§ 12.7 Securities trading policies and procedures.

(a) Policies and procedures; reports of securities trading. A national bank effecting securities transactions for customers shall maintain and adhere to policies and procedures that:

(1) Assign responsibility for supervision of all officers or employees who:

(i) Transmit orders to or place orders with registered broker/dealers;

(ii) Execute transactions in securities for customers; or

(iii) Process orders for notification or settlement purposes, or perform other back office functions with respect to securities transactions effected for customers. Policies and procedures for personnel described in this paragraph (a)(1)(iii) must provide for supervision and reporting lines that are separate from supervision and reporting lines for personnel described in paragraphs (a)(1) (i) and (ii) of this section;

(2) Provide for the fair and equitable allocation of securities and prices to accounts when the bank receives orders for the same security at approximately the same time and places the orders for execution either individually or in combination;

(3) Provide for the crossing of buy and sell orders on a fair and equitable basis to the parties to the transaction, where permissible under applicable law; and

(4) Require bank officers and employees to report to the bank, within the deadline specified in SEC rule 17j–1 (17 CFR 270.17j–1) for quarterly transaction reports, all personal transactions in securities made by them or on their behalf in which they have a beneficial interest, if the officers and employees:

(i) Make investment recommendations or decisions for the accounts of customers;

(ii) Participate in the determination of the recommendations or decisions; or

(iii) In connection with their duties, obtain information concerning which securities are purchased, sold, or recommended for purchase or sale by the bank.

(b) Required information. The report required under paragraph (a)(4) of this section must contain the following information:

(1) The date of the transaction, the title and number of shares, and the principal amount of each security involved;

(2) The nature of the transaction (i.e. purchase, sale, or other type of acquisition or disposition);

(3) The price at which the transaction was effected; and

(4) The name of the registered broker, registered dealer, or bank with or through whom the transaction was effected.

(c) Report not required. This section does not require a bank officer or employee to report transactions if:

(1) The officer or employee has no direct or indirect influence or control over the transaction;

(2) The transaction is in mutual fund shares;

(3) The transaction is in government securities; or
§ 12.8 Waivers.

A national bank may file a written request with the OCC for waiver of one or more of the requirements set forth in §§12.2 through 12.7, either in whole or in part. The OCC may grant a waiver from the requirements of this part to any national bank, or any class of national banks, with regard to a specific transaction or a specific class of transactions.

§ 12.9 Settlement of securities transactions.

(a) A national bank shall not effect or enter into a contract for the purchase or sale of a security (other than an exempted security as defined in 15 U.S.C. 78c(a)(12), government security, municipal security, commercial paper, bankers’ acceptances, or commercial bills) that provides for payment of funds and delivery of securities later than the third business day after the date of the contract, unless otherwise expressly agreed to by the parties at the time of the transaction.

(b) Paragraphs (a) and (c) of this section do not apply to contracts:

1. For the purchase or sale of limited partnership interests that are not listed on an exchange or for which quotations are not disseminated through an automated quotation system of a registered securities association;

2. For the purchase or sale of securities that the Securities and Exchange Commission (SEC) may from time to time, taking into account existing market practices, exempt by order from the requirements of paragraph (a) of SEC Rule 15c6–1, 17 CFR 240.15c6–1(a), either unconditionally or on specified terms and conditions, if the SEC determines that an exemption is consistent with the public interest and the protection of investors.

(c) Paragraph (a) of this section does not apply to contracts for the sale for cash of securities that are priced after 4:30 p.m. Eastern time on the date the securities are priced and that are sold by an issuer to an underwriter pursuant to a firm commitment underwritten offering registered under the Securities Act of 1933, 15 U.S.C. 77a et seq., or sold to an initial purchaser by a national bank participating in the offering. A national bank shall not effect or enter into a contract for the purchase or sale of the securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For purposes of paragraphs (a) and (c) of this section, the parties to a contract are deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment offering if the managing underwriter and the issuer have agreed to the date for all securities sold pursuant to the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.
