§ 1980.360 Conditions precedent to issuance of the loan note guarantee.

(a) Lender certification. The Lender must certify to RHS that:

(1) No major changes have been made in the Lender’s loan conditions and requirements since the issuance of the conditional commitment, except those approved in writing by RHS. In the event the interest rate has not been fixed at the time the conditional commitment is issued, and the interest rate increases between the time of issuance of the conditional commitment and loan closing, the Lender should note the change when submitting the package to RHS for loan guarantee. If either or both of the underwriting ratios are exceeded as a result of the interest rate increase, the Lender should list the compensating factors that demonstrate that sufficient repayment ability still exists.

(2) All planned property acquisition has been completed and:

(i) All development has been completed; or

(ii) An escrow account has been established in accordance with §1980.315.

(3) Required insurance coverage is in effect and an escrow account has been established for the payment of taxes and insurance.

(4) Truth-in-lending requirements have been met.

(5) All equal employment opportunity and nondiscrimination requirements have been met.

(6) The loan has been properly closed by a party skilled and experienced in conducting loan closings and the required security instruments, including any required shared equity instruments, have been obtained and recorded in the appropriate office in a timely and accurate manner.

(7) The borrower has a marketable (clean and defensible) title to the property then owned by the borrower, subject to the instrument securing the loan to be guaranteed, and any other exceptions approved in writing by RHS.

(8) Lien priorities are consistent with the requirements of the conditional commitment.

(9) The loan proceeds have been disbursed for purposes and in amounts consistent with the conditional commitment.

(10) There has been no adverse change in the borrower’s situation since the conditional commitment was issued by RHS.

(11) All other requirements of the conditional commitment have been met.

(b) Inspections. The Lender will certify to RHS that inspections in accordance with §1980.341 have been completed.

(c) Lender agreement. There must be a valid lender agreement on file.

(d) Lender file. The Lender will maintain a file for each guaranteed RH loan containing originals or copies, as appropriate, of all documents pertaining to that loan.

(a) When the Lender has certified that all requirements have been met, delivered a completed Loan Closing Report, and paid the guarantee fee, the RHS approval official will concurrently execute the loan note guarantee. The original will be provided to the Lender and be attached to the note.

(b)–(c) [Reserved]

§ 1980.362 [Reserved]

The Lender must provide RHS with documentation that all of the closing conditions have been met within 30 days of issuance of the loan note guarantee. The Lender is responsible for deficiencies regardless of whether RHS discovers them in the loan closing review and/or notifies the Lender at that time. RHS reviews do not constitute any waiver of fraud, misrepresentation, or failure of judgment by the Lender.

§ 1980.366 Transfer and assumption.

(a) General. Lenders may, but are not required to, permit a transfer to an eligible applicant. A transfer and assumption must be approved by RHS in writing. Transfers without assumption are not authorized. Transfers and assumptions under this subpart are subject to the RHS guarantee fee.
(b) Eligible transferee. An eligible transferee is one who meets the eligibility requirements of this subpart and includes situations involving transfers of housing in an area that has ceased to be rural. Loans made and guaranteed under this subpart prior to March 29, 1989, may be transferred to an applicant meeting all eligibility requirements of this subpart except the applicant's adjusted annual income may exceed the maximum income for the area by not more than 10 percent.

(c) Determinations by the Lender. Before the transfer and assumption can be approved with the guarantee remaining in force, the Lender must determine that all of the following conditions can be met:

1. The transferee is an eligible applicant.
2. The transferee will assume the total remaining debt and acquire all of the property securing the guaranteed loan balance.
3. The transfer and assumption would not be made without the continuation of the loan guarantee.
4. The market value of the security being acquired by the transferee is at least equal to the secured indebtedness against it.
5. The priority of the existing lien securing the guaranteed loan will be maintained or improved.
6. Proper hazard insurance will be obtained.
7. The transfer and assumption can be properly closed and the conveyance instruments will be filed, registered, or recorded, as appropriate.
8. The transferor acknowledges continued liability for the debt in writing.

(d) Changes in the promissory note or security instrument. If the assumption will result in changes in the repayment schedule or the interest rate, the changes must be approved by the present debtors since they will remain liable for the debt. Any changes in rates and terms must not exceed rates and terms allowed for new loans under this subpart and cannot exceed the interest rate on the initial loan. The debt must not exceed the amount remaining due on the original loan. The term of the loan may cover a period of up to 30 years from the date of transfer and assumption. The Lender's request for approval to RHS will be accompanied by:

1. An explanation of the reasons for the proposed change in the rates and terms.
2. A statement that the Lender's determinations required by paragraph (c) of this section can be made.

(e) Release of liability. The Lender may not release the transferor of liability.

(f) Forms and case numbers. The assumption may be made on the Lender's assumption agreement form. The assumption agreement must contain the RHS case numbers of the transferor and the transferee.

(g) Lender's application to RHS. The Lender must submit the items outlined in §1980.353(e) of this subpart to RHS, in addition to items required in this section.

(h) Notations and notices. The Lender must notify RHS whether the loan and security can be properly assumed and transferred. The Lender shall assure that the conveyance instruments are properly filed, registered, or recorded, as appropriate. Upon completion of the transfer and assumption, the Lender must provide RHS a copy of the transfer and assumption agreement. The Lender may present the loan note guarantee to RHS if it desires RHS to note the transfer and assumption on the loan note guarantee. If a new note is obtained, it will also be attached to the loan note guarantee.

1. Interest assistance. The original borrower's Master Interest Assistance Agreement may be transferred to an eligible transferee. Equity sharing, if any, owed by the transferor must be determined and collected at the time the loan is assumed and title to the property is transferred. See §1980.391.

(j) Closing the transfer and assumption. As soon as the Lender has obtained RHS approval, the Lender may proceed with closing the transaction. The closing must include, but need not be limited to, the proper execution and delivery of the conveyance and assumption documents, compliance with any legal requirements, and actions necessary to perfect the transfer and the required lien priority.

(k) Loan note guarantee. The existing loan note guarantee will continue to be
in effect. RHS will note the transfer and assumption on the original loan note guarantee by completing the Assumption Agreement block by inserting the name of the assuming party.

(1) **Material furnished to RHS after closing.** Immediately after closing, the Lender must furnish to RHS:

(1) A conformed copy of the executed assumption agreement.

(2) A statement showing:

(i) Any changes made in the provisions of the promissory note or security instruments.

(ii) That all conditions and requirements of paragraph (b) of this section have been met.

(iii) That the required insertions have been made per paragraph (h) of this section.

(m) **Notification of Lender.** The RHS approval official will review the proposed transfer and assumption and notify the Lender of the decision in writing. The request for transfer and assumption will be treated as an application for guaranteed loan assistance and will be handled in accordance with §1980.353. The Lender may proceed with the transfer and assumption upon obtaining RHS approval.

§ 1980.367 Unauthorized sale or transfer of the property.

RHS consent is required to continue with the RHS guarantee in the event of a sale or transfer of the property in accordance with §1980.366. If the property is transferred without RHS consent, the Lender must take one of the following actions:

(a) Obtain RHS consent if the conditions of §1980.366 can be met;

(b) Satisfy the RHS guarantee and continue with the loan without the loan note guarantee; or

(c) Notify the borrower and the transferee of the default and service the loan in accordance with §1980.371.

§ 1980.370 Loan servicing.

RHS encourages Lenders to provide borrowers with the maximum opportunity to become successful homeowners. Lenders should provide sufficient servicing and counseling to meet the objectives of the loan. Loan servicing should be approached as a preventive action rather than a curative action. Prompt followup by the Lender on delinquent payments and early recognition and solution of problems are keys to resolving many delinquent loan cases. The Lender shall perform those services which a reasonable and prudent Lender would perform in servicing its own portfolio of loans that are not guaranteed.

(a) **Normal loan servicing.** The Lender is responsible for servicing the loan under the Lender Agreement and this subpart even if the Lender has engaged a third party to service the loan on its behalf. Normal servicing includes:

(1) Receiving all payments as they fall due and proper application of payments to principal and interest and escrow accounts for taxes (including special assessments) and insurance.

(2) Establishment and maintenance of an escrow account to pay real estate taxes and assessments and required hazard and flood insurance on the security. All escrow accounts must be fully insured by the Federal Deposit Insurance Corporation (FDIC). The Lender is responsible for maintaining escrow funds in a reasonable and prudent manner and for assuring that real estate taxes and assessments and required hazard and flood insurance are paid in a timely manner even if it requires advancing the Lender’s own funds. The monthly payment may be adjusted when it is not adequate to meet established charges of the escrow account for the coming year. Escrow funds may be used only for the purpose for which they were collected.

(3) Obtaining compliance with the covenants, loan agreement (if any), security instruments, and any supplemental agreements and notifying the borrower in writing of any violations.

(b) **Other servicing requirements.** Other servicing requirements include taking actions to offset the effects of liens, probate proceedings, and other legal actions. The Lender’s responsibility includes assuring that:

(1) Insurance loss payments, condemnation awards, or similar proceeds are applied on debts in accordance with lien priorities on which the guarantee was based, or to rebuild or otherwise acquire needed replacement collateral.
