§ 80.81 What must an agency submit when applying for a comprehensive-management-system grant?

A State fish and wildlife agency must submit the following documents when applying for a comprehensive-management-system grant:

(a) The standard form for an application for Federal assistance in a mandatory grant program.

(b) The standard forms for assurances for nonconstruction programs and construction programs as applicable. Agencies may submit these standard forms for assurances annually to the Regional Director for use with all applications for Federal assistance in the programs and subprograms under the Acts.

(c) A statement of cost estimates by subaccount. Agencies may obtain the subaccount numbers from the Service’s Regional Division of Wildlife and Sport Fish Restoration.

(d) Supporting documentation explaining how the proposed work complies with the Acts, the provisions of this part, and other applicable laws and regulations.

(e) A statement of the agency’s intent to carry out and fund part or all of its comprehensive management system through a grant.

(f) A description of the agency’s comprehensive management system including inventory, strategic plan, operational plan, and evaluation. “Inventory” refers to the process or processes that an agency uses to:

(1) Determine actual, projected, and desired resource and asset status; and

(2) Identify management problems, issues, needs, and opportunities.

(g) A description of the State fish and wildlife agency program covered by the comprehensive management system.

(h) Contact information for the State fish and wildlife agency employee who is directly responsible for the integrity and operation of the comprehensive management system.

(i) A description of how the public can take part in decisionmaking for the comprehensive management system.

§ 80.82 What must an agency submit when applying for a project-by-project grant?

A State fish and wildlife agency must submit the following documents when applying for a project-by-project grant:

(a) The standard form for an application for Federal assistance in a mandatory grant program.

(b) The standard forms for assurances for nonconstruction programs and construction programs as applicable. Agencies may submit these standard forms for assurances annually to the Regional Director for use with all applications for Federal assistance in the programs and subprograms under the Acts.

(c) A project statement that describes each proposed project and provides the following information:

(1) Need. Explain why the project is necessary and how it fulfills the purposes of the relevant Act.

(2) Purpose and Objectives. State the purpose and objectives, and base them on the need. The purpose states the desired outcome of the proposed project in general or abstract terms. The objectives state the desired outcome of the proposed project in terms that are specific and quantified.

(3) Results or benefits expected.

(4) Approach. Describe the methods used to achieve the stated objectives.

(5) Useful life. Propose a useful life for each capital improvement, and reference the method used to determine the useful life of a capital improvement with a value greater than $100,000.

(6) Geographic location.

(7) Principal investigator for research projects. Record the principal investigator’s name, work address, and work telephone number.
(8) Program income.

(i) Estimate the amount of program income that the project is likely to generate.

(ii) Indicate the method or combination of methods (deduction, addition, or matching) of applying program income to Federal and non-Federal outlays.

(iii) Request the Regional Director’s approval for the matching method. Describe how the agency proposes to use the program income and the expected results. Describe the essential need for using program income as match.

(iv) Indicate whether the agency wants to treat program income that it earns after the grant period as license revenue or additional funding for purposes consistent with the grant or program.

(v) Indicate whether the agency wants to treat program income that the subgrantee earns as license revenue, additional funding for the purposes consistent with the grant or subprogram, or income subject only to the terms of the subgrant agreement.

(9) Budget narrative. Provide costs by project and subaccount with additional information sufficient to show that the project is cost effective. Agencies may obtain the subaccount numbers from the Service’s Regional Division of Wildlife and Sport Fish Restoration. Describe any item that requires the Service’s approval and estimate its cost. Examples are preaward costs and capital expenditures for land, buildings, and equipment. Include a schedule of payments to finish the project if an agency proposes to use funds from two or more annual apportionments.

(10) Multipurpose projects. Describe the method for allocating costs in multipurpose projects and facilities as described in §§80.63 and 80.64.

(11) Relationship with other grants. Describe any relationship between this project and other work funded by Federal grants that is planned, anticipated, or underway.

(12) Timeline. Describe significant milestones in completing the project and any accomplishments to date.

(13) General. Provide information in the project statement that:

(i) Shows that the proposed activities are eligible for funding and substantial in character and design; and

§ 80.83 What is the Federal share of allowable costs?

(a) The Regional Director must provide at least 10 percent and no more than 75 percent of the allowable costs of a grant-funded project to the fish and wildlife agencies of the 50 States. The Regional Director generally approves any Federal share from 10 to 75 percent as proposed by one of the 50 States if the:

(1) Funds are available; and

(2) Application is complete and consistent with laws, regulations, and policies.

(b) The Regional Director may provide funds to the District of Columbia to pay 75 to 100 percent of the allowable costs of a grant-funded project in a program or subprogram authorized by the Dingell-Johnson Sport Fish Restoration Act. The Regional Director decides on the specific Federal share between 75 and 100 percent based on what he or she decides is fair, just, and equitable. The Regional Director may reduce the Federal share to less than 75 percent of allowable project costs only if the District of Columbia voluntarily provides match to pay the remaining allowable costs. However, the Regional Director must not reduce the Federal share below 10 percent unless he or she follows the procedure at paragraph (d) of this section.

(c) The Regional Director may provide funds to pay 75 to 100 percent of the allowable costs of a project funded by a grant to a fish and wildlife agency of the Commonwealths of Puerto Rico and the Northern Mariana Islands and the territories of Guam, the U.S. Virgin Islands, and American Samoa. The Regional Director decides on the specific Federal share between 75 and 100 percent based on what he or she decides
