(vi) If the appraisal is based on a comparison of the shares with outstanding shares of existing stock associations, the existing stock associations must be reasonably comparable in size, market area, competitive conditions, risk profile, profit history, and expected future earnings.

(vii) The Board may decline to process the application for conversion and deem it materially deficient or substantially incomplete if the initial appraisal report is materially deficient or substantially incomplete.

(viii) The mutual holding company may not represent or imply that the Board has approved the appraisal.

(3) Board review of compliance record. The Board will review the compliance record of the subsidiary savings association under the regulations applicable to the savings association and the business plan to determine how the conversion will affect the convenience and needs of its communities.

(i) Based on this review, the Board may approve the application, deny the application, or approve the application on the condition that the resulting stock holding company will improve the CRA performance or will address the particular credit or lending needs of the communities that it will serve.

(ii) The Board may deny the application if the business plan does not demonstrate that the proposed use of conversion proceeds will help the resulting stock holding company to meet the credit and lending needs of the communities that it will serve.

(4) The Board may request that the mutual holding company amend the application if further explanation is necessary, material is missing, or material must be corrected.
