### APPENDIX B TO PART 363—Illustrative Management Reports

**Table of Contents**

1. General
2. Reporting Scenarios for Institutions that are Holding Company Subsidiaries
3. Illustrative Statements of Management’s Responsibilities
4. Illustrative Reports on Management’s Assessment of Compliance with Designated Laws and Regulations
5. Illustrative Reports on Management’s Assessment of Internal Control Over Financial Reporting
7. Illustrative Cover Letter—Compliance by Holding Company Subsidiaries

1. General. The reporting scenarios, illustrative management reports, and the cover letter (when complying at the holding company level) in Appendix B to part 363 are intended to assist managements of insured depository institutions in complying with the annual reporting requirements of §363.2 and guideline 3, Compliance by Holding Company Subsidiaries, of Appendix A to part 363. However, use of the illustrative management reports and cover letter is not required. The managements of insured depository institutions are encouraged to tailor the wording of their management reports and cover letters to fit their particular circumstances, especially when reporting on material weaknesses in internal control over financial reporting or noncompliance with designated laws and regulations. Terms that are not explained in Appendix B have the meanings given them in part 363, the FDI Act, or professional accounting and auditing literature. Instructions to the preparer of the management reports are shown in brackets within the illustrative reports.

2. Reporting Scenarios for Institutions that are Holding Company Subsidiaries. (a) Subject to the criteria specified in §363.1(b), an insured depository institution that is a subsidiary of a holding company has flexibility in satisfying the annual reporting requirements of part 363. When reporting at the holding company level, the management report, or the individual components thereof, should identify those subsidiary institutions that are subject to part 363 and the extent to which they are included in the scope of the management report or a component of the report. The following reporting scenarios reflect how an insured depository institution that meets the criteria set forth in §363.1(b) could satisfy the annual reporting requirements of §363.2. Other reporting scenarios are possible.
Federal Deposit Insurance Corporation

(i) An institution that is a subsidiary of a holding company may satisfy the requirements for audited financial statements; management’s statement of responsibilities; management’s assessment of the institution’s compliance with the Federal laws and regulations pertaining to insider loans and the Federal and, if applicable, State laws and regulations pertaining to dividend restrictions; management’s assessment of the effectiveness of internal control over financial reporting, if applicable; and the independent public accountant’s attestation on management’s assertion as to the effectiveness of internal control over financial reporting, if applicable, at the insured depository institution level.

(ii) An institution that is a subsidiary of a holding company may satisfy the requirements for audited financial statements; management’s statement of responsibilities; management’s assessment of the institution’s compliance with the Federal laws and regulations pertaining to insider loans and the Federal and, if applicable, State laws and regulations pertaining to dividend restrictions; management’s assessment of the effectiveness of internal control over financial reporting, if applicable; and the independent public accountant’s attestation on management’s assertion as to the effectiveness of internal control over financial reporting, if applicable, at the holding company level.

(iii) An institution that is a subsidiary of a holding company may satisfy the requirements for audited financial statements; management’s statement of responsibilities; management’s assessment of the institution’s compliance with the Federal laws and regulations pertaining to insider loans and the Federal and, if applicable, State laws and regulations pertaining to dividend restrictions; management’s assessment of the effectiveness of internal control over financial reporting, if applicable; and the independent public accountant’s attestation on management’s assertion as to the effectiveness of internal control over financial reporting, if applicable, at the holding company level.

(iv) An institution that is a subsidiary of a holding company may satisfy the requirements for audited financial statements; management’s statement of responsibilities; and management’s assessment of the institution’s compliance with the Federal laws and regulations pertaining to insider loans and the Federal and, if applicable, State laws and regulations pertaining to dividend restrictions at the insured depository institution level and may satisfy the requirements for the assessment by management of the effectiveness of internal control over financial reporting, if applicable; and the independent public accountant’s attestation on management’s assertion as to the effectiveness of internal control over financial reporting, if applicable, at the holding company level.

(b) For an institution with total assets of $1 billion or more as of the beginning of its fiscal year, the assessment by management of the effectiveness of internal control over financial reporting and the independent public accountant’s attestation on management’s assertion as to the effectiveness of internal control over financial reporting, if applicable, must both be performed at the same level, i.e., either at the insured depository institution level or at the holding company level.

(c) Financial statements prepared for regulatory reporting purposes encompass the schedules equivalent to the basic financial statements in an institution’s appropriate regulatory report, e.g., the bank Consolidated Reports of Condition and Income (Call Report) and the Thrift Financial Report (TFR). Guideline 4A in Appendix A to part 363 identifies the schedules equivalent to the basic financial statements in the Call Report and TFR. When internal control assessments and attestations are performed at the holding company level, the FDIC believes that holding companies have flexibility in interpreting “financial reporting” as it relates to “regulatory reporting” and has not objected to several reporting approaches employed by holding companies to cover “regulatory reporting.” Certain holding companies have had management’s assessment and the accountant’s attestation cover the schedules equivalent to the basic financial statements that are included in the appropriate regulatory report, e.g., Call Report and the TFR, of each subsidiary institution subject to part 363. Other holding companies have had management’s assessment and the accountant’s attestation cover the schedules equivalent to the basic financial statements that are included in the holding company’s year-end regulatory report (FR Y-9C report) to the Federal Reserve Board.

3. Illustrative Statements of Management’s Responsibilities.

The following illustrative statements of management’s responsibilities satisfy the requirements of §363.2(b)(1).

MANAGEMENT’S ASSESSMENT OF INTERNAL CONTROL OVER FINANCIAL REPORTING

5. Illustrative Reports on Management’s Assessment of Internal Control Over Financial Reporting

The following illustrative reports on management’s assessment of internal control over financial reporting satisfy the requirements of §363.2(b)(3).

(a) Statement Made at Insured Depository Institution Level—No Material Weaknesses

MANAGEMENT’S ASSESSMENT OF INTERNAL CONTROL OVER FINANCIAL REPORTING

ABC Depository Institution’s (the “Institution”) internal control over financial reporting is a process effected by those charged with governance, management, and other personnel, designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of reliable financial statements in accordance with accounting principles generally accepted in the United States of America and financial statements for regulatory reporting purposes, i.e., (specify the regulatory reports). The Institution’s internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Institution; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America and financial statements for regulatory reporting purposes, and that receipts and expenditures of the Institution are being made only in accordance with authorizations of management and directors of the Institution; and (3) provide reasonable assurance regarding prevention, or timely detection and correction of unauthorized acquisition, use, or disposition of the Institution’s assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent, or detect and correct misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

Management is responsible for establishing and maintaining effective internal control over financial reporting including controls over the preparation of regulatory financial statements. Management assessed the effectiveness of the Institution’s internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], as of December 31, 20XX, based on the framework set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control—Integrated Framework. Based upon its assessment, management has concluded that, as of December 31, 20XX, the Institution’s internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], is effective based on the criteria established in Internal Control—Integrated Framework.

Management’s assessment of the effectiveness of internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], as of December 31, 20XX, has been audited by [name of auditing firm], an independent public accounting firm, as stated in their report dated March XX, 20XY.

Management’s Assessment of Internal Control Over Financial Reporting

The Company’s internal control over financial reporting is a process effected by those charged with governance, management, and other personnel, designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of reliable financial statements in accordance with accepted financial reporting principles generally accepted in the United States of America and financial statements for regulatory reporting purposes, i.e. [specify the regulatory reports].

The Company’s internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accounting principles in accordance with accepted financial reporting principles generally accepted in the United States of America and financial statements for regulatory reporting purposes, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention, or timely detection and correction of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent, or detect and correct misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

Management assessed the effectiveness of the Company’s internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], as of December 31, 20XX, based on the framework set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control—Integrated Framework. Based upon its assessment, management has concluded that, as of December 31, 20XX, the Company’s internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], is effective based on the criteria established in Internal Control—Integrated Framework.

Management’s assessment of the effectiveness of internal control over financial reporting, including controls over the preparation of regulatory financial statements in accordance with the instructions for the [specify the regulatory report], as of December 31, 20XX, has been audited by [name of auditing firm], an independent public accounting firm, as stated in their report dated March XX, 20XY.

PART 364—STANDARDS FOR SAFETY AND SOUNDNESS

§ 364.100 Purpose.

Section 39 of the Federal Deposit Insurance Act requires the Federal Deposit Insurance Corporation to establish safety and soundness standards. Pursuant to section 39, this part establishes safety and soundness standards by guideline.

§ 364.101 Standards for safety and soundness.

(a) General standards. The Interagency Guidelines Establishing Standards for Safety and Soundness prescribed pursuant to section 39 of the Federal Deposit Insurance Act (12 U.S.C. 1831p–1), as set forth as appendix A to this part, apply to all insured state nonmember banks and to state-licensed insured branches of foreign banks, that are subject to the provisions of section 39 of the Federal Deposit Insurance Act.

(b) Interagency Guidelines Establishing Information Security Standards. The Interagency Guidelines Establishing Information Security Standards prescribed pursuant to section 39 of the Federal Deposit Insurance Act (12 U.S.C. 1831p–1), and sections 501 and 505(b) of the Gramm-Leach-Bliley Act (15 U.S.C. 6801, 6805(b)), and with respect to the proper disposal of consumer information requirements pursuant to section 628 of the Fair Credit Reporting Act (15 U.S.C. 1681w), as set forth in appendix B to this part, apply to all insured state nonmember banks, insured state licensed branches of foreign banks, and any subsidiaries of such entities (except brokers, dealers, persons providing insurance, investment companies, and investment advisers). The interagency regulations and guidelines on identity theft detection, prevention, and mitigation prescribed pursuant to section 114 of the Fair and Accurate Credit Transactions Act of 2003, 15 U.S.C. 1681m(e), are set forth in §§334.90, 334.91, and appendix J of part 334.
