§ 505.1 Scope and purpose.

These regulations establish fees for loans, paper copying, duplication, or reproduction of materials in the collections of the National Agricultural Library (NAL) within the United States Department of Agriculture (USDA).

§ 505.2 Fees for loans of materials in library collections.

(a) NAL will make loans of original materials from its collections, and charge fees for such loans, to other non-Federal and non-USDA libraries and institutions in the United States and Canada only. Loans will not be made directly to individuals.

(b) Loans will be made at a flat fee of $15.00 per loaned item.

(c) Cost for replacement of lost or damaged items will be the actual cost to purchase a replacement plus a $50.00 processing fee; or if the cost cannot be determined, a flat rate of $75.00 for monographs or $150.00 for audiovisuals per item, plus a $50.00 processing fee.

(d) All services in this section will incur a billing surcharge, currently $10.00, per invoice generated in addition to the above fees. This fee is a direct cost recovery based on charges to the library by the billing vendor and is subject to change. Interlibrary loan requests submitted by participants in the IFLM program on OCLC will not incur the billing surcharge as their activities will not generate an invoice.

§ 505.3 Fees for paper copying, duplicating, and reproduction of materials in library collections.

(a) Photocopy reproduction of paper copy will be set as a flat fee of $13.00 per each 5 microfiche duplicated or fraction thereof. Duplication of NAL owned microfilm will be charged a flat fee of $20.00 for each reel produced.

(b) Photographic services from NAL Special Collections will be charged at cost for reproduction of the photo product (slides, transparencies, etc.) plus a preparation fee of $25.00 per half hour or fraction thereof.

(c) Duplication of NAL owned microfiche will be charged a flat fee of $13.00 per each 5 microfiche duplicated or fraction thereof. Duplication of NAL owned microfilm will be charged a flat fee of $20.00 for each reel produced.

§§ 505.4–505.5 [Reserved]

§ 505.6 Payment of fees.

Charges which include billing and handling will be invoiced quarterly by the National Technical Information Service (NTIS) of the United States Department of Commerce. The NAL encourages users to establish deposit accounts with NTIS. Payment for services will be made by check, money order or credit card in U.S. funds directly to the NTIS upon receipt of invoice from NTIS. Subject to a reduction for the actual costs of performing the invoicing service by NTIS, all funds received will be returned to NAL for credit to the appropriations account.
