§ 220.15 Management evaluations and audits.

(a) Unless otherwise exempt, audits at the State and institution levels shall be conducted in accordance with Office of Management and Budget Circular A–133 and the Department’s implementing regulations at 7 CFR part 3052. For availability of the OMB Circular mentioned in this paragraph, please refer to 5 CFR 1310.3.

(b) Each State agency shall provide FNS with full opportunity to conduct management evaluations (including visits to schools) of all operations of the State agency under the programs covered by this part and shall provide OIG with full opportunity to conduct audits (including visits to schools) of all operations of the State agency under such programs. Each State agency shall make available its records, including records of the receipt and expenditure of funds under such programs, upon a reasonable request by FNS or OIG. OIG shall also have the right to make audits of the records and operations of any school.

(c) In conducting management evaluations, reviews, or audits in a fiscal year, the State agency, FNS, or OIG may disregard an overpayment if the overpayment does not exceed $600. A State agency may establish, through State law, regulation or procedure, an alternate disregard threshold that does not exceed $600. This disregard may be made once per each management evaluation, review, or audit per Program within a fiscal year. However, no overpayment is to be disregarded where there is substantial evidence of violations of criminal law or civil fraud statutes.

§ 220.16 Procurement standards.

(a) General. State agencies and school food authorities shall comply with the requirements of this part and parts 3015, 3016 and 3019 of this title, as applicable, which implement the applicable Office of Management and Budget Circulars, concerning the procurement of all goods and services with nonprofit school food service account funds.

(b) Contractual responsibilities. The standards contained in 7 CFR part 3016 or 7 CFR part 3019, as applicable, do not relieve the State agency or School Food Authority of any contractual responsibilities under its contract. The State agency or School Food Authority is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the Program. This includes but is not limited to: source evaluation, protests, disputes, claims, or other matters of a contractual nature. Matters concerning violation of law are to be referred to the local.
