Southeast, or the Appalachian States Marketing Orders as reported by the Agricultural Marketing Service during the months of August, September, and October of 2004. Maximum payment rates for eligible losses for dairy operations located in specific states are as follows:

1. Florida—$17.62 per hundredweight ($0.1762 per pound).
2. Alabama, Georgia, Louisiana, and Mississippi—$16.26 per hundredweight ($0.1626 per pound).
3. North Carolina and South Carolina—$15.59 per hundredweight ($0.1559 per pound).

Subject to the availability of funds, each eligible dairy operation’s payment is calculated by multiplying the applicable payment rate under paragraph (a) of this section by the operation’s total eligible losses. Where there are multiple producers in the dairy operation, individual producers’ payments are disbursed according to each producer’s share of the dairy operation’s production as specified in the Application.

If the total value of losses claimed under paragraph (b) of this section exceeds the $10 million available for the 2004 Dairy Disaster Assistance Payment Program, less any reserve that may be created under paragraph (e) of this section, total eligible losses of individual dairy operations that, as calculated as an overall percentage for the full three month period, August–October 2004 (not a monthly average for any one month), are greater than 20 percent of the total base production for those three months will be paid at the maximum rate under paragraph (a) of this section to the extent available funding allows. A loss of over 20 percent in only one or two of the eligible months does not itself qualify for the maximum per-pound payment.

In no event shall the payment exceed the value determined by multiplying the producer’s total eligible loss times the average price received for commercial milk production in their area as defined in paragraph (a) of this section.

A reserve may be created to handle claims that extend beyond the conclusion of the application period, but claims shall not be payable once the available funding is expended.

The total available program funds shall be $10 million as provided by section 103 of Division B of Public Law 108–324.

Any producer who is dissatisfied with a determination made pursuant to this subpart may request reconsideration or appeal of such determination in accordance with the appeal regulations set forth at 7 CFR parts 11 and 780. Appeals of determinations of eligibility or payment amounts are subject to the limitations in §§1430.307 and 1430.308.

In addition to other penalties, sanctions or remedies as may apply, a dairy producer shall be ineligible to receive assistance under this program if the producer is determined by FSA or CCC to have:

1. Adopted any scheme or device that tends to defeat the purpose of this program;
2. Made any fraudulent representation; or
3. Misrepresented any fact affecting a program determination.

Any funds disbursed pursuant to this part to any person or operation engaged in a misrepresentation, scheme, or device, shall be refunded with interest together with such other sums as may become due. Any dairy operation or person engaged in acts prohibited by this section and any dairy operation or person receiving payment under this subpart shall be jointly and severally liable with other persons or operations involved in such claim for benefits for any refund due under this section and
for related charges. The remedies provided in this subpart shall be in addition to other civil, criminal, or administrative remedies that may apply.

§ 1430.311 Death, incompetence, or disappearance.

In the case of death, incompetence, disappearance, or dissolution of a person that is eligible to receive benefits in accordance with this subpart, such alternate person or persons specified in 7 CFR part 707 may receive such benefits, as determined appropriate by FSA.

§ 1430.312 Maintaining records.

Persons applying for benefits under this program must maintain records and accounts to document all eligibility requirements specified herein. Such records and accounts must be retained for 3 years after the date of payment to the dairy operations under this program. Destruction of the records after such date shall be at the risk of the party undertaking the destruction.

§ 1430.313 Refunds; joint and several liability.

(a) Excess payments, payments provided as the result of erroneous information provided by any person, or payments resulting from a failure to comply with any requirement or condition for payment under the application or this subpart, must be refunded to CCC.

(b) A refund required under this section shall be due with interest determined in accordance with paragraph (d) of this section and late payment charges as provided in 7 CFR part 1403.

(c) Persons signing a dairy operation’s application as having an interest in the operation shall be jointly and severally liable for any refund and related charges found to be due under this section.

(d) Interest shall be applicable to any refunds required in accordance with 7 CFR parts 702 and 1403. Such interest shall be charged at the rate the United States Department of the Treasury charges CCC for funds, and shall accrue from the date FSA or CCC made the erroneous payment to the date of repayment.

(e) FSA may waive the accrual of interest if it determines that the cause of the erroneous determination was not due to any action of the person, or was beyond the control of the person committing the violation. Any waiver is at the discretion of FSA alone.

§ 1430.314 Miscellaneous provisions.

(a) Offset. CCC may offset or withhold any amount due CCC under this subpart in accordance with 7 CFR part 1403.

(b) Claims. Claims or debts are settled in accordance with 7 CFR part 1403.

(c) Other interests. Payments or any portion thereof due under this subpart shall be made without regard to questions of title under State law and without regard to any claim or lien against the livestock, or proceeds thereof, in favor of the owner or any other creditor except agencies and instrumentalities of the U.S. Government.

(d) Assignments. Any producer entitled to any payment under this part may assign any payments in accordance with the provisions of 7 CFR part 1404.

§ 1430.315 Termination of program.

This program ends after payment has been made to those applicants certified as eligible pursuant to the application period established in §1430.304. All eligibility determinations shall be final except as otherwise determined by the Deputy Administrator.

Subpart D—Dairy Market Loss Assistance Program

SOURCE: 64 FR 24934, May 10, 1999, unless otherwise noted.

§ 1430.500 Applicability.

This subpart establishes the Dairy Market Loss Assistance Program. The purpose of this program is to provide benefits to dairy operations under Public Law 105–277, 112 Stat. 2681; sections 805 and 825 of Public Law 106–78; and section 805 of Public Law 106–387 only, in order to provide financial assistance to dairy operations in connection with
