2. It demonstrates compliance with CACFP child care standards or applicable State or local child care standards to the State agency.

(b) Day care homes participating in the program shall operate under the auspices of a public or private nonprofit sponsoring organization. Sponsoring organizations shall enter into a written permanent agreement with each sponsored day care home which specifies the rights and responsibilities of both parties. Nothing in the preceding sentence shall be construed to limit the ability of the sponsoring organization to suspend or terminate the permanent agreement in accordance with §226.16(l). This agreement shall be developed by the State agency, unless the State agency elects, at the request of the sponsor, to approve an agreement developed by the sponsor. At a minimum, the agreement shall embody:

The sponsoring organization must not withhold Program payments to any family day care home for any other reason, except that the sponsoring organization may withhold from the provider any amounts that the sponsoring organization has reason to believe are invalid, due to the provider having submitted a false or erroneous meal count;
8. The right of the sponsoring organization or the day care home to terminate the agreement for cause or, subject to stipulations by the State agency, convenience;

(13) The State agency’s policy to restrict transfers of day care homes between sponsoring organizations;

(14) The responsibility of the day care home to notify their sponsoring organization in advance whenever they are planning to be out of their home during the meal service period. The agreement must also state that, if this procedure is not followed and an unannounced review is conducted when the children are not present in the day care home, claims for meals that would have been served during the unannounced review will be disallowed;

(15) The day care home’s opportunity to request an administrative review if a sponsoring organization issues a notice of proposed termination of the day care home’s Program agreement, or if a sponsoring organization suspends participation due to health and safety concerns, in accordance with § 226.6(1)(2); and

Payment may be made for meals served to the provider’s own children only when (1) such children are enrolled and participating in the child care program during the time of the meal service, (2) enrolled nonresident children are present and participating in the child care program and (3) providers’ children are eligible to receive free or reduced-price meals. Reimbursement may not be claimed for meals served to children who are not enrolled, or for meals served at any one time to children in excess of the home’s authorized capacity or for meals served to providers’ children who are not eligible for free or reduced-price meals.
