(74 FR 13317, Mar. 27, 2009)

§ 1291.7 Review of grant applications.
(a) Applications will be reviewed and approved or rejected as appropriate for conformance with the provisions in §1291.6 of this part. AMS may request the applicant provide additional information or clarification.
(b) Incomplete applications as of the deadline for submission will not be considered.

§ 1291.8 Grant agreements.
(a) After approval of a grant application, AMS will enter into a grant agreement with the State department of agriculture.
(b) AMS grant agreements will include at a minimum the following:
(1) The projects in the approved State plan.
(2) Total amount of Federal financial assistance that will be advanced.
(3) Beginning and end dates of the grant agreement period.
(4) Terms and conditions pursuant to which AMS will fund the project(s).

§ 1291.9 Unobligated funds.
(a) States who do not apply for or do not request all available funding during the specified grant application period will forfeit all or that portion of available funding not requested for that application year.
(b) Funds not obligated will be allocated, by a date as determined by the Secretary, pro rata to the remaining States who applied during the specified grant application period to be solely expended on projects previously approved in their State plan.

§ 1291.10 Reporting and oversight requirements.
(a) An annual performance report will be required of all State departments of agriculture within 90 days after the completion of the first year of the project(s), until the expiration date of the grant agreement. If the grant period is one year or less, then only a final performance report is required (See paragraph (b) of this section). The annual performance report shall include the following:
(1) Activities Performed. Briefly summarize activities performed, targets, and/or performance goals achieved during the reporting period to meet measurable outcomes for each project.
(2) Problems and Delays. Note unexpected delays or impediments for each project.
(3) Future Project Plans. Outline work to be performed during the next reporting period for each project.
(4) Funding Expended To Date. Comment on the level of grant funds expended to date for each project.
(b) A final performance report will be required of all State departments of agriculture within 90 days following the expiration date of the grant period. The final progress report shall include the following:
(1) Project Summary. An outline of the issue, problem, interest, or need for each project.
(2) Project Approach. How the issue or problem was approached via each project.
(3) Goals and Outcomes Achieved. How the performance goals and measurable outcomes were achieved for each project(s). If outcome measures were long term, summarize the progress that has been made towards achievement.
(4) Beneficiaries. Description and quantitative data for the number of people or operations that have benefited from the project’s accomplishments, and/or the potential economic impact of each project.
(5) Lessons Learned. Lessons learned, results, conclusions, for each project. If outcome measures were not achieved, identify and share the lessons learned to help expedite problem-solving.
(6) Contact Person. List the contact person for each project with telephone number and email address.
(7) Additional Information. Include other relevant project information available (e.g. publications, Web sites, photographs).
(c) A final SF-269A “Financial Status Report (Short Form)” or SF-269 “Financial Status Report (Long Form)” if the project(s) had program income, is required within 90 days following the expiration date of the grant period.
(d) AMS will monitor States, as it determines necessary, to assure that
