which will not become effective until approval has been given by the Office of Management and Budget.

§ 300.206 Alternative procedures for IUU fishing activities.

(a) These certification procedures may be applied to fish or fish products from a vessel of a harvesting nation that has been identified under § 300.202 in the event that the Secretary cannot reach a certification determination for that nation by the time of the next biennial report. These procedures shall not apply to fish or fish products from identified nations that have received either a negative or a positive certification under this subpart.

(b) Consistent with paragraph (a) of this section, the Secretary of Commerce may allow entry of fish or fish products on a shipment-by-shipment, shipper-by-shipper, or other basis if the Secretary determines that:

(1) The vessel has not engaged in IUU fishing under an international fishery management agreement to which the U.S. is a party; or

(2) The vessel is not identified by an international fishery management organization as participating in IUU fishing activities.

(c) Fish or fish products offered for entry under this paragraph (c) must be accompanied by a completed documentation of admissibility available from NMFS. The documentation of admissibility must be executed by a duly authorized official of the identified nation and validated by a responsible official(s) designated by NMFS. The documentation must be executed and submitted in a format (electronic facsimile (fax), the Internet, etc.) specified by NMFS.

EFFECTIVE DATE NOTE: At 76 FR 2024, Jan. 12, 2011, §302.206 was added. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 300.207 Alternative procedures for bycatch of PLMRs.

(a) These certification procedures may be applied to fish or fish products from a vessel of a harvesting nation that has been identified under §300.203 in the event that the Secretary cannot reach a certification determination for that nation by the time of the next biennial report. These procedures shall not apply to fish or fish products from identified nations that have received either a negative or a positive certification under this subpart.

(b) Consistent with paragraph (a) of this section, the Secretary of Commerce may allow entry of fish or fish products on a shipment-by-shipment, shipper-by-shipper, or other basis if the Secretary determines that imports were harvested by practices that do not result in bycatch of a protected marine species, or were harvested by practices that—

(1) Are comparable to those of the United States, taking into account different conditions, and which, in the case of pelagic longline fisheries, the regulatory program of an identified nation includes mandatory use of circle hooks, careful handling and release equipment, and training and observer programs; and

(2) Include the gathering of species specific data that can be used to support international and regional assessments and conservation efforts for protected living marine resources.

(c) Fish or fish products offered for entry under this section must be accompanied by a completed documentation of admissibility available from NMFS. The documentation of admissibility must be executed by a duly authorized official of the identified nation and validated by a responsible official(s) designated by NMFS. The documentation must be executed and submitted in a format (electronic facsimile (fax), the Internet, etc.) specified by NMFS.
