§ 370.7 Assessment for the Transaction Account Guarantee Program.

(a) Waiver of assessment for certain initial periods. No eligible entity shall pay any assessment associated with the transaction account guarantee program for the period from October 14, 2008, through November 12, 2008. An eligible entity that opts out of the program on or before December 5, 2008 will not pay any assessment under the program.

(b) Initiation of assessments. Beginning on November 13, 2008 each eligible entity that does not opt out of the transaction account guarantee program on or before December 5, 2008 will be required to pay the FDIC assessments on all deposit amounts in noninterest-bearing transaction accounts calculated in accordance with paragraph (c) of this section.

(c) Amount of assessment. (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section any eligible entity that does not opt out of the transaction account guarantee program shall pay quarterly an annualized 10 basis point assessment on any deposit amounts exceeding the existing deposit insurance limit of $250,000, as reported on its quarterly Consolidated Reports of Condition and Income, Thrift Financial...

§ 370.8  Systemic risk emergency special assessment to recover loss.

To the extent that the assessments provided under §370.6 or §370.7, other than the surcharges provided in §370.6(h), are insufficient to cover any (ii) 20 basis points, for the portion of each quarter in which the entity is assigned to Risk Category II; and (iii) 25 basis points, for the portion of each quarter in which the entity is assigned to either Risk Category III or Risk Category IV.

(5) The amount to be reported for each noninterest-bearing transaction account as the average daily balance is the total dollar amount held in such account that exceeds $250,000 for each calendar day during the quarter divided by the number of calendar days in the quarter. For those days that an office of the reporting institution is closed (e.g., Saturdays, Sundays, or holidays), the amounts outstanding from the previous business day should be used. The total number of accounts to be reported should be calculated on the same basis. Documentation supporting the amounts used in the calculation of the average daily balance amounts must be retained and be readily available upon request by the FDIC or the institution’s primary Federal regulator. In addition, all institutions that do not opt of the transaction account guarantee program must establish procedures to gather the necessary daily data beginning July 1, 2010.

(6) An entity’s Risk Category is determined in accordance with the FDIC’s risk-based premium system described in 12 CFR part 327. The assessments provided in this paragraph (c) shall be in addition to an institution’s risk-based assessment imposed under Part 327.

(d) Collection of assessment. Assessments for the transaction account guarantee program shall be collected along with a participating entity’s quarterly deposit insurance payment as provided in §327.3, and subject to penalties for failure to timely pay assessments as referenced in §308.132(c)(3)(v).
