic or training program concerned.

(2) A certification by an accredited institution that the student’s workload is sufficient to constitute a full-time course of study for the program in which the student is enrolled is prima facie evidence that the student is pursuing a full-time course of study.

(c) Certification of school attendance. (1) OPM may periodically request the recipient of a child’s annuity payments to furnish certification of school attendance. The certification must be completed in the form prescribed by OPM.

(2) If OPM requests the recipient of a child’s annuity payments to provide a self-certification of school attendance, the recipient must complete and sign the certification form.

(3) If OPM requests the recipient of a child’s annuity payments to provide a certification by the school, the certification must be signed by an official who is either in charge of the school or in charge of the school’s records. OPM will not accept certification forms signed by instructors, counselors, aides, roommates, or others not in charge of the school or the records.
