§ 1465.6 AMA plan of operations.
(a) All conservation practices in the APO must be approved by NRCS and developed and carried out in accordance with the applicable NRCS technical guidance.
(b) The participant is responsible for implementing the APO.
(c) The APO must include:
(1) A description of the participant’s specific conservation and environmental objectives to be achieved;
(2) To the extent practicable, the quantitative or qualitative goals for achieving the participant’s conservation and environmental objectives;
(3) A description of one or more conservation practices in the conservation system, including conservation planning, design, or installation activities to be implemented to achieve the conservation and environmental objectives;
(4) A description of the schedule for implementing the conservation practices, including timing, sequence, operation, and maintenance; and
(5) Information that will enable evaluation of the effectiveness of the plan in achieving the environmental objectives.
(d) An APO may be modified in accordance with §1465.24.
§ 1465.7 Conservation practices.
(a) The State Conservationist will determine the conservation practices eligible for AMA payments. To be considered eligible conservation practices, the practices must meet the purposes of the AMA as set out in §1465.1. A list of eligible practices will be available to the public.
(b) The APO includes the schedule of operations, activities, and payment rates of the practices needed to solve identified natural resource concerns.
§ 1465.8 Technical services provided by qualified personnel not affiliated with USDA.
(a) NRCS may use the services of qualified TSPs in performing its responsibilities for technical assistance.
(b) Participants may use technical services from qualified personnel of other Federal, State, local agencies, Indian Tribes, or individuals who are certified as TSPs by NRCS.
(c) Technical services provided by qualified personnel not affiliated with USDA may include, but are not limited to: conservation practice survey, layout, design, installation, and certification; and information, education, and training for producers, and related technical services as defined in 7 CFR part 652.
(d) NRCS retains approval authority of work done by non-NRCS personnel for the purpose of approving AMA payments.
