§ 1488.13 CCC drafts.

CCC will draw one draft for each payment due under bank obligations. If any portion of a CCC draft is dishonored, the U.S. bank or branch bank shall return the dishonored draft together with its statement of the reason for nonpayment. If a draft which is drawn under a partially confirmed bank obligation is dishonored, CCC will replace the draft with separate drafts for the confirmed and unconfirmed portions at the request of the confirming bank. Such replacement shall not alter the confirming bank’s obligation for timely payment to CCC of the confirmed portion of the credit. For confirmed amounts, except as provided in §1488.12(a), (c) and (d), a U.S. or branch bank may request refund from CCC of the amount paid if it certifies to CCC that it is unable to recover funds from the foreign bank due to a stipulated non-commercial risk which existed on the date payment was made to CCC under the draft. If CCC finds that inability to recover funds was due to such a non-commercial risk, the refund shall be promptly made together with interest at the Federal Reserve Bank of New York discount rate from and including the date payment was originally made to CCC but not include the date of refund by CCC. For unconfirmed amounts, remittance to CCC shall be considered final, and the U.S. bank or branch bank shall not thereafter have recourse to CCC.

§ 1488.14 Interest charges.

The account receivable assigned to CCC and the related bank obligation(s) shall bear interest as specified in this section. Rates of interest applicable to financing agreements shall be published in USDA announcement. The interest rate applicable to that portion of an account receivable for which payment is assured by a bank obligation issued or confirmed for all risks according to §1488.12(a)(11) or pro rata confirmed by a U.S. bank shall be lower than the interest rate applicable for the remainder of the account receivable. The interest rate applicable
