§ 247.35 Local agency appeals of State agency actions.
(a) What recourse must the State agency provide local agencies to appeal a decision that adversely affects their participation in CSFP? The State agency must establish a hearing procedure to allow local agencies to appeal a decision that adversely affects their participation in CSFP—e.g., the termination of a local agency’s participation in the program. The adverse action must be postponed until a decision on the appeal is made.
(b) What must the State agency include in the hearing procedure to ensure that the local agency has a fair chance to present its case? The hearing procedure must provide the local agency:
(1) Adequate advance notice of the time and place of the hearing;
(2) An opportunity to review the record before the hearing, and to present evidence at the hearing;
(3) An opportunity to confront and cross-examine witnesses; and
(4) An opportunity to be represented by counsel, if desired.
(c) Who conducts the hearing and how is a decision on the appeal made? The hearing must be conducted by an impartial person who must make a decision on the appeal that is based solely on the evidence presented at the hearing, and on program legislation and regulations. A decision must be made within 60 days from the date of the request for a hearing, and must be provided in writing to the local agency.

§ 247.36 Confidentiality of applicants or participants.
(a) Can the State or local agency disclose information obtained from applicants or participants to other agencies or individuals? State and local agencies must restrict the use or disclosure of information obtained from CSFP applicants or participants to persons directly connected with the administration or enforcement of the program, including persons investigating or prosecuting program violations. The State or local agency must exchange participant information with other health or welfare programs for the purpose of preventing dual participation. In addition, with the consent of the participant, as indicated on the application form, the State or local agency may share information obtained with other health or welfare programs for use in determining eligibility for those programs, or for program outreach. However, the State agency must sign an agreement with the administering agencies for these programs to ensure that the information will be used only for the specified purposes, and that agencies receiving such information will not further share it.
(b) Can the State or local agency disclose the identity of persons making a complaint or allegation against another individual participating in or administering the program? The State or local agency must protect the confidentiality, and other rights, of any person making allegations or complaints against another individual participating in, or administering CSFP, except as necessary to conduct an investigation, hearing, or judicial proceeding.

§ 247.37 Civil rights requirements.
(a) What are the civil rights requirements that apply to CSFP? State and local agencies must comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794 et seq.), the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), and titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.). State and local agencies must also comply with the Department’s regulations on non-discrimination (parts 15, 15a, and 15b of this title), and with the provisions of FNS Instruction 113–2, including the collection of racial/ethnic participation data and public notification of non-discrimination policy. State and local agencies must ensure that no person shall, on the grounds of race, color, national origin, age, sex, or disability, be subjected to discrimination under the program.
(b) How does an applicant or participant file a complaint of discrimination?
