§ 78.22 Brucellosis reactor bison.

(a) Destination. Brucellosis reactor bison may be moved interstate only for immediate slaughter as follows:

(1) Directly to a recognized slaughtering establishment;

(2) The bison is identified with an official eartag or any other official identification device or method approved by the Administrator;

(3) There is no change of ownership since the date of the last official test;

(4) A certificate accompanies each interstate movement of the bull; and

(5) A permit for entry is issued for each interstate movement of the bull.

(Amended by the Office of Management and Budget under control number 0579–0047)

§§ 78.15–78.19 [Reserved]
