§ 300.43 Observers.

(a) The operator and each member of the crew of a vessel shall allow and assist any person identified as an observer under the Treaty by the Pacific Island Parties:

(1) To board the vessel for scientific, compliance, monitoring and other functions at the point and time notified by the Pacific Island Parties to the Secretary.

(2) Without interfering unduly with the lawful operation of the vessel, to have full access to and use of facilities and equipment on board the vessel that the operator may determine are necessary to carry out observer duties; have full access to the bridge, fish on board, and areas that may be used to hold, process, weigh and store fish; remove samples; have full access to vessel’s records, including its log and documentation for the purpose of inspection and copying; have reasonable access to navigation equipment, charts, and radios, and gather any other information relating to fisheries in the Licensing Area.

(b) The operator shall provide the observer, while on board the vessel, at no expense to the Pacific Island Parties, with food, accommodation and medical facilities of reasonable standard as may be acceptable to the Pacific Island Party whose representative is serving as the observer.

§ 300.44 Other inspections.

The operator and each member of the crew of any vessel from which any fish taken in the Licensing Area is unloaded or transshipped shall allow, or arrange for, and assist any authorized inspector, authorized party officer, or authorized officer to have full access to any place where the fish is unloaded or transshipped, to remove samples, to have full access to the vessel’s records, including its log and documentation for the purpose of inspection and photocopying, and to gather any other information relating to fisheries in the Licensing Area without interfering unduly with the lawful operation of the vessel.

§ 300.45 Vessel Monitoring System.

(a) Applicability. Holders of vessel licenses issued under § 300.32 are required, in order to have the licensed vessel in the Treaty Area, to:

(1) Have installed a VMS unit on board the licensed vessel;

(2) Allow the Administrator, its agent, or a person authorized by the Administrator to program the VMS unit to transmit position and related information to the Administrator;

(3) If directed by the Regional Administrator, allow NMFS, its agent, or a person authorized by NMFS to program the VMS unit to transmit position and related information to NMFS; and

(4) Carry and have operational the VMS unit at all times while in the
