§ 7.1014 Sale of money orders at non-banking outlets.

A national bank may designate bonded agents to sell the bank’s money orders at nonbanking outlets. The responsibility of both the bank and its agent should be defined in a written agreement setting forth the duties of both parties and providing for remuneration of the agent. The bank’s agents need not report on sales and transmit funds from the nonbanking outlets more frequently than at the end of the third business day following receipt of the funds.

§ 7.1015 Receipt of stock from a small business investment company.

A national bank may purchase the stock of a small business investment company (SBIC) (see 15 U.S.C. 682(b)), and may receive the benefits of such stock ownership (e.g., stock dividends). The receipt and retention of a dividend by a national bank from an SBIC in the form of stock of a corporate borrower of the SBIC is not a purchase of stock within the meaning of 12 U.S.C. 24 (Seventh).

§ 7.1016 Independent undertakings to pay against documents.

(a) General authority. A national bank may issue and commit to issue letters of credit and other independent undertakings within the scope of the applicable laws or rules of practice recognized by law. 1 Under such letters of credit and other independent undertakings, the bank’s obligation to honor depends upon the presentation of specified documents and not upon nondocumentary conditions or resolution of questions of fact or law at issue between the applicant and the beneficiary. A national bank may also confirm or otherwise undertake to honor or purchase specified documents upon their presentation under another person’s independent undertaking within the scope of such laws or rules.
