§ 249.1 General purpose and scope.

(a) This part announces regulations under which the Secretary of Agriculture shall carry out the Senior Farmers' Market Nutrition Program (SFMNP). The purposes of the SFMNP are to:

(1) Provide resources in the form of fresh, nutritious, unprepared, locally grown fruits, vegetables, honey, and herbs from farmers' markets, roadside stands, and community supported agriculture (CSA) programs to low-income seniors;

(2) Increase the domestic consumption of agricultural commodities by expanding or aiding in the expansion of domestic farmers' markets, roadside stands, and CSAs; and

(3) Develop or aid in the development of new and additional farmers' markets, roadside stands, and CSAs.

(b) These goals will be accomplished through payment of cash grants to approved State agencies. The SFMNP shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 (7 U.S.C. 2011, et seq.), and to any other Federal or State food or nutrition assistance program under which foods are distributed to needy families in lieu of food stamps.

§ 249.2 Definitions.

For the purpose of this part and all contracts, guidelines, instructions, forms and other documents related hereto, the term:

Administrative costs means those direct and indirect costs (as defined in—249.12(a)(1)(ii)), exclusive of food costs, which State agencies determine to be necessary to support SFMNP operations. Administrative costs include, but are not limited to, the costs associated with administration and start-up; the provision of nutrition education; SFMNP coupon issuance; participant education covering coupon redemption procedures; eligibility determinations; outreach services; printing SFMNP coupons, processing redeemed coupons,

and training farmers, market managers, and/or farmers who operate CSA programs on the food delivery system; monitoring and reviewing program operations; required reporting and recordkeeping; determining which local sites will be utilized; recruiting and authorizing farmers, farmers' markets, roadside stands, and/or CSA programs to participate in the SFMNP; preparing contracts for farmers, farmers' markets, roadside stands, and/or CSA programs; developing a data processing system for redemption and reconciliation of coupons; designing program training and informational materials; and coordinating SFMNP implementation responsibilities between designated administering agencies.

Bulk purchase means a program model in which bulk quantities of certain produce items, such as apples or sweet potatoes, are purchased directly from authorized farmers by the State agency, and are then equitably divided among and distributed directly to eligible SFMNP participants, either at a central distribution point (such as a local senior center) or through some type of home delivery network.

Community supported agriculture (CSA) program means a program under which a farmer or group of farmers grows food for a group of shareholders (or subscribers) who pledge to buy a portion of the farmer's crop(s) for that season. State agencies may purchase shares or subscribe to a community supported agriculture program on behalf of individual SFMNP participants.

Compliance buy means a covert, on-site investigation in which a SFMNP representative poses as a SFMNP participant or authorized representative and attempts to transact one or more SFMNP coupons, or, in the case of CSA programs, attempts to obtain eligible foods purchased with SFMNP funds at a distribution site.

Coupon means a check or other negotiable financial instrument by which benefits under the program are transferred to program participants.

Days means calendar days.

Department means the U.S. Department of Agriculture.

Distribution site means the location where packages of eligible foods are assembled for and/or distributed to

SFMNP participants who are shareholders in CSA programs.

Eligible foods means fresh, nutritious, unprepared, locally grown fruits, vegetables, honey, and herbs for human consumption. Eligible foods may not be processed or prepared beyond their natural state except for usual harvesting and cleaning processes. Dried fruits or vegetables, such as prunes (dried plums), raisins (dried grapes), sun-dried tomatoes, or dried chili peppers are not considered eligible foods. Potted fruit or vegetable plants, potted or dried herbs, wild rice, nuts of any kind (even raw), maple syrup, cider, seeds, eggs, meat, cheese and seafood are also not eligible foods for purposes of the SFMNP.

Farmer means an individual authorized to sell eligible foods at participating farmers' markets and/or roadside stands, and through CSAs. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the SFMNP. A participating State agency has the option to authorize individual farmers or farmers' markets, roadside stands, and/or CSA programs.

Farmers' market means an association of local farmers who assemble at a defined location for the purpose of selling their produce directly to consumers.

Federally recognized Indian tribal government means the same as the definition of that term found at §3016.3 of this chapter, i.e., the governing body or a governmental agency of any Indian tribe, band, organization, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat. 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by the Secretary through the Bureau of Indian Affairs.

Locally grown means grown within State borders. If the State agency chooses, *locally grown* may also mean grown in areas of States adjacent to that State, as long as such areas are part of the United States.

Nutrition education means:

- (1) Individual or group sessions; and

ceived by the eligible senior. The terms *proxy* and *authorized representative* may be used interchangeably for purposes of this program.

Roadside stand means a location at which an individual farmer sells his/her produce directly to consumers. This is in contrast to a group or association of farmers selling their produce at a farmers' market or through a CSA program. The term *roadside stand* may be used interchangeably with the term *farmstand* as defined in §248.2 of this chapter.

State agency means the agriculture, aging, or health department, or any other agency approved by the Chief Executive Officer of the State that has administrative responsibility for the SFMNP; an intertribal council or group that is an authorized representative of Indian tribes, bands, or groups recognized by FNS of the Interior and that has an ongoing relationship with such tribes, bands, or groups for other purposes and has contracted with them to administer the Program; or the appropriate area office of the Indian Health Service, a division of FNS of Health and Human Services.

§ 249.3 Administration.

(a) *Delegation to FNS.* Within FNS, FNS shall act on behalf of the Department in the administration of the SFMNP. Within FNS, SFPD and the FNS Regional Offices are responsible for SFMNP administration. FNS shall provide assistance to State agencies and evaluate all levels of SFMNP operations to ensure that the goals of the SFMNP are achieved in the most effective and efficient manner possible.

(b) *Delegation to State agency.* The State agency is responsible for the effective and efficient administration of the SFMNP in accordance with the requirements of this Part; the requirements of FNS' regulations governing nondiscrimination (parts 15, 15a and 15b of this title), administration of grants (part 3016 of this title), nonprocurement debarment/suspension (part 3017 of this title), drug-free workplace (part 3021 of this title), and lobbying (part 3018 of this title); FNS guidelines; FNS Instructions issued under the FNS Directives Management System; and Office of Management and Budget Circular A-130 (For availability of OMB Circulars referenced in this section, see 5 CFR 1310.3). ensure coordination among the appropriate agencies and organizations.

(c) *Agreement and State Plan.* Each State agency desiring to administer the SFMNP shall annually submit a State Plan of Operations and enter into a written agreement with FNS for administration of the Program in the jurisdiction of the State agency in accordance with the provisions of this Part. If the State agency administers both the SFMNP and the WIC Farmers' Market Nutrition Program (FMNP), one consolidated State Plan may be submitted for both programs, in accordance with guidance provided by FNS.

(d) *Coordination with other agencies.* The Chief Executive Officer of the State shall ensure coordination between the designated administering State agency and any other State, local, or nonprofit agencies or entities involved in administering any aspect of the SFMNP by ensuring that the agencies enter into a written agreement or letter/memorandum of understanding. The written agreement or letter/memorandum of understanding must delineate the responsibilities of each agency, describe any compensation for services, and must be signed by the designated representative of each agency. This agreement must be submitted each year along with the State Plan.

(e) *State staffing standards.* Each State agency shall ensure that sufficient staff is available to administer the SFMNP efficiently and effectively. This shall include, but not be limited to, sufficient staff to identify and certify eligible SFMNP participants, provide program information and nutrition education to participants, and oversee coupon, market, and/or CSA program management, fiscal reporting, monitoring, and training. The State agency shall provide in its State Plan an outline of administrative staff and job descriptions for staff whose salaries will be paid from program funds.

Subpart B—State Agency Eligibility

FNS will provide written approval or denial of a completed State Plan or amendment within 30 days of receipt. Portions of the State Plan that do not change annually need not be resubmitted. § 249.5 Selection of new State agencies.

In selecting new State agencies, FNS will use objective criteria to rank and approve State plans submitted in accordance with § 249.4. In making this ranking, FNS will consider the amount of funds necessary to operate the SFMNP successfully in the State compared with other States and with the total amount of funds available to the SFMNP, the number of participants estimated to be served, and the projected benefit level. Approval of a State Plan does not equate to an obligation on the part of FNS to fund the SFMNP within that State.

Subpart C—Participant Eligibility

§ 249.6 Participant eligibility.

(a) *Eligibility for certification.* Individuals who are eligible to receive Federal benefits under the SFMNP are those who meet the following criteria:

(1) *Categorical eligibility.* Participants must be not less than 60 years of age, except that State agencies may exercise the option to deem Native Americans who are 55 years of age or older as categorically eligible for SFMNP benefits. State agencies may, at their discretion, also deem disabled individuals less than 60 years of age who are currently living in housing facilities occupied primarily by older individuals where congregate nutrition services are provided, as categorically eligible to receive SFMNP benefits.

(2) *Residency requirement.* The State agency may establish a residency requirement for SFMNP applicants. The State agency may determine a service area for any local agency, and may require that an applicant be residing within the service area at the time of application to be eligible for the Program. However, the State agency may not impose any durational or fixed residency requirements.

(3) *Income eligibility.* The State agency must ensure that local agencies determine income eligibility through the use of a clear and simple application

process approved by the State agency. Participants must have a maximum household income of not more than 185 percent of the annual poverty income guidelines, or be determined automatically income eligible based on current participation/eligibility to receive benefits in another means-tested program, as designated by the State agency, for which income eligibility is set at or below 185 percent of the poverty income guidelines and for which documentation of family income is required. FNS will announce the income poverty guidelines annually.

(b) *Documentation of income eligibility*—(1) *Automatically income eligible applicants.* The State or local agency must require applicants determined to be automatically income eligible to provide documentation of their eligibility to participate in another means-tested assistance program, as designated by the State agency.

(2) *Other applicants.* (i) The State or local agency must require all other applicants to provide, at a minimum, a signed statement affirming that their household size and income does not exceed the maximum income eligibility standard in use by the State agency.

(ii) If the State agency offers a benefit of more than \$50 per participant through a CSA program, it must require documentation of household size and income from all participants receiving the higher benefit level.

(iii) The State agency has the option to require all applicants to provide documentation of family income at certification, and/or to require verification of the information provided by the applicant.

(c) *Certification periods.* Participants may be certified only for the current fiscal year's SFMNP period of operation. Eligibility must be determined at the beginning of each period of operation. Prior fiscal year certifications may not be carried over into subsequent fiscal years, but the State agency may make use of its participant enrollment listings from the prior fiscal year in its outreach efforts for the current fiscal year.

(d) *Participant rights and responsibilities.* Where a significant number or proportion of the population eligible to be served needs information regarding

participation in the SFMNP in a language other than English, reasonable steps must be taken to provide this information in the appropriate language(s) to such persons, considering the scope of the Program and the size and concentration of such population(s). In order to inform applicants and participants or their authorized representatives/proxies of SFMNP rights and responsibilities, State/local agencies must provide the following information:

(1) During the certification process, every program applicant or authorized representative must be informed of the illegality of dual participation, i.e., obtaining SFMNP benefits from more than one service delivery area or from more than one SFMNP program model (coupon system and CSA program) within the same service delivery area.

(2) At the time of certification, each SFMNP applicant or authorized representative must read or have read to him or her the following statements or similar statements:

I have been advised of my rights and obligations under the SFMNP. I certify that the information I have provided for my eligibility determination is correct, to the best of my knowledge. This certification form is being submitted in connection with the receipt of Federal assistance. Program officials may verify information on this form. I understand that intentionally making a false or misleading statement or intentionally misrepresenting, concealing, or withholding facts may result in paying the State agency, in cash, the value of the food benefits improperly issued to me and may subject me to civil or criminal prosecution under State and Federal law.

Standards for eligibility and participation in the SFMNP are the same for everyone, regardless of race, color, national origin, age, disability, or sex.

I understand that I may appeal any decision made by the local agency regarding my eligibility for the SFMNP.

(3) During the certification visit, each participant or authorized representative must:

(i) Receive an explanation of how to use his/her SFMNP coupons at farmers' markets and roadside stands, and/or how SFMNP foods will be provided under the CSA program in that service delivery area; and

(ii) Be advised of the other types of services that are available to SFMNP

participants, where such services are located, how they may be obtained, and why they may be useful.

(4) Persons found ineligible for the SFMNP during a certification visit must be advised in writing of their ineligibility, of the reasons for their ineligibility, and of their right to a fair hearing. The reasons for ineligibility must be properly documented and must be retained on file at the local agency. Such notice is not required when participation is denied solely because of lack of sufficient funding to provide SFMNP benefits to all eligible applicants.

(5) When a State or local agency pursues collection of a claim pursuant to § 249.20(c) against an individual who has been issued SFMNP benefits for which she/he is not eligible, the person must be advised in writing of the reason(s) for the claim, the value of the improperly issued benefits that must be repaid, and of his/her right to a fair hearing.

(e) *Certification without charge.* Certification for the SFMNP must be performed at no cost to the applicant or the authorized representative.

(f) *Use of proxies or authorized representatives.* At the State agency's discretion, a senior may designate an authorized representative (proxy) to apply for certification, shop at the farmers' market or roadside stands, and/or pick up their eligible foods from CSA program distribution sites on his/her behalf if the senior is unable to perform these actions. The State agency must obtain a signed statement from the eligible senior designating another individual as his/her authorized representative. A senior who has been certified to receive SFMNP benefits may designate an authorized representative at any point during the program's period of operation.

(g) *Processing standards.* (1) Applicants for the SFMNP must be notified of their eligibility or ineligibility for benefits, or of their placement on a waiting list, as described in paragraph (g)(2) of this section, within 15 days from the date of application.

(2) When all available program benefits have been allocated to eligible participants, and there is a reasonable expectation that additional funds may

§ 249.7

become available to provide further SFMNP benefits to eligible seniors, the local agency must maintain a waiting list of individuals who contact the local agency to apply for the Program. Individuals must be notified of their placement on a waiting list within 15 days after they contact the local agency to request Program benefits. To enable the local agency to contact these individuals when caseload space becomes available, the waiting list must include the name of the applicant, the date placed on the waiting list, and an address or phone number of the applicant.

(h) *Limitations on certification.* If necessary to limit the number of participants, State agencies may impose additional eligibility requirements, such as limiting participant certification to certain geographic areas. Each State agency must specifically identify these limitations on certification in its State Plan.

§ 249.7 Nondiscrimination.

(a) *Civil rights requirements.* (1) The State agency must comply with the following requirements to ensure that no person shall, on the grounds of race, color, national origin, age, sex or disability, be excluded from participation, be denied benefits, or be otherwise subjected to discrimination, under the SFMNP:

(i) Title VI of the Civil Rights Act of 1964;

(ii) Title IX of the Education Amendments of 1972;

(iii) Section 504 of the Rehabilitation Act of 1973;

(iv) The Age Discrimination Act of 1975;

(v) Department of Agriculture regulations on nondiscrimination (parts 15, 15a and 15b of this title); and

(vi) Applicable FNS Instructions, including requirements for racial and ethnic participation data collection, public notification of the nondiscrimination policy, and annual reviews of each local agency's racial and ethnic participation data (as required by title VI of the Civil Rights Act of 1964).

(2) Compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sec-

tion 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and regulations and instructions issued thereunder shall include, but not be limited to:

(i) Notification to the public of the nondiscrimination policy and complaint rights of participants and potentially eligible persons, which may be satisfied through FNS' required nondiscrimination statement on brochures and publications;

(ii) Review and monitoring activity to ensure SFMNP compliance with the nondiscrimination laws and regulations; and

(iii) Establishment of grievance procedures for handling participant complaints based on sex and handicap.

(b) *Complaints.* Persons seeking to file discrimination complaints may file them either with the Secretary of Agriculture, or the Director, Office of Civil Rights, USDA, Washington, DC 20250 or with the office established by the State agency to handle discrimination grievances or complaints. All complaints received by State agencies that allege discrimination based on race, color, national origin, or age shall be referred to the Secretary of Agriculture or the Director of the Office of Civil Rights, USDA. A State agency may process complaints that allege discrimination based on sex or disability if grievance procedures are in place.

Subpart D—Participant Benefits

§ 249.8 Level of benefits and eligible foods.

(a) *General.* State agencies must identify in the State Plan the fresh, nutritious, unprepared, locally grown fruits, vegetables, honey, and herbs that are eligible for purchase under the SFMNP. Eligible foods may not be processed or prepared beyond their natural state except for usual harvesting and cleaning processes. Dried fruits or vegetables, such as prunes (dried plums), raisins (dried grapes), sun-dried tomatoes, or dried chili peppers are not considered eligible foods in the SFMNP. Potted fruit or vegetable plants, potted or dried herbs, wild rice, nuts of any kind (even raw), maple syrup, cider, seeds, eggs, meat, cheese, and seafood are also not eligible for purposes of the SFMNP.

Food and Nutrition Service, USDA

§ 249.10

“Locally grown” means produce grown only within a State’s borders but may be defined by State agencies to include border areas in adjacent States. Under no circumstances may produce grown outside of the United States and its territories be considered eligible food.

(b) *The value of the Federal benefits received.* (1) The Federal SFMNP benefit level received by each participant, whether individual or household, may not be less than \$20 per year or more than \$50 per year, except that:

(i) A State agency that operated the SFMNP in FY 2006 may continue to issue the same level of benefits that was provided to participants in FY 2006, even if the benefit level was less than \$20;

(ii) Participants served by a State agency that operated the SFMNP through a CSA program model in FY 2006 may, at the State agency’s discretion, continue to receive the same CSA benefit levels that were provided to such participants in FY 2006, subject to the conditions set forth at § 249.14(e)(3), Distribution of Funds; and

(iii) Participants who are participating in the SFMNP through a CSA program may receive a higher total benefit level than participants participating in a check or coupon program model, as long as that level is consistent for all Senior CSA program participants and does not exceed the \$50 annual maximum per individual or household, except as provided in paragraph (b)(1) of this section.

(2) The total value of SFMNP benefits provided in a combination of program models, such as coupons/checks and bulk purchase, may not exceed the \$50 maximum benefit level set forth in paragraph 249.8(b)(1).

(c) *Participant or household benefit allocation.* (1) All SFMNP participants living in the areas served by the State agency must be offered the same amount of SFMNP benefits, regardless of the program model(s) used by that State agency.

(2) Benefits may be allocated on an individual or on a household basis.

(3) Foods provided are intended for the sole benefit of SFMNP participants and are not meant to be shared with other non-participating household members.

(4) Participants must receive SFMNP benefits free of charge.

§ 249.9 Nutrition education.

(a) *Goal.* Nutrition education shall emphasize the relationship of proper nutrition to good health, including the importance of consuming fruits and vegetables.

(b) *Requirement.* The State agency shall integrate nutrition education into SFMNP operations and may satisfy nutrition education requirements through coordination with other agencies within the State. State agencies wishing to coordinate nutrition education with another State agency or organization must enter into a written cooperative agreement with such agencies to offer nutrition education relevant to the use and nutritional value of foods available to SFMNP participants. In cases where SFMNP participants are receiving relevant nutrition education from an agency other than the administering State agency, the provision of nutrition education is an allowable administrative cost under the SFMNP.

Subpart E—State Agency Provisions

§ 249.10 Coupon, market, and CSA program management.

(a) *General.* This section sets forth State agency responsibilities regarding the authorization of farmers, farmers’ markets, roadside stands, and/or CSA programs. The State agency is responsible for the fiscal management of and accountability for SFMNP-related activities for farmers, farmers’ markets, roadside stands, and CSA programs. Each State agency may decide whether to authorize individual farmers and farmers’ markets separately, or to authorize only farmers’ markets. In addition, each State agency may decide whether to authorize roadside stands and/or CSA programs. The State agency may authorize a farmer for participation in a farmers’ market, a roadside stand, and/or CSA program simultaneously. All contracts or agreements entered into by the State agency for

§ 249.10

7 CFR Ch. II (1-1-12 Edition)

the management or operation of farmers, farmers' markets, roadside stands, and/or CSA programs shall conform to the requirements of part 3016 of this title.

(1) Only farmers, farmers' markets, and/or roadside stands authorized by the State agency may redeem SFMNP coupons. Only farmers authorized by the State agency, or having a valid agreement with an authorized farmers' market, may redeem coupons. Only CSA programs authorized by the State agency may receive payment from the State agency at the beginning of the planting season, in order to provide eligible foods to senior participants who are shareholders.

(2) The State agency must establish criteria for the authorization of individual farmers and/or farmers' markets, roadside stands, and/or CSA programs. Any authorized farmer, farmers' market, roadside stand and/or CSA program must agree to sell participants only those foods identified as eligible by the State agency. State agencies may determine farmers, farmers' markets and/or roadside stands as automatically authorized to participate in the SFMNP based on current authorization to operate in the FMNP under part 248 of this chapter. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the SFMNP, except individuals employed by a farmer otherwise qualified under these regulations, or individuals hired by a non-profit organization to sell produce at roadside stands on behalf of local farmers.

(3) The State agency must ensure that an appropriate number of farmers, farmers' markets, roadside stands, and/or CSA programs are authorized for adequate participant access in the area(s) proposed to be served and for effective management of the farmers, farmers' markets, roadside stands, and/or CSA programs by the State agency.

(4) The State agency may establish criteria to limit the number of authorized farmers, farmers' markets, and/or roadside stands.

(5) The State agency must limit the value of shares awarded to CSA programs to no more than 50 percent of

their total Federal SFMNP food grant, except in the case of a State agency that has grandfathered a CSA program model into the permanent SFMNP that uses more than 50 percent of the total Federal SFMNP food grant for the CSA program. The State agency shall make efforts to select the CSA program(s) that provides the greatest variety of eligible foods.

(6) The State agency may purchase bulk quantities of eligible foods directly from authorized farmers. Such foods must then be equitably divided among and distributed directly to eligible SFMNP participants. SFMNP participants who have received checks or coupons to purchase eligible foods earlier in the season may also receive foods through the bulk purchase option as long as the total combined value of the benefits provided to each SFMNP participant does not exceed \$50, as stipulated in § 249.8(b).

(7) The State agency shall ensure that training is conducted prior to start up of the first year of SFMNP participation of an individual farmer, farmers' market, roadside stand, and/or CSA program. The training shall include at a minimum those items listed in paragraph (d) of this section, and may be delivered in a variety of methods, including but not limited to classroom settings, telephone conferences, videoconferences, and web-based training modules.

(8) Authorized farmers shall display a sign stating that they are authorized to redeem SFMNP coupons.

(9) Authorized farmers, farmers' markets, roadside stands, and/or CSA programs shall comply with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Department of Agriculture regulations on non-discrimination (parts 15, 15a and 15b of this title), and FNS Instructions as outlined in § 249.7.

(10) The State agency shall ensure that there is no conflict of interest between the State or local agency and any participating farmer, farmers' market, roadside stand and/or CSA program.

Food and Nutrition Service, USDA

§ 249.10

(b) *Farmer, farmers' market, roadside stand, and/or CSA program agreements.* The State agency shall ensure that all participating farmers' markets, roadside stands, and/or CSA programs enter into written agreements with the State agency. State agencies that authorize individual farmers shall also enter into written agreements with the individual farmers. The agreement must be signed by a representative who has legal authority to obligate the farmer, farmers' market, roadside stand, and/or CSA program. Agreements must include a description of sanctions for noncompliance with SFMNP requirements and shall contain, at a minimum, the following specifications, although the State agency may determine the exact wording to be used:

(1) The farmer, farmers' market and/or roadside stand shall:

(i) Provide such information as the State agency may require for its periodic reports to FNS;

(ii) Assure that SFMNP coupons are redeemed only for eligible foods;

(iii) Provide eligible foods at or less than the price charged to other customers;

(iv) Accept SFMNP coupons within the dates of their validity and submit such coupons for payment within the allowable time period established by the State agency;

(v) In accordance with a procedure established by the State agency, mark each transacted coupon with a farmer identifier. In those cases where the agreement is between the State agency and the farmer and/or roadside stand, each transacted SFMNP coupon shall contain a farmer identifier and shall be batched for reimbursement under that identifier. In those cases where the agreement is between the State agency and the farmers' market, each transacted SFMNP coupon shall contain a farmer identifier and be batched for reimbursement under a farmers' market identifier.

(vi) Accept training on SFMNP procedures and provide training to farmers and any employees with SFMNP responsibilities on such procedures;

(vii) Agree to be monitored for compliance with SFMNP requirements, including both overt and covert monitoring;

(viii) Be accountable for actions of farmers or employees in the provision of eligible foods and related activities;

(ix) Pay the State agency for any coupons transacted in violation of this agreement;

(x) Offer SFMNP participants the same courtesies as other customers;

(xi) Comply with the nondiscrimination provisions of USDA regulations as provided in § 249.7; and

(xii) Notify the State agency if any farmer, farmers' market or roadside stand ceases operation prior to the end of the authorization period.

(2) The farmer, farmers' market and/or roadside stand shall neither:

(i) Seek restitution from SFMNP participants for coupons not paid by the State agency; nor

(ii) Issue cash change for purchases that are in an amount less than the value of the SFMNP coupon(s); nor

(iii) Collect tax on SFMNP coupon purchases.

(3) The CSA program shall:

(i) Provide such information as the State agency may require for its periodic reports to FNS;

(ii) Assure that SFMNP participants receive only eligible foods;

(iii) Provide eligible foods to their SFMNP shareholders at or less than the price charged to other customers;

(iv) Assure that the shareholder receives eligible foods that are of equitable value and quantity to their share;

(v) Assure that all funds from the State agency are used for planting of crops for SFMNP shareholders;

(vi) Provide to the State agency access to a tracking system that determines the value of the eligible foods provided and the remaining value owed to each SFMNP shareholder;

(vii) Assure that SFMNP shareholders/authorized representatives provide written acknowledgement of receipt of eligible foods;

(viii) Accept training on SFMNP procedures and provide training to farmers and any employees with SFMNP responsibilities for such procedures;

(ix) Agree to be monitored for compliance with SFMNP requirements, including both overt and covert monitoring;

§ 249.10

7 CFR Ch. II (1-1-12 Edition)

(x) Be accountable for actions of farmers or employees in the provision of eligible foods and related activities;

(xi) Offer SFMNP shareholders the same courtesies as other customers;

(xii) Notify the State agency immediately when the CSA program is experiencing a problem with its crops, and may be unable to provide SFMNP shareholders with the complete amount of eligible foods agreed upon between the CSA program and the State agency;

(xiii) Comply with the non-discrimination provisions of USDA regulations as provided in § 249.7; and

(xiv) Notify the State agency if any CSA program ceases operation prior to the end of the authorization period.

(4) The CSA program shall not substitute ineligible produce when eligible foods are not available.

(5) Neither the State agency nor the farmer, farmers' market, roadside stand, and/or CSA program has an obligation to renew the agreement. The State agency or the farmer, farmers' market, roadside stand and/or CSA program may terminate the agreement for cause after providing advance written notification.

(6) The State agency may deny payment to the farmer, farmers' market and/or roadside stand for improperly redeemed SFMNP coupons and may demand refunds for payments already made on improperly redeemed coupons.

(7) The State agency may demand a refund from any CSA program that fails to provide the full benefit to all SFMNP shareholders as specified in its contract, or that provides ineligible foods as substitutes for eligible foods.

(8) The State agency may disqualify a farmer, farmers' market, roadside stand, and/or CSA program for SFMNP violations. The farmer, farmers' market, roadside stand, and/or CSA program has the right to appeal a denial of an application to participate, a disqualification, or a SFMNP sanction by the State agency. Expiration of a contract or agreement with a farmer, farmers' market, roadside stand, and/or CSA program, and claims actions under § 249.20, are not appealable.

(9) A farmer, farmers' market, roadside stand, and/or CSA program, which commits fraud or engages in other ille-

gal activity is liable to prosecution under applicable Federal, State or local laws.

(10) Agreements may not exceed 3 years.

(c) *Agreements with farmers' markets that do not authorize individual farmers.* Those State agencies that authorize farmers' markets but not individual farmers shall require authorized farmers' markets to enter into a written agreement with each farmer within the market that is participating in SFMNP. The State agency must set forth the required terms for the agreement and provide a sample agreement that may be used.

(d) *Annual training for farmers, farmers' market managers and/or farmers that operate a roadside stand or CSA program.* State agencies shall conduct annual training for farmers, farmers' market managers, and/or farmers who operate a CSA program in the SFMNP. The State agency must conduct interactive training for all farmers and farmers' market managers who have never previously participated in the SFMNP. After a farmer/farmers' market manager's first year of SFMNP operation, State agencies have discretion in determining the method used for annual training purposes. At a minimum, annual training shall include instruction emphasizing:

(1) Eligible food choices;

(2) Proper SFMNP coupon redemption procedures, including deadlines for submission of coupons for payment, and/or receipt of payment for CSA programs' distribution of eligible foods;

(3) Equitable treatment of SFMNP participants, including the availability of eligible foods to SFMNP participants that are of the same quality and cost as that sold to other customers;

(4) Civil rights compliance and guidelines;

(5) Guidelines for storing SFMNP coupons safely; and

(6) Guidelines for cancelling SFMNP coupons, such as punching holes or rubber-stamping.

(e) *Monitoring and review of farmers, farmers' markets, roadside stands, CSA programs and local agencies.* The State agency shall be responsible for the monitoring of farmers, farmers' markets, roadside stands, CSA programs

and local agencies within its jurisdiction. This shall include developing a system for identifying high risk farmers, farmers' markets, roadside stands, and/or CSA programs, and ensuring on-site monitoring, conducting further investigation, and sanctioning of such farmers, farmers' markets, roadside stands, and/or CSA programs as appropriate. In States where both the SFMNP and the FMNP are in operation, these monitoring/review requirements may be coordinated to avoid duplication. If the same farmers, farmers' markets, and/or roadside stands are authorized for both programs, a review conducted by one program may be counted toward the requirement for the other program.

(1) Where coupon reimbursement responsibilities are delegated to farmers' market managers, farmers' market associations, or nonprofit organizations, the State agency may establish bonding requirements for these entities. Costs of such bonding are not reimbursable administrative expenses.

(2)(i) Each State agency shall rank participating farmers, farmers' markets, roadside stands, and/or CSA programs by risk factors, and shall conduct annual, on-site monitoring of at least 10 percent of farmers, 10 percent of farmers' markets, 10 percent of roadside stands, and 10 percent of the CSA programs or one of each program model, whichever is greater, which shall include those farmers, farmers' markets, roadside stands, and/or CSA programs identified as being the highest-risk.

(ii) Mandatory high-risk indicators include:

(A) A proportionately high volume of SFMNP coupons redeemed by a farmer within a farmers' market or at a single roadside stand (as compared to other farmers within the farmers' market or within the State);

(B) Participant complaints;

(C) In the case of CSA programs, an extended or ongoing inability to provide the full SFMNP benefit to each shareholder as contracted; and

(D) Farmers, farmers' markets, roadside stands, and/or CSA programs in their first year of SFMNP operation. States are encouraged to formally es-

tablish other high-risk indicators for identifying potential problems.

(iii) If additional high-risk indicators are established, they must be set forth in the farmers, farmers' market, roadside stand, and/or CSA program agreement and in the State Plan. If application of the high-risk indicators results in fewer than 10 percent of farmers, farmers' markets, roadside stands, and/or CSA programs being designated as high-risk, the State agency shall randomly select additional farmers, farmers' markets, roadside stands, and/or CSA programs to be monitored in order to meet the 10 percent minimum. The high-risk indicators listed above generally apply to a State agency already participating in the SFMNP. A State agency participating in the SFMNP for the first time shall, in lieu of applying the high-risk indicators, randomly select 10 percent of its participating farmers, 10 percent of its participating farmers' markets, 10 percent of its participating roadside stands, and 10 percent of its participating CSA programs or at least one farmers' market, roadside stand, and/or CSA program, whichever is greater, for monitoring visits.

(3)(i) The following shall be documented for all on-site monitoring visits to farmers, farmers' markets, roadside stands, and/or CSA programs, at a minimum:

(A) Names of both the farmer, farmers' market, roadside stand, and/or CSA program and the reviewer;

(B) Date of review;

(C) Nature of problem(s) detected or the observation that the farmer, farmers' market, roadside stand, and/or CSA program appears to be in compliance with SFMNP requirements;

(D) Record of interviews with participants, market managers, farmers, and/or farmers who operate a CSA program; and

(E) Signature of the reviewer.

(ii) Reviewers are not required to notify the farmer, farmers' market, roadside stand, and/or CSA program of the monitoring visit before, during, or immediately after the visit. The State agency shall do so after a reasonable delay when necessary to protect the identity of the reviewer(s) or the integrity of the investigation.

§ 249.10

7 CFR Ch. II (1-1-12 Edition)

(iii) In instances where the farmer, farmers' market, roadside stand, and/or CSA program will be permitted to continue participating in the SFMNP after being informed of any deficiencies detected by the monitoring visit, the farmer, farmers' market, roadside stand, and/or CSA program shall provide plans as to how the deficiencies will be corrected.

(4) At least every 2 years, the State agency must review all local agencies within its jurisdiction.

(f) *Control of SFMNP coupons.* The State agency must:

(1) Control and provide accountability for the receipt and issuance of SFMNP coupons;

(2) Ensure that there is secure transportation and storage of unissued SFMNP coupons; and

(3) Design and implement a system of review of SFMNP coupons to detect errors. At a minimum, the errors the system must detect are a missing participant signature (if such signature is required by the State agency), a missing farmer and/or market identification, and redemption by a farmer outside of the valid date. The State agency must have procedures in place to reduce the number of errors in transactions.

(g) *Payment to farmers, farmers' markets, roadside stands, and/or CSA programs.* The State agency must ensure that farmers, farmers' markets, roadside stands, and/or CSA programs are promptly paid for food costs.

(h) *Reconciliation of SFMNP coupons.* The State agency shall identify the disposition of all SFMNP coupons as validly redeemed, lost or stolen, expired, or not matching issuance records. Validly redeemed SFMNP coupons are those that are issued to a valid participant and redeemed by an authorized farmer, farmers' market, and/or roadside stand within valid dates. SFMNP coupons that were redeemed but cannot be traced to a valid participant or authorized farmer, farmers' market, and/or roadside stand shall be subject to claims action in accordance with § 249.20.

(1) If the State agency elects to replace lost, stolen or damaged SFMNP coupons, it must describe its system for doing so in the State Plan.

(2) The State agency must use uniform SFMNP coupons within its jurisdiction.

(3) SFMNP coupons must include, at a minimum, the following information:

(i) The last date by which the participant may use the coupon. This date shall be no later than November 30 of each year.

(ii) A date by which the farmer or farmers' market must submit the coupon for payment. When establishing this date, State agencies shall take into consideration the date financial statements are due to the FNS, and allow time for the corresponding coupon reconciliation that must be done by the State agency prior to submission of financial statements. Financial statements are due to FNS by January 30.

(iii) A unique and sequential serial number.

(iv) A denomination (dollar amount).

(v) A farmer identifier for the redeeming farmer when agreements are between the State agency and the farmer.

(vi) In those instances where State agencies have agreements with farmers' markets, there must be a farmer identifier on each coupon and a market identifier on the cover of coupons that are batched by the market manager for reimbursement.

(i) *Instructions to participants.* Each participant must receive instruction on the redemption of the SFMNP coupons, or participation in a CSA program (where applicable), including, but not limited to:

(1) A list of names and addresses of authorized farmers, farmers' markets, and/or roadside stands at which SFMNP coupons may be redeemed, or procedures on the home-delivery process;

(2) Procedures to designate a proxy;

(3) The name and address of the authorized farmer of the CSA program, and locations of distribution sites;

(4) A description of eligible foods and the prohibition against cash change for SFMNP purchases of eligible foods;

(5) A description of eligible foods that will be provided through the CSA program;

Food and Nutrition Service, USDA

§ 249.11

(6) A schedule outlining a timeframe for distribution of the eligible foods from the CSA program; and

(7) An explanation of his/her right to complain about improper farmer, farmers' market, roadside stand, and/or CSA program practices with regard to SFMNP responsibilities and the process for doing so.

(j) *Participant and farmer, farmers' market, roadside stand, and/or CSA program complaints.* The State agency must have procedures that document the handling of complaints from participants and farmers/farmers' markets, roadside stands, and/or CSA programs. Complaints of civil rights discrimination shall be handled in accordance with § 249.7(b).

(k) *Participant and farmer, farmers' market, roadside stand, and/or CSA program sanctions.* (1) The State agency must establish policies which determine the type and level of sanctions to be applied against participants and farmers, farmers' markets, roadside stands, and/or CSA programs based upon the severity and nature of the SFMNP violations observed, and such other factors as the State agency determines appropriate, such as whether repeated offenses have occurred over a period of time. Farmers, farmers' markets, roadside stands, and/or CSA programs may be sanctioned, disqualified, or both, when appropriate. Sanctions may include fines for improper SFMNP coupon redemption and the penalties outlined in § 249.20, in the case of deliberate fraud.

(2) In those instances where compliance purchases are conducted, the results of covert compliance purchases can be a basis for farmer, farmers' market, and/or roadside stand sanctions.

(3) A farmer, farmers' market, roadside stand, and/or CSA program committing fraud or other unlawful activities are liable to prosecution under applicable Federal, State or local laws.

(4) State agency policies must ensure that a farmer that is disqualified from the SFMNP at one market, roadside stand, or CSA program shall not participate in the SFMNP at any other farmers' market, roadside stand or CSA program in the State's jurisdiction during the disqualification period.

(5) State agency policies must ensure that a farmer, farmers' market, roadside stand, and/or CSA program that is disqualified from participating in the WIC Farmers' Market Nutrition Program is also disqualified from participating in the SFMNP in the State's jurisdiction during the disqualification period.

§ 249.11 Financial management system.

(a) *Disclosure of expenditures.* The State agency must maintain a financial management system that provides accurate, current and complete disclosure of the financial status of the SFMNP. This must include an accounting for all property and other assets and all SFMNP funds received and expended each fiscal year.

(b) *Internal controls.* The State agency shall maintain effective controls over and accountability for all SFMNP funds. The State agency must have effective internal controls to ensure that expenditures financed with SFMNP funds are authorized and properly chargeable to the SFMNP.

(c) *Record of expenditures.* The State agency must maintain records that adequately identify the source and use of funds expended for SFMNP activities. These records must contain, but are not limited to, information pertaining to authorization, receipt of funds, obligations, unobligated balances, assets, liabilities, outlays, and income.

(d) *Payment of costs.* The State agency must implement procedures that ensure prompt and accurate payment of allowable costs, and ensure the allowability and allocability of costs in accordance with the cost principles and standard provisions of this part, part 3016 of this title, and FNS guidelines and Instructions.

(e) *Identification of obligated funds.* The State agency must implement procedures that accurately identify obligated SFMNP funds at the time the obligations are made.

(f) *Resolution of audit findings.* The State agency shall implement procedures that ensure timely and appropriate resolution of claims and other

§ 249.12

7 CFR Ch. II (1–1–12 Edition)

matters resulting from audit findings and recommendations.

(g) *Reconciliation of food instruments.* The State agency must reconcile SFMNP coupons in accordance with § 249.10(h).

(h) *Transfer of cash.* The State agency must establish the timing and amounts of its cash draws against its Letter of Credit in accordance with 31 CFR part 205.

§ 249.12 SFMNP costs.

(a) *General*—(1) *Composition of allowable costs.* In general, a cost item will be deemed allowable if it is reasonable and necessary for SFMNP purposes and otherwise satisfies allowability criteria set forth in part 3016.22 of this title and this part. SFMNP purposes include the administration and operation of the SFMNP. Allowable SFMNP costs may be classified as follows:

(i) *Food costs and administrative costs.* Food costs are the costs of eligible foods provided to SFMNP participants. Administrative costs are the costs associated with providing SFMNP benefits and services to participants and generally administering the SFMNP. Specific examples of allowable administrative costs are listed in paragraph (b) of this section. A State agency may use up to 10 percent of its total Federal SFMNP grant to cover administrative costs. Any costs incurred for food and/or administration above the Federal grant level will be the State agency's responsibility.

(ii) *Direct and indirect costs.* Direct costs are food and administrative costs incurred specifically for the SFMNP. Indirect costs are administrative costs that benefit multiple programs or activities, and cannot be identified to any one program or activity without effort disproportionate to the results achieved. In accordance with the provisions of part 3016 of this title, a claim for reimbursement of indirect costs shall be supported by an approved allocation plan for the determination of such costs. An indirect cost rate developed through such an allocation plan may not be applied to a base that includes food costs.

(2) *Costs allowable with prior approval.* A State or local agency must obtain prior approval in accordance with part

3016.22 of this title before charging to the SFMNP any capital expenditures and other cost items designated by part 3016.22 of this title as requiring such approval.

(3) *Unallowable costs.* Costs that are not reasonable and necessary for SFMNP purposes, or that do not otherwise satisfy the cost principles of part 3016.22 of this title, are unallowable. Notwithstanding any other provision of part 3016 of this title or this Part, the cost of constructing or operating a farmers' market is unallowable. The use of SFMNP funds to supplement congregate meal programs is prohibited. Unallowable costs may never be claimed for Federal reimbursement.

(b) *Specified allowable administrative costs.* Allowable administrative costs include the following:

(1) The costs associated with administration and start-up;

(2) The costs associated with the provision of nutrition education that meets the requirements of § 249.9;

(3) The costs of SFMNP coupon issuance, or participant education covering proper coupon redemption procedures;

(4) The cost of eligibility determinations and outreach services;

(5) The costs associated with the coupon and market management process, such as printing SFMNP coupons, processing redeemed coupons, purchasing bags or other containers to be used in home-delivery and bulk purchase operations, and training farmers, market managers, and/or farmers who operate CSA programs on SFMNP operations;

(6) The cost of monitoring and reviewing Program operations;

(7) The cost of SFMNP training;

(8) The cost of required reporting and recordkeeping;

(9) The cost of determining which local sites will be utilized;

(10) The cost of recruiting and authorizing farmers, farmers' markets, roadside stands, and/or CSA programs to participate in the SFMNP;

(11) The cost of preparing contracts for farmers, farmers' markets, roadside stands, and/or CSA programs;

(12) The cost of developing a data processing system for redemption and reconciliation of SFMNP coupons;

Food and Nutrition Service, USDA

§ 249.14

(13) The cost of designing program training and informational materials; and

(14) The cost of coordinating SFMNP responsibilities between designated administering agencies.

§ 249.13 Program income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency must retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in part 3016.25(g)(2) of this title. Fines, penalties or assessments paid by local agencies or farmers, farmers' markets, roadside stands, and/or CSA program are also deemed to be Program income. The State agency must ensure that the sources and applications of Program income are fully documented.

§ 249.14 Distribution of funds to State agencies.

(a) *State Plan and agreement.* As a prerequisite to the receipt of Federal funds, a State agency must have its State Plan approved and must execute an agreement with FNS in accordance with § 249.3(c).

(b) *Distribution of SFMNP funds to previously participating State agencies.* Provided that sufficient SFMNP funds are available, each State agency that participated in the SFMNP in any prior fiscal year shall receive not less than the amount of funds the State agency received in the most recent fiscal year in which it received funding, if it otherwise complies with the requirements established in this Part.

(c) *Ratable reduction.* If amounts appropriated for any fiscal year for grants under the SFMNP are not sufficient to pay to each previously participating State agency at least an amount as identified in paragraph (b) of this section, each State agency's grant must be ratably reduced. However, to the extent permitted by available funds, each State agency shall re-

ceive at least \$75,000 or the amount that the State agency received for the most recent prior fiscal year in which the State participated, if that amount is less than \$75,000.

(d) *Expansion of participating State agencies and establishment of new State agencies.* Any SFMNP funds remaining for allocation after meeting the requirements of paragraph (b) of this section shall be allocated in the following manner:

(1) Of the remaining funds, 75 percent shall be made available to State agencies already participating in the SFMNP that wish to serve additional participants or increase the current benefit level. If this amount is greater than that necessary to satisfy all State Plans approved for expansion, the unallocated amount shall be applied toward satisfying any unmet need in paragraph (d)(2) of this section.

(2) Of the remaining funds, 25 percent shall be made available to State agencies that have not participated in the SFMNP in any prior fiscal year. If this amount is greater than that necessary to satisfy the approved State Plans for new States, the unallocated amount shall be applied toward satisfying any unmet need in paragraph (d)(1) of this section. FNS reserves the right not to fund every State agency with an approved State Plan.

(e) *Expansion for current State agencies.* In providing funds to State agencies that participated in the SFMNP in the previous fiscal year, FNS must consider on a case-by-case basis the following factors:

(1) Whether the State agency utilized at least 80 percent of its prior year food grant. States that did not spend at least 80 percent of their prior year food grant may still be eligible for expansion funding if, in the judgment of FNS, good cause existed which was beyond the management control of the State, such as severe weather conditions or unanticipated decreases in participant caseload;

(2) Documentation supporting the funds expansion request as outlined in § 249.4(a)(23); and

(3) Whether the State agency currently issues a participant benefit greater than \$50. Such State agencies

§ 249.15

will not be eligible to receive additional SFMNP funds for expansion until the maximum participant benefit no longer exceeds \$50.

(f) *Funding of new State agencies.* Funds will be awarded to new SFMNP State agencies in accordance with § 249.5.

(g) *Administrative funding.* A State agency will have available for administrative costs an amount not greater than 10 percent of the total SFMNP funds it receives.

(h) *Recovery of unused funds.* State agencies must return to FNS any unexpended funds made available for a given fiscal year by February 1 of the following fiscal year.

§ 249.15 Closeout procedures.

(a) *General.* State agencies must submit to FNS a final closeout report for the fiscal year on a form prescribed by FNS and on a date specified by FNS.

(b) *Grant closeout procedures.* When grants to State agencies are terminated, the following procedures shall be followed in accordance with part 3016 of this title.

(1) FNS may disqualify a State agency's participation under the SFMNP, in whole or in part, or take such remedies as may be appropriate, whenever FNS determines that the State agency failed to comply with the conditions prescribed in this part, in its Federal-State Agreement, or in FNS guidelines and Instructions. FNS will promptly notify the State agency in writing of the disqualification together with the effective date.

(2) FNS may terminate a grant when both parties agree that continuation under the SFMNP would not produce beneficial results commensurate with the further expenditure of funds.

(3) Upon termination of a grant, the affected agency may not incur new obligations after the effective date of the disqualification, and must cancel as many outstanding obligations as possible. FNS will allow full credit to the State agency for the Federal share of the noncancellable obligations properly incurred by the State agency prior to disqualification, and the State agency shall do the same for farmers, farmers' markets, roadside stands, and/or CSA programs.

7 CFR Ch. II (1-1-12 Edition)

(4) A grant closeout shall not affect the retention period for, or Federal rights of access to, SFMNP records as specified in § 249.23(a). The closeout of a grant does not affect the responsibilities of the State agency regarding property or with respect to any SFMNP income for which the State agency is still accountable.

(5) A final audit is not a required part of the grant closeout and should not be needed unless there are problems with the grant that require attention. If FNS considers a final audit to be necessary, it shall so inform OIG. OIG will be responsible for ensuring that necessary final audits are performed and for any necessary coordination with other Federal cognizant audit agencies or State or local auditors. Audits performed in accordance with § 249.18 may serve as final audits providing such audits meet the needs of requesting agencies. If the grant is closed out without an audit, FNS reserves the right to disallow and recover an appropriate amount after fully considering any recommended disallowances resulting from an audit which may be conducted later.

§ 249.16 Administrative appeal of State agency decisions.

(a) *Requirements.* The State agency shall provide a hearing procedure whereby applicants, participants, local agencies and farmers, farmers' markets, roadside stands, and/or CSA programs adversely affected by certain actions of the State agency may appeal those actions.

(1) *What may be appealed.* (i) An applicant may appeal denial of certification of SFMNP benefits, except that no appeal is available if certification is denied solely because of the lack of sufficient funding to provide SFMNP benefits to all eligible applicants.

(ii) A participant may appeal disqualification/suspension of SFMNP benefits.

(iii) A local agency may appeal an action of the State agency disqualifying it from participating in the SFMNP.

(iv) A farmer, farmers' market, roadside stand, and/or CSA program may appeal an action of the State agency denying its application to participate,

imposing a sanction, or disqualifying it from participating in the SFMNP.

(2) *What may not be appealed.* Expiration of a contract or agreement shall not be subject to appeal.

(b) *Time limit for request.* The State or local agency must provide individuals, local agencies, farmers, farmers' markets, roadside stands, and/or CSA programs a reasonable period of time to request a fair hearing. Such time limit must not be less than 30 days from the date the agency mails or otherwise issues the notice of adverse action.

(c) *Postponement pending decision.* An adverse action may, at the State agency's option, be postponed until a decision in the appeal is rendered.

(1) In a case where an adverse action affects a local agency or farmer, farmers' market, roadside stand, and/or CSA program, a postponement is appropriate where the State agency finds that participants would be unduly inconvenienced by the adverse action. In addition, the State agency may determine other relevant criteria to be considered in deciding whether or not to postpone an adverse action.

(2) Applicants who are denied benefits at initial certification may appeal the denial, but must not receive SFMNP benefits while awaiting the hearing. Participants who appeal the termination of benefits within the period of time provided under paragraph (b) of this section must continue to receive Program benefits until the hearing official reaches a decision or the certification period expires, whichever occurs first. This does not apply to participants whose certification period has already expired or who become otherwise ineligible for SFMNP benefits. Participants who become ineligible during a certification, or whose certification period expires, may appeal the termination, but must not receive benefits while awaiting the hearing.

(d) *Procedure.* The State agency hearing procedure shall at a minimum provide the participant, local agency or farmer, farmers' market, roadside stand, and/or CSA program with the following:

(1) Written notification of the adverse action, the cause(s) for the action, and the effective date of the action, including the State agency's de-

termination of whether the action shall be postponed under paragraph (c) of this section if it is appealed, and the opportunity for a hearing. Such notification shall be provided within a reasonable timeframe established by the State agency and in advance of the effective date of the action.

(2) The opportunity to appeal the action within the time specified by the State agency in its notification of adverse action.

(3) Adequate advance notice of the time and place of the hearing to provide all parties involved sufficient time to prepare for the hearing.

(4) The opportunity to present its case and at least one opportunity to reschedule the hearing date upon specific request. The State agency may set standards on how many hearing dates can be scheduled, provided that a minimum of two hearing dates is allowed.

(5) The opportunity to confront and cross-examine adverse witnesses.

(6) The opportunity to be represented by counsel or, in the case of a participant appeal, by a representative designated by the participant, if desired.

(7) The opportunity to review the case record prior to the hearing.

(8) An impartial decision maker, whose decision as to the validity of the State agency's action shall rest solely on the evidence presented at the hearing and the statutory and regulatory provisions governing the SFMNP. The basis for the decision shall be stated in writing, although it need not amount to a full opinion or contain formal findings of fact and conclusions of law.

(9) Written notification of the decision in the appeal, within 60 days from the date of receipt of the request for a hearing by the State agency.

(e) *Continuing responsibilities.* When a farmer, farmers' market, roadside stand, CSA program, and/or local agency appeals an adverse action (and is permitted to continue in the SFMNP while its appeal is pending), it continues to be responsible for compliance with the terms of the written agreement or contract with the State agency.

(f) *Judicial review.* If a State level decision is rendered against the participant, local agency, farmer, farmers' market, roadside stand, and/or CSA

program and the appellant expresses an interest in pursuing a further review of the decision, the State agency shall explain any further State level review of the decision and any available State level rehearing process. If neither is available or both have been exhausted, the State agency shall explain the right to pursue judicial review of the decision.

(g) *Additional appeals procedures for State agencies that authorize farmers' markets and not individual farmers.* A State agency that authorizes farmers' markets and not individual farmers shall ensure that procedures are in place to be used when a farmer seeks to appeal an action of a farmers' market or association denying the farmer's application to participate, or sanctioning or disqualifying the farmer. The procedures shall be set forth in the State Plan and in the agreements entered into by the State agency and the farmers' market and the farmers' market and the farmer.

Subpart F—Monitoring and Review of State Agencies

§ 249.17 Management evaluations and reviews.

(a) *General.* FNS and each State agency shall establish a management evaluation system in order to assess the accomplishment of SFMNP objectives as provided under these regulations, the State Plan, and the written agreement with FNS. FNS will:

- (1) Provide assistance to State agencies in discharging this responsibility;
- (2) Establish standards and procedures to determine how well the objectives of this part are being accomplished; and
- (3) Implement sanction procedures as warranted by State SFMNP performance.

(b) *Responsibilities of FNS.* FNS will establish evaluation procedures to determine whether State agencies carry out the purposes and provisions of this part, the State Plan, and the written agreement with FNS. As a part of the evaluation procedure, FNS will review audits to ensure that the SFMNP has been included in audit examinations at a reasonable frequency. These evaluations shall also include reviews of se-

lected local agencies, and on-site reviews of selected farmers, farmers' markets, roadside stands, and community supported agriculture programs. These evaluations will measure the State agency's progress toward meeting the objectives outlined in its State Plan and the State agency's compliance with these regulations.

(1) FNS may withhold up to 10 percent of the State agency's total SFMNP grant if FNS determines that the State agency has:

- (i) Failed, without good cause, to demonstrate efficient and effective administration of its SFMNP; or
- (ii) Failed to comply with the requirements contained in this section or the State Plan.

(2) Sanctions imposed upon a State agency by FNS in accordance with this section (but not claims for repayment assessed against a State agency) may be appealed in accordance with the procedures established in § 249.20(a). Before carrying out any sanction against a State agency, the following procedures will be followed:

(i) FNS will notify the chief departmental officer of the administering agency in writing of the deficiencies found and of FNS' intention to withhold administrative funds unless an acceptable corrective action plan is submitted by the State agency to FNS within 45 days after mailing of notification.

(ii) The State agency shall develop a corrective action plan, including timeframes for implementation to address the deficiencies and prevent their future recurrence.

(iii) If the corrective action plan is acceptable, FNS will notify the chief departmental officer of the administering agency in writing within 30 days of receipt of the plan. The letter will advise the State agency of the sanctions to be imposed if the corrective action plan is not implemented according to the schedule set forth in the approved plan.

(iv) Upon notification from the State agency that corrective action has been taken, FNS will assess such action and, if necessary, perform a follow-up review to determine if the noted deficiencies have been corrected. FNS will

Food and Nutrition Service, USDA

§ 249.18

then advise the State agency of whether the actions taken are in compliance with the corrective action plan, and whether the deficiency is resolved or further corrective action is needed. Compliance buys can be required if, during FNS management evaluations by regional offices, a State agency is found to be out of compliance with its responsibility to monitor and review farmers, farmers' markets, roadside stands, and community supported agriculture programs.

(v) If an acceptable corrective action plan is not submitted within 45 days, or if corrective action is not completed according to the schedule established in the corrective action plan, FNS may withhold the award of SFMNP administrative funds. If the 45-day warning period ends in the fourth quarter of a fiscal year, FNS may elect not to withhold funds until the next fiscal year. In such an event, FNS will notify the chief departmental officer of the administering State agency.

(vi) If compliance is achieved before the end of the fiscal year in which the SFMNP administrative funds are withheld, the funds withheld may be restored to the State agency. FNS is not required to restore funds withheld beyond the end of the fiscal year for which the funds were initially awarded.

(c) *Responsibilities of State agencies.* The State agency is responsible for meeting the following requirements:

(1) The State agency must establish evaluation and review procedures and document the results of such procedures. The procedures must include, but are not limited to:

(i) Conducting annual monitoring reviews of participating farmers' markets, roadside stands, and community supported agriculture programs. This includes on-site reviews of a minimum of 10 percent of farmers and 10 percent of each type of authorized outlet (farmers' markets, roadside stands, and community supported agriculture programs), and includes those farmers and authorized outlets identified as being at the highest risk. The first year of operation in the SFMNP shall be considered a high-risk indicator. More frequent reviews may be performed, as the State agency deems necessary. In States where both the SFMNP and the

WIC Farmers' Market Nutrition Program are in operation, these reviews may be coordinated to avoid duplication. A review by one program may be counted by the other program toward the monitoring requirement, provided that appropriate sanction action is taken for all violations found.

(ii) Conducting monitoring reviews of all local agencies within the State agency's jurisdiction at least once every 2 years. Monitoring of local agencies shall encompass, but not be limited to, evaluation of management, accountability, certification, nutrition education, financial management systems, and coupon and/or CSA program management systems. When the State agency conducts a local agency review outside of the SFMNP season, a review of documents and procedural plans of the SFMNP, rather than actual SFMNP activities, is acceptable.

(iii) Instituting the necessary follow-up procedures to correct identified problem areas.

(2) On its own initiative or when required by FNS, the State agency must provide special reports on SFMNP activities, and take positive action to correct deficiencies in SFMNP operations.

§ 249.18 Audits.

(a) *Federal access to information.* The Secretary of the U.S. Department of Agriculture, the Comptroller General of the United States, or any of their duly authorized representatives, or duly authorized State auditors shall have access to any books, documents, papers, and records of the State agency and their contractors, for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

(b) *State agency response.* The State agency may take exception to particular audit findings and recommendations. The State agency shall submit a response or statement to FNS as to the action taken or planned regarding the findings. A proposed corrective action plan developed and submitted by the State agency must include specific time frames for its implementation and for completion of the correction of deficiencies and problems leading to the deficiencies.

(c) *Corrective action.* FNS will determine whether SFMNP deficiencies identified in an audit have been adequately corrected. If additional corrective action is necessary, FNS shall schedule a follow-up review, allowing a reasonable time for such corrective action to be taken.

(d) *State sponsored audits.* State and local agencies must conduct independent audits in accordance with parts 3015, 3016 (§3016.26 of this title), or 3051 of this title, as applicable. A State or local agency may elect to obtain either an organization-wide audit or an audit of the Program if it qualifies to make such an election under applicable regulations.

§ 249.19 Investigations.

(a) *Authority.* FNS may make an investigation of any allegation of non-compliance with this part and FNS guidelines and instructions. The investigation may include, where appropriate, a review of pertinent practices and policies of any State and local agency, the circumstances under which the possible noncompliance with this Part occurred, and other factors relevant to a determination as to whether the State and local agency has failed to comply with the requirements of this Part.

(b) *Confidentiality.* No State or local agency, participant, or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege under this Part because that person has made a complaint or formal allegation, or has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this Part. The identity of every complainant shall be kept confidential except to the extent necessary to carry out the purposes of this Part, including the conducting of any investigation, hearing, or judicial proceeding.

Subpart G—Miscellaneous Provisions

§ 249.20 Claims and penalties.

(a) *Claims against State agencies.* (1) If FNS determines through a review of the State agency’s reports, program or

financial analysis, monitoring, audit, or otherwise, that any SFMNP funds provided to a State agency for food or administrative purposes were, through State agency negligence or fraud, misused or otherwise diverted from SFMNP purposes, a formal claim will be assessed by FNS against the State agency. The State agency must pay promptly to FNS a sum equal to the amount of the administrative funds or the value of coupons and/or eligible foods so misused or diverted.

(2) If FNS determines that any part of the SFMNP funds received, coupons printed, and/or eligible foods otherwise lost by a State agency were lost as a result of theft, embezzlement, or unexplained causes, the State agency must, on demand by FNS, pay to FNS a sum equal to the amount of the money or the value of the SFMNP funds or coupons/eligible foods so lost.

(3) The State agency will have full opportunity to submit evidence, explanation or information concerning alleged instances of noncompliance or diversion before a final determination is made in such cases.

(4) FNS is authorized to establish claims against a State agency for unreconciled SFMNP coupons, and/or for failure to comply with the terms of duly executed CSA program contracts or agreements. When a State agency can demonstrate that all reasonable management efforts have been devoted to reconciliation and 99 percent or more of the SFMNP coupons issued, or of the eligible foods contracted for delivery by the CSA program, have been accounted for by the reconciliation process, FNS may determine that the reconciliation process has been completed to satisfaction.

(b) *Interest charge on claims against State agencies.* If an agreement cannot be reached with the State agency for payment of its debts or for offset of debts on its current Letter of Credit within 30 days from the date of the first demand letter from FNS, FNS will assess an interest (late) charge against the State agency. Interest accrual shall begin on the 31st day after the date of the first demand letter, bill or claim, and shall be computed monthly on any unpaid balance as long as the debt exists. From a source other than

Food and Nutrition Service, USDA

§ 249.23

the SFMNP, the State agency shall provide the funds necessary to maintain SFMNP operations at the grant level authorized by FNS.

§ 249.21 Procurement and property management.

(a) *Requirements.* State agencies must comply with the requirements of part 3016 of this title for procurement of supplies, equipment and other services with SFMNP funds. These requirements are adopted for use by FNS to ensure that such materials and services are obtained for the SFMNP in an effective manner and in compliance with the provisions of applicable laws and executive orders.

(b) *Contractual responsibilities.* The standards contained in part 3016 of this title do not relieve the State agency of the responsibilities arising under its contracts. The State agency is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the SFMNP. This includes, but is not limited to, disputes, claims, protests of award, source evaluation, or other matters of a contractual nature. Matters concerning violation of law are to be referred to such local, State or Federal authority as may have proper jurisdiction.

(c) *State regulations.* The State agency may use its own procurement regulations provided that:

(1) Such regulations reflect applicable State and local regulations; and

(2) Any procurements made with SFMNP funds adhere to the standards set forth in part 3016 of this title.

(d) *Property acquired with program funds.* State and local agencies shall observe the standards prescribed in part 3016 of this title in their utilization and disposition of real property and equipment acquired in whole or in part with SFMNP funds.

§ 249.22 Nonprocurement debarment/suspension, drug-free workplace, and lobbying restrictions.

The State agency must ensure compliance with the requirements of FNS' regulations governing nonprocurement debarment/suspension (part 3017 of this

title) and drug-free workplace (part 3021 of this title), as well as FNS' regulations governing restrictions on lobbying (part 3018 of this title), where applicable.

§ 249.23 Records and reports.

(a) *Recordkeeping requirements.* Each State agency must maintain full and complete records concerning SFMNP operations. Such records must comply with part 3016 of this title and the following requirements:

(1) Records must include, but not be limited to, information pertaining to certification, financial operations, SFMNP coupon issuance and redemption, authorized outlet (farmers, farmers' markets, and CSA program) agreements, authorized outlet monitoring, CSA program agreements, invoices, delivery receipts, equipment purchases and inventory, nutrition education, fair hearings, and civil rights procedures.

(2) All records must be retained for a minimum of 3 years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the 3-year period, the records must be kept until all issues are resolved, or until the end of the regular 3-year period, whichever is later. If FNS deems any of the SFMNP records to be of historical interest, it may require the State agency to forward such records to FNS whenever the State agency is disposing of them.

(3) Records for nonexpendable property acquired in whole or in part with SFMNP funds must be retained for three years after its final disposition.

(4) All records must be available during normal business hours for representatives of FNS of the Comptroller General of the United States to inspect, audit, and copy. Any reports resulting from such examinations shall not divulge names of individuals.

(b) *Financial and participant reports.* State agencies must submit financial and SFMNP performance data on a yearly basis as specified by FNS. Such information must include, but shall not be limited to:

§ 249.24

(1) Number of participants served with Federal SFMNP funds;

(2) Value of coupons issued and/or eligible foods ordered under CSA programs;

(3) Value of coupons redeemed and/or eligible foods provided to participants under CSA programs; and

(4) Number of authorized outlets by type; i.e., farmers, farmers' markets, roadside stands, and CSA programs.

(c) *Source documentation.* To be acceptable for audit purposes, all financial and SFMNP performance reports must be traceable to source documentation.

(d) *Certification of reports.* Financial and SFMNP reports must be certified as to their completeness and accuracy by the person given that responsibility by the State agency.

(e) *Use of reports.* FNS will use State agency reports to measure progress in achieving objectives set forth in the State Plan, and this part, or other State agency performance plans. If it is determined, through review of State agency reports, SFMNP or financial analysis, or an audit, that a State agency is not meeting the objectives set forth in its State Plan, FNS may request additional information including, but not limited to, reasons for failure to achieve these objectives.

§ 249.24 Data safeguarding procedures.

FNS and SFMNP State agencies will take reasonable steps to keep applicant and participant information/records private to the extent provided by law. Such steps include a requirement for each State agency to restrict the use or disclosure of information obtained from SFMNP applicants and participants to:

(a) Persons directly connected with the administration or enforcement of the SFMNP, including persons investigating or prosecuting violations in the SFMNP under Federal, State or local authority;

(b) Representatives of public organizations designated by the chief State agency officer (or, in the case of Indian Tribal governments acting as SFMNP State agencies, the governing authority) that administer food, nutrition, or other assistance programs that serve persons categorically eligible for the

7 CFR Ch. II (1–1–12 Edition)

SFMNP. The State agency must execute a written agreement with each such designated organization:

(1) Specifying that the receiving organization may employ SFMNP information only for the purpose of establishing the eligibility of SFMNP applicants and participants for food, nutrition, or other assistance programs that it administers and conducts outreach to SFMNP applicants and participants for such programs; and

(2) Containing the receiving organization's assurance that it will not, in turn, disclose the information to a third party.

(c) The Comptroller General of the United States for audit and examination authorized by law.

§ 249.25 Other provisions.

(a) *No aid reduction.* Any programs for which a grant is received under this part shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 as amended (7 U.S.C. 2011, et seq.) and to any other Federal or State food or nutrition assistance program.

(b) *Statistical information.* FNS reserves the right to use information obtained under the SFMNP in a summary, statistical or other form that does not identify particular individuals.

(c) *Exclusion of benefits in determining eligibility for other programs.* The value of any benefit provided to any eligible SFMNP recipient shall not be considered to be income or resources for any purposes under any Federal, State or local law.
