§ 1486.405 How are Recipients reimbursed for project expenditures?

(a) After implementation of an EMP project for which CCC has agreed to provide funding, Recipients may submit claims for reimbursement of the expenses incurred to the extent CCC has agreed to pay for such costs. Reimbursement for approved project expenses is limited to 85 percent of the amount specified in the project agreement. The Recipient may be reimbursed for the remaining 15 percent of the funds after the final performance report containing the information required by the agreement is submitted to and approved by FAS.

(b) A format for reimbursement claims is available from the Marketing Operations Staff, FAS, USDA.

(c) Final reimbursement claims must be made no later than 90 days after the completion date of the project, and are subject to a complete final performance report acceptable to FAS.

(d) Any duplicate payment or overpayment made by CCC shall be returned by the Recipient promptly after discovery of the overpayment by the Recipient or within 30 days after notification by FAS, either by submitting a check made payable to the Commodity Credit Corporation and referencing the applicable project, or by offsetting as a credit on the next reimbursement claim. All checks shall be mailed to the Director, Marketing Operations Staff, FAS, USDA.

§ 1486.406 Will CCC make advance payments to Recipients?

(a) Policy. In general, CCC operates the EMP on a cost reimbursable basis.
(b) Exception. Upon request, CCC may make advance payments to a Recipient against an approved project budget. Up to 40 percent of the approved project budget may be provided as an advance, either at one time or in incremental payments. Advances should be limited to the minimum amounts needed and requested as close as is administratively feasible to the actual time of disbursement by the Recipient. Reimbursement claims will be used to offset advances. Recipients shall deposit and maintain advances in insured, interest-bearing accounts.

(c) Refunds due CCC. A Recipient shall expend all advances within 90 calendar days after the date of disbursement by CCC. A Recipient shall return all interest earned by advances plus any unexpended portion of the advance within 90 calendar days after the date of disbursement by CCC by submitting a check payable to CCC. All checks shall be mailed to the Director, Marketing Operations Staff, FAS, USDA.

(a) Performance Reports. (1) Recipients are required to submit regular progress reports in accordance with the project agreement. Quarterly progress reports are required for all projects with a duration of 1 year or longer. Projects of less than 1 year in duration generally require a mid-term report.

(2) Final performance reports must be submitted no later than 90 days after completion of the project, both electronically (preferably in PDF format) and in hard copy.

(3) Reporting requirements and formats for both quarterly progress reports and final performance reports are specified in the project agreement between CCC and the Recipient entity.

(4) All final performance reports will be made available to the public.

(b) Financial Reports. Final financial reports must be submitted no later than 90 days after completion of the project. The Recipient must advise the Agricultural Counselor(s) or Attache(s) in the country or countries of any planned visits by the Recipient or its consultants or other participants to such country or countries under terms of its agreement. The CRS will review contributions from Recipients for compliance with project budgets as approved and specified in the agreements.

(b) The Director, CRS, will notify a Recipient through a compliance report when, in the opinion of the Director, CRS, it appears that CCC is entitled to recover funds from that Recipient. The report will state the basis for this action.
