§ 308.300

(c) Other enforcement action. In addition to the actions described in paragraphs (a) and (b) of this section, the FDIC may seek enforcement of the provisions of section 38 or subpart B of part 325 of this chapter through any other judicial or administrative proceeding authorized by law.

Subpart R—Submission and Review of Safety and Soundness Compliance Plans and Issuance of Orders To Correct Safety and Soundness Deficiencies

Source: 60 FR 35684, July 10, 1995, unless otherwise noted.

§ 308.300 Scope.

The rules and procedures set forth in this subpart apply to insured state nonmember banks and to state-licensed insured branches of foreign banks, that are subject to the provisions of section 39 of the Federal Deposit Insurance Act (section 39) (12 U.S.C. 1831p-1).

§ 308.301 Purpose.

Section 39 of the FDI Act requires the FDIC to establish safety and soundness standards. Pursuant to section 39, a bank may be required to submit a compliance plan if it is not in compliance with a safety and soundness standard established by guideline under section 39(a) or (b). An enforceable order under section 8 of the FDI Act may be issued if, after being notified that it is in violation of a safety and soundness standard established under section 39, the bank fails to submit an acceptable compliance plan or falls in any material respect to implement an accepted plan. This subpart establishes procedures for requiring submission of a compliance plan and issuing an enforceable order pursuant to section 39.

§ 308.302 Determination and notification of failure to meet a safety and soundness standard and request for compliance plan.

(a) Determination. The FDIC may, based upon an examination, inspection or any other information that becomes available to the FDIC, determine that a bank has failed to satisfy the safety and soundness standards set out in part 364 of this chapter and in the Interagency Guidelines Establishing Standards for Safety and Soundness in appendix A and the Interagency Guidelines Establishing Standards for Safeguarding Customer Information in appendix B to part 364 of this chapter.

(b) Request for compliance plan. If the FDIC determines that a bank has failed a safety and soundness standard pursuant to paragraph (a) of this section, the FDIC may request, by letter or through a report of examination, the submission of a compliance plan and the bank shall be deemed to have notice of the request three days after mailing of the letter by the FDIC or delivery of the report of examination.

§ 308.303 Filing of safety and soundness compliance plan.

(a) Schedule for filing compliance plan—(1) In general. A bank shall file a written safety and soundness compliance plan with the FDIC within 30 days of receiving a request for a compliance plan pursuant to §308.302(b), unless the FDIC notifies the bank in writing that the plan is to be filed within a different period.

(2) Other plans. If a bank is obligated to file, or is currently operating under, a capital restoration plan submitted pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), a cease-and-desist order entered into pursuant to section 8 of the FDI Act, a formal or informal agreement, or a response to a report of examination or report of inspection, it may, with the permission of the FDIC, submit a compliance plan under this section as part of that plan, order, agreement, or response, subject to the deadline provided in paragraph (a)(1) of this section.

(b) Contents of plan. The compliance plan shall include a description of the steps the bank will take to correct the deficiency and the time within which those steps will be taken.
(c) Review of safety and soundness compliance plans. Within 30 days after receiving a safety and soundness compliance plan under this subpart, the FDIC shall provide written notice to the bank of whether the plan has been approved or seek additional information from the bank regarding the plan. The FDIC may extend the time within which notice regarding approval of a plan will be provided.

(d) Failure to submit or implement a compliance plan—(1) Supervisory actions. If a bank fails to submit an acceptable plan within the time specified by the FDIC or fails in any material respect to implement a compliance plan, then the FDIC shall, by order, require the bank to correct the deficiency and may take further actions provided in section 39(e)(2)(B). Pursuant to section 39(e)(3), the FDIC may be required to take certain actions if the bank commenced operations or experienced a change in control within the previous 24-month period, or the bank experienced extraordinary growth during the previous 18-month period.

(2) Extraordinary growth. For purposes of paragraph (d)(1) of this section, extraordinary growth means an increase in assets of more than 7.5 percent during any quarter within the 18-month period preceding the issuance of a request for submission of a compliance plan, by a bank that is not well capitalized for purposes of section 38 of the FDI Act. For purposes of calculating an increase in assets, assets acquired through merger or acquisition approved pursuant to the Bank Merger Act (12 U.S.C. 1828(c)) will be excluded.

(e) Amendment of compliance plan. A bank that has filed an approved compliance plan may, after prior written notice to and approval by the FDIC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the compliance plan as previously approved.

§ 308.304 Issuance of orders to correct deficiencies and to take or refrain from taking other actions.

(a) Notice of intent to issue order—(1) In general. The FDIC shall provide a bank prior written notice of the FDIC's intention to issue an order requiring the bank to correct a safety and soundness deficiency or to take or refrain from taking other actions pursuant to section 39 of the FDI Act. The bank shall have such time to respond to a proposed order as provided by the FDIC under paragraph (c) of this section.

(2) Immediate issuance of final order. If the FDIC finds it necessary in order to carry out the purposes of section 39 of the FDI Act, the FDIC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue an order requiring a bank immediately to take actions to correct a safety and soundness deficiency or take or refrain from taking other actions pursuant to section 39. A bank that is subject to such an immediately effective order may submit a written appeal of the order to the FDIC. Such an appeal must be received by the FDIC within 14 calendar days of the issuance of the order, unless the FDIC permits a longer period. The FDIC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the order shall remain in effect unless the FDIC, in its sole discretion, stays the effectiveness of the order.

(b) Contents of notice. A notice of intent to issue an order shall include:

(1) A statement of the safety and soundness deficiency or deficiencies that have been identified at the bank;

(2) A description of any restrictions, prohibitions, or affirmative actions that the FDIC proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of any required action; and

(4) The date by which the bank subject to the order may file with the FDIC a written response to the notice.

(c) Response to notice—(1) Time for response. A bank may file a written response to a notice of intent to issue an order within the time period set by the FDIC. Such a response must be received by the FDIC within 14 calendar days from the date of the notice unless the FDIC determines that a different period is appropriate in light of the safety and soundness of the bank or other relevant circumstances.
