§ 226.17  Child care center provisions.

(a) Child care centers may participate in the Program either as independent centers or under the auspices of a sponsoring organization; provided, however, that public and private nonprofit centers shall not be eligible to participate in the Program under the auspices of a for-profit sponsoring organization. Child care centers participating as independent centers shall comply with the provisions of §226.15.

(b) All child care centers, independent or sponsored, shall meet the following requirements

(1) Child care centers must have Federal, State, or local licensing or approval to provide day care services to children. Child care centers, which are complying with applicable procedures to renew licensing or approval, may participate in the Program during the renewal process, unless the State agency has information that indicates that renewal will be denied. If licensing or approval is not available, a child care center may participate if it demonstrates compliance with the CACFP child care standards or any applicable State or local child care standards to the State agency.

(2) Except for for-profit centers, child care centers shall be public, or have tax exempt status under the Internal Revenue Code of 1986.

(3) Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20. For-profit child care centers may not claim reimbursement for meals served to children in any month in which less than 25 percent of the children in care (enrolled or licensed capacity, whichever is less) were eligible for free or reduced price meals or were title XX beneficiaries. However, children who only receive at-risk after-school snacks and/or at-risk after-school meals must not be included in this percentage. Menus and any other nutritional records required by the State agency shall be maintained to document compliance with such requirements.

(5) A child care center with preschool children may also be approved to serve a breakfast, snack, and supper to school-age children participating in an outside-school-hours care program meeting the criteria of §226.19(b) that is distinct from its day care program for preschool-age children. The State agency may authorize the service of lunch to such participating children who attend a school that does not offer a lunch program, provided that the limit of two meals and one snack, or
