Terms of loan repayment and length of service requirements.

(a) Loan repayment. For each year of obligated service in a veterinary shortage situation, as determined by the Secretary, with a minimum of 3 years (and maximum of 4 years) of obligated service, the Secretary may pay:

(1) An amount not exceeding $25,000 per year of a program participant’s qualifying loans; and
(2) An additional amount not exceeding $5,000 per year of a program participant’s qualifying loans, if the program participant has already been selected for participation in the VMLRP and agrees to enter into a one-year agreement for each year of service to provide up to 60 days of obligated service to the Federal government in animal health emergency situations, as determined by the Secretary, provided the shortage situation in which the participant has agreed to serve has been designated as suitable for the Federal obligated service.

(b) To maximize the number of agreements and to encourage qualified veterinarians to participate in the VMLRP, the Secretary may establish a loan repayment cap that differs from the cap established under paragraph (a)(1) and (a)(2) of this section when it is in the best interest of VMLRP. This will be identified in the RFA.

(c) The Secretary will determine the debt threshold in the RFA.

(d) Loan repayments will be made directly to the loan provider on a quarterly basis, starting with the end of the first quarter after the program eligibility date of the service agreement. Tax payments equal to 39 percent of the loan repayments will be credited directly to the participant’s IRS (Federal tax) account simultaneously with each loan repayment.

(e) Once a service agreement has been signed by both parties, the Secretary will obligate such funds as will be necessary to ensure that sufficient funds will be available to make loan repayments and tax payments, as specified in the service agreement, for the duration of the period of obligated service. Reimbursements for tax liabilities in excess of the amount provided (not to exceed 39 percent of the amount of loan repayment or any other cap established by the Secretary) will be subject to the availability of funds. These additional tax payments, if available to the VMLRP participants, will be identified in the RFA and in the participant service agreement.

(f) Participants are required to keep payments current on all qualifying VMLRP loans.

(g) Travel expenditures. The VMLRP will not reimburse a program participant for expenses associated with traveling from the program participant’s residence to the prospective practice site or expenses of relocating from the program participant’s temporary or permanent residence to a practice site.
